

Cannabis Public Health Advisory Council Meeting #15 (Virtual)

January 21, 2026
4pm - 6pm

A horizontal bar with a multi-colored geometric pattern (blue, red, yellow, black) runs across the page below the date and time information.

Agenda

- Roll Call
- Meeting Minutes Review/Vote
- Beyond Brownies and Joints: The New Landscape of Cannabis Products
- Legislative Updates
- Wrap-Up & Public Comment
- Adjourn

Council's Meeting

- Public Comment - brief time reserved at the end of the meeting
- Public may observe, but not participate
- Disruptions may result in removal from the meeting

Council's Charge

To study and make recommendations regarding public health impacts related to the legalization of adult-use cannabis. This includes, among other responsibilities:

- the promotion of public health and mitigation of youth use of, misuse of, and addiction to cannabis;
- data collection and reporting of data that measures the impact of cannabis consumption and legalization;
- The impact of cannabis legalization on the education, behavioral health, and somatic health of individuals under the age of 21 years;
- Initiatives to prevent cannabis use by individuals under the age of 21 years, including educational programs for use in schools;
- Public health campaigns on cannabis;
- Advertising, labeling, product testing, and quality control requirements;
- Training for health care providers related to cannabis use;
- Best practices regarding requirements to reduce the appeal of cannabis to minors, including advertising, potency, packaging, and labeling standards; and
- Any other issues that advance public health related to cannabis use and legalization.
