

# MARYLAND CHILDREN'S MEDICAL SERVICES PROGRAM

## FINANCIAL ELIGIBILITY SCALE (Effective 01/12/2022)

	Financial Eligibility Scale *	New Medical Deduction Eligibility Scale **
Family Size	Annual Adjusted Income (200%)	Annual Adjusted Income (250%)
1	\$ 27,120	\$ 33,975
2	\$ 36,620	\$ 45,775
3	\$ 46,060	\$ 57,575
4	\$ 55,500	\$ 69,375
5	\$ 64,940	\$ 81,175
6	\$ 74,380	\$ 92,975
7	\$ 83,820	\$ 104,775
8	\$ 93,260	\$ 116,575

For a family unit with more than 8 members, add **\$4,720** annually for each additional family member.

### Examples

If a family of 3 has an annual income of **\$40,000**, the family's annual income would qualify the child for CMS Program.

If a family of 3 has an annual income before medical expenses of **\$48,000** and has made annual payments for eligible medical expenses of **\$9,000**, the family's annual adjusted income of **\$39,000** would qualify the child for CMS Program.

If a family of 3 has an annual income before medical expenses of **\$50,000** and has made annual payments for eligible medical expenses of **\$2000**, the family annual adjusted income of **\$48000** would NOT qualify the child for CMS Program.

If a family of 3 has an annual income before medical expenses of **\$55,000**, the child would NOT qualify for CMS Program regardless of the amount of annual payments for eligible medical expenses.
