Baltimore, MD  21297

Please DO NOT mail or hand deliver your application to the Board office or any other address except the address listed above. Applications mailed or hand delivered to the Board office will be forwarded to the above address. This will delay the processing of your application. Please note: Federal Express (FEDEX) or UPS do not deliver to post office boxes.

Applications are processed in order of receipt. Please allow at least 3 to 6 weeks for the processing of your application. Board staff will make every effort to process your application as quickly as possible. Incomplete applications and/or failure to submit the required information will delay the processing of your application.

Please do not continuously call your analyst to check on the status of your application. Constant interruptions slow down the process. Generally, within 5 - 7 business days from the receipt of your application, your analyst will contact you if additional documentation is required. Please make sure your contact information is current.

Documents submitted to support your application must come directly from the source. For example, verification of education must come directly from your school. Verification of full-time practice must come directly from an employer, supervisor, or colleague. Verification of national certification must come from the national certifying body and verification of other licenses must come from the state board that issued your license.

Board staff will not disclose the status of your application to another party unless you have completed the Third Party Option on page 7 of the application or provided documentation allowing staff to disclose the status to another party. Other parties include family members, friends and future employers, etc.

The Board will keep your application open for 120 days from the original date of receipt. All requirements for licensure must be met within the 120 day period. The Board does not grant exemptions from these requirements. If the requirements are not met, your application will be closed and a new application and full application fee will be required.

The Board’s website is updated every 24 hours. You may wish to check the website at www.mbp.state.md.us before calling the Board to find out if a license was issued to you. When you get to the website, click Look up a Licensee.

We look forward to receiving your completed application and will process it as quickly as possible.
