The Maryland Medicaid Family Planning (FP) Program provides family planning benefits to eligible low-income women and men. To be eligible, applicants must meet all eligibility requirements for the program including:

- be a Maryland resident
- be a U.S. citizen or qualified alien
- have income below 264% FPL (or about \$2,747 per month in 2019 for a household of one person)
- Any age

The FP Program does not cover any other health care services except family planning services.

Family planning services include:

- Advice about birth control methods;
- Physical exams, including pelvic and breast exams;
- Screenings, such as pap smears and for sexually transmitted infections, when done as part of the family planning visit;
- Birth control pills and devices, such as IUDs;
- Emergency contraception; and
- Permanent sterilization (must be aged 21 or over).

*This program does not cover prenatal services, abortion and infertility services.
