A. Welcome / Introductions

B. Mission Statement:

The mission of the Maryland Diabetes Action Committee is to improve the health of the communities we serve through a coordinated and meaningful initiative to address the prevention and management of diabetes in Maryland. As a collaboration of organizations and partners, across multiple sectors, we come together to identify opportunities to improve health outcomes in those identified as at risk for diabetes or diabetes complications. We will act in our areas of influence to align efforts and resources to reduce the burden of diabetes.
