

**Dr. David Glasser Memorial  
Tuberculosis Control Award  
Maryland Center for TB Control and  
Prevention  
2018**

# **Dr. David Glasser Memorial Tuberculosis Control Award**

---

*Awarded for significant contributions to the  
prevention and control of TB in Maryland*

# Who Was David Glasser?

(1933-1989)

# Dr. David Glasser, MD, MPH

---

## Problem-solver and visionary;

- Used money smuggled to him in hollowed out books while serving in U.S. Army Medical Corps to help restore a TB treatment hospital.
- Initiated local ordinances as Director, Bureau of Disease Control, Baltimore City, including pharmacy reporting of TB medications.
- Championed needle-exchange programs to stop the spread of HIV.
- Created a program of utilizing nurse case managers in City TB program to provide individualized and carefully monitored TB care.
- Partnered with universities and hospitals to promote public health research and better clinical practice.

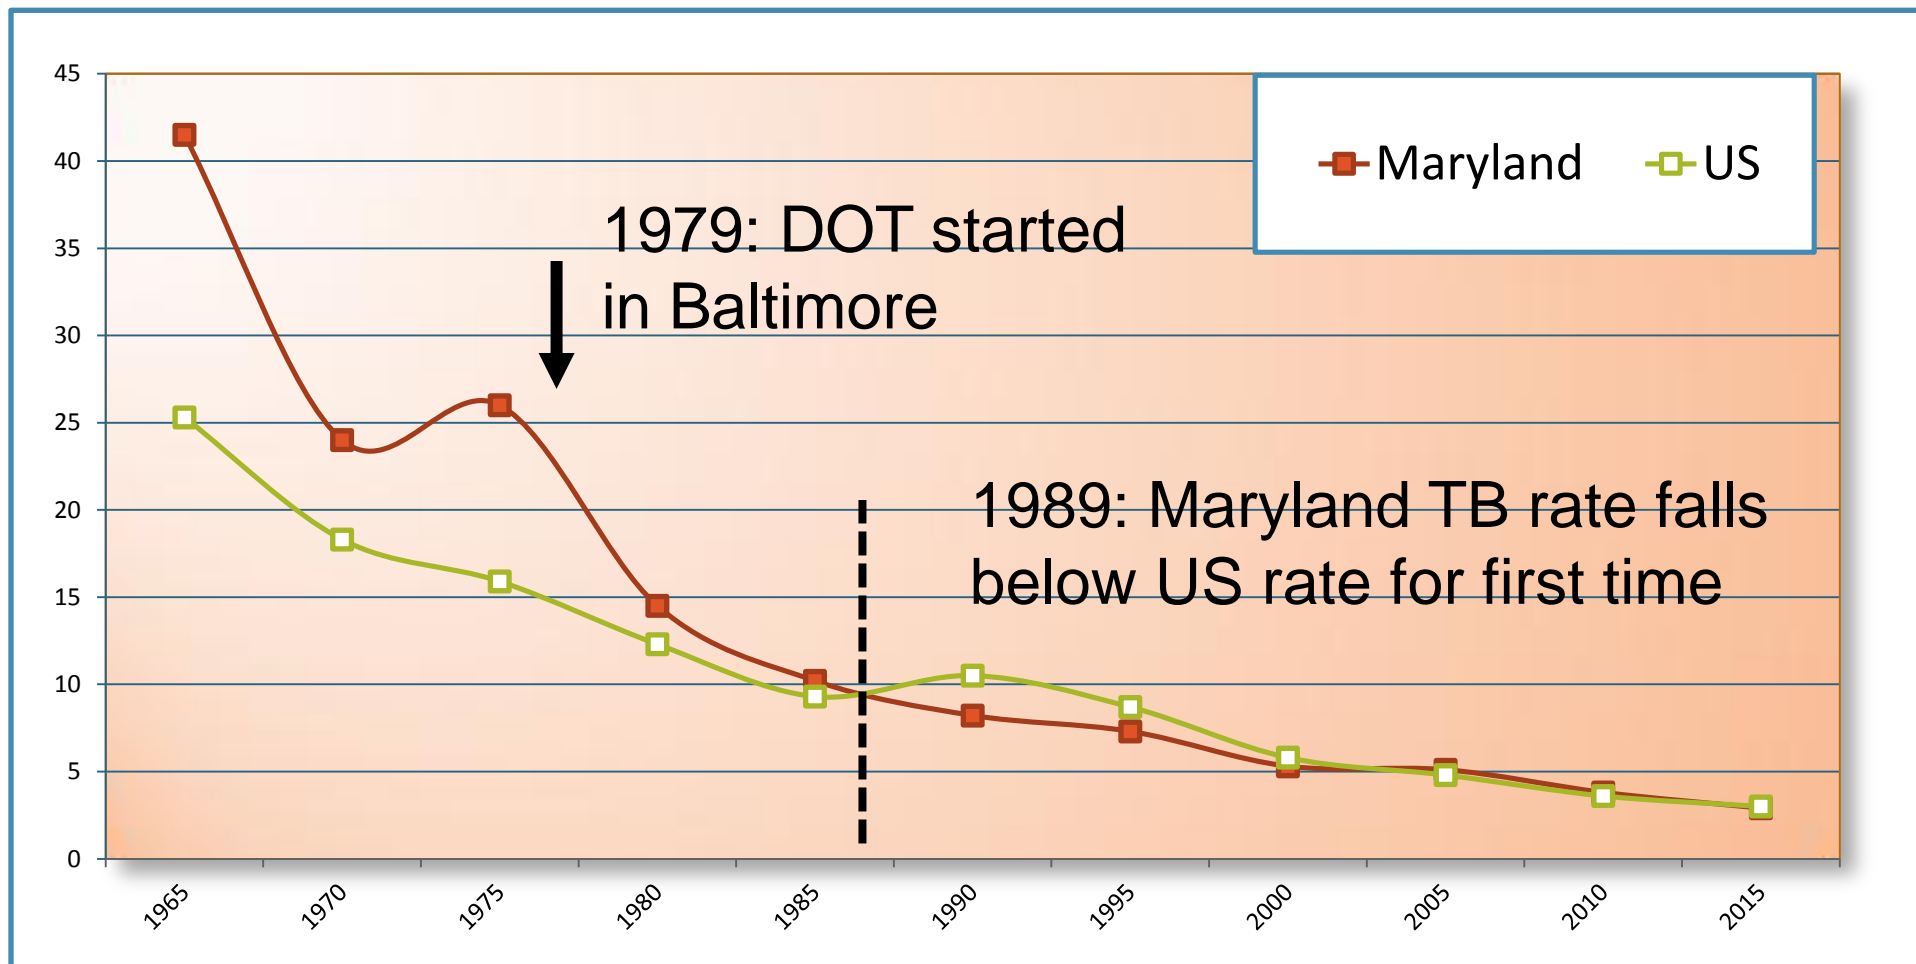

# Dr. David Glasser

---

- **1966:** Baltimore City TB case rate of **75/100,000** was the highest case rate of any large U.S. city. As a consequence, Maryland also ranked #1 for TB in the country.
- **1973:** Initiated 4-drug treatment.
- **1979:** Implemented DOT .
  
- **1981:** City TB case rate **35.6/100,000**
- **2005:** City TB case rate **10.6/100,000**
- **2017:** City TB case rate **4.1/100,000**

# Impact of DOT on TB Rates per 100,000 Population, Maryland and US, 1965 to 2015

# Who Was David Glasser?

---

