

Maryland LHD Billing Manual

Statement of Disclaimer

This publication has been prepared as a resource for the Maryland Local Health Departments (LHDs), funded by the State of Maryland, Department of Health and Mental Hygiene (DHMH). The material contained herein is intended for educational and awareness, and does not necessarily represent the official views of the Department of Health and Mental Hygiene.

This publication does not have the effect of law or regulation. Every effort has been made to ensure accuracy; however, statutes, regulations, and policies are subject to change. Please note that many of the documents and files in this Manual contain sensitive material or information, such as that related to HIPAA compliance or other legal or regulatory purposes or requirements. These and other documents, including references to fee schedules or procedures are also time-sensitive. Because documents such as these can be revised at any time by their authors or issuing entities, care should be taken to ensure that any document, information, or authority relied on or otherwise implemented is current. Should a conflict arise between this publication and any pertinent statute, regulation, or policy, the latter will prevail.

It is highly recommended that all documents, files and information, changed or unchanged, regardless of how communicated, be reviewed by management and legal counsel before being used or otherwise implemented.
