

About Change Healthcare

Our Company:

Change Healthcare is one of the largest independent healthcare technology companies in the United States, formed through the combination of substantially all of the businesses of Change Healthcare and a majority of the McKesson Technology Solutions businesses.

We provide software and analytics, network solutions, and technology-enabled services that help our customers obtain actionable insights, exchange mission-critical information, control costs, optimize revenue opportunities, increase cash flow, and effectively navigate the shift to value-based healthcare.

Our Mission:

We're focused on accelerating the transformation of the U.S. healthcare system through the power of the Change Healthcare Platform.

Our Goal:

To help Payers, providers, and consumers improve clinical and financial outcomes so that everyone in the healthcare system can thrive.

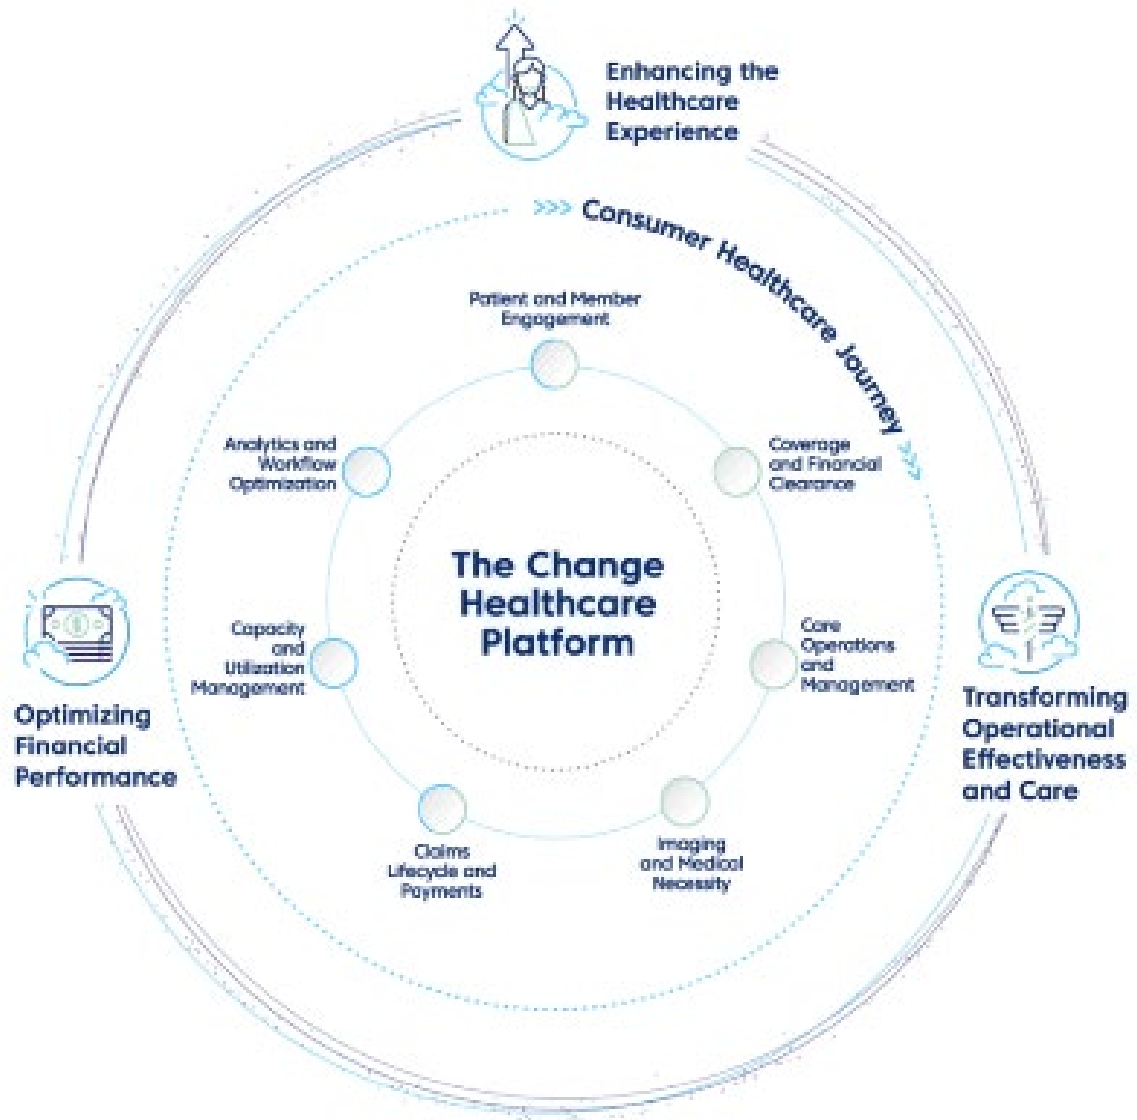

Our Platform:

Our Platform is at the core of everything we do: unlocking value within the healthcare ecosystem and helping meet the needs of payers, providers, and consumers.

Our Approach:

Leveraging data and expertise to deliver solutions that accelerate the transformation of the healthcare system.

Enhancing the Healthcare Experience:
