

MINIMUM REQUIRED STOCK

FOR STORES WITH FOUR OR MORE CASH REGISTERS

The minimum required stock is the specific types, sizes and amounts of WIC authorized foods that must be in a vendor's store during business hours. The stock must be in either the store or the store's stockroom. Expired foods do not count toward the minimum required stock.

See current Authorized Foods List at mdwic.org for allowed brands, varieties, and other food specifications.

Effective July 1, 2025, Maryland WIC will offer organic options only within the following categories: Tofu, Baby cereal and baby food, and Fruits and vegetables purchased with fruit & veggie dollars (CVB)
