

NOW AVAILABLE

AT A FARMERS' MARKET NEAR YOU

It's now easier to use your WIC fruit and vegetable benefit at the farmers' market!

1. Use the BNFT mobile app  Bnft or go to mybnft.com to generate a barcode you can use for 30 days. This barcode is used to access your WIC benefits.
2. Ask farmers if they accept WIC benefits. If they do, show the barcode on your phone OR show a printout of the barcode.

You can also use your farmers' market coupons!

This institution is an equal opportunity provider.