Not a world famous man, but a man who dreamed big, worked hard to achieve, was not afraid to do things that many considered “undoable” and a true public health advocate who laid the ground work for fundamental change in TB case management, prevention and control in all of Maryland.

# Where Did the Design of the Award Come From?

---

# International Congress on Tuberculosis

## September 21, 1908

---

- Held in Washington, D.C. at the Smithsonian Museum of Natural History.
- Largest worldwide exposition on TB at a time when the impact of TB worldwide was measured in terms of *mortality*.
- First time the meeting was held in US; attendance from all 47 states and many foreign countries.

# International Congress on Tuberculosis; 1908

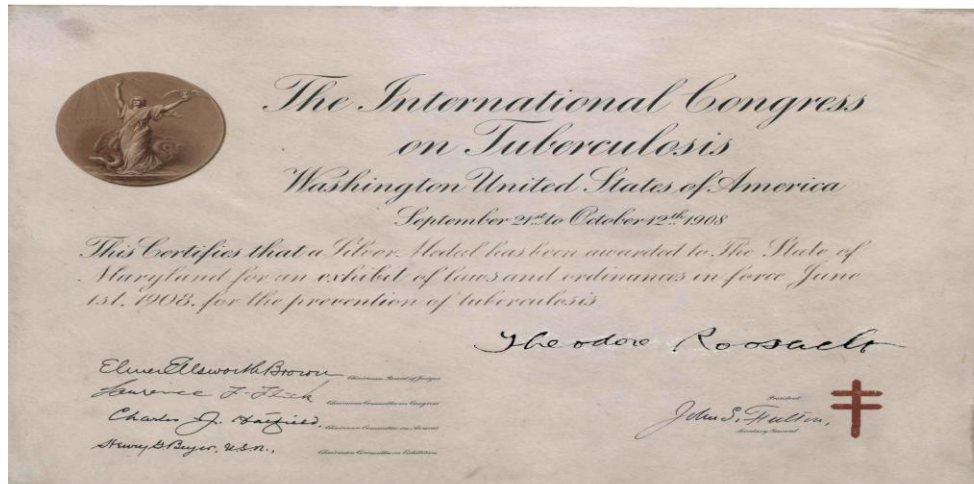

Maryland State Exhibit at the International Congress on Tuberculosis, Washington, D.C. -- September, 1908

# 1908 International Congress on Tuberculosis Maryland Awards

**Silver Medal to the state of Maryland** for its exhibit of laws and ordinances in force to prevent TB; the awarding document signed by President Theodore Roosevelt.

**Gold Medal to State Board of Health** for the best example of an individualized package of preventive supplies for a tuberculosis patient.

# State Board of Health 1908 Gold Medal

*Female with arms uplifted to the light (and UV rays) of the sun*

*Winged hour glass; enduring symbol of time which many TB patients worldwide still do not have*

*Dragon: throughout time in both East and West associated with wisdom and magic; maybe both still needed in our efforts to END TB*

# Recipients of the Dr. David Glasser Memorial Tuberculosis Control Award

1996	Thomas Walsh, MD	2004	Judith Thomas, BSN, RN
1996	Kristina Moore-Rice, BSN	2006	Danielle Weber, BSN, RN
