IMPORTANT NOTICE

September 30, 2025

Dear WIC authorized vendor,

Maryland WIC thanks you for your continued support of our program and participants. We know there are many questions and concerns regarding the potential impacts from the latest federal funding discussions and potential shutdown. Maryland WIC is open for business. Please continue to operate as usual. Participants should continue using their benefits and stores should continue accepting WIC benefits.

If WIC participants have any questions about whether their benefits are valid, we ask that store staff direct them to the mobile app, offer to print a balance inquiry or refer them to their local WIC clinic. Please continue to help troubleshoot transaction issues and assist the participants with the WIC approved foods that have been issued to them.

We will provide additional guidance if anything should change. Updates are also available on the Maryland WIC website at www.mdwic.org. Please contact Maura Shea at mdh.wicvendor@maryland.gov with any questions regarding this notice.

Sincerely,

Maura Shea
Chief, Vendor Operations and Program Compliance
