** Please note this is NOT a complete list of Fluoride Varnish suppliers and we do not endorse any specific supplier or varnish.

** Some suppliers require providers to have a DEA# and open an account in order to purchase fluoride varnish.

** All suppliers have application instructions and material safety data sheets (MSDS) available on their websites or available upon request. We recommend that you read them before you make a purchase, and share application information with your those applying the fluoride varnish.

Let's work together to reduce early childhood caries.
