

Similac Powdered Formula Recall – 2/23/2022

Abbott Nutrition has issued a voluntary recall of the following powdered products that are provided by the Maryland WIC Program:

- All Alimentum powder
- All EleCare Infant powder
- All Elecare Jr powder
- All 12.5 oz containers Similac for Spit Up powder
- All 12.6 oz containers Total Comfort powder

- Some 12.4 oz Similac Advance powder
- Some 12.5 oz Similac Sensitive powder

Steps to take if your infant has been provided one of the above products:

1. Check if your formula is impacted by the recent Similac recall, use the following link: <https://www.similarecall.com/us/en/home.html>. Click on "Check Lot Number" to verify if the lot number on your formula can be impacted by the recall.
2. Contact your local WIC office for assistance related to returning the formula and options for replacement formula if the product was recalled.
