FOREWORD

The *Directory of County Officials* publication is one of many services provided by the Maryland Association of Counties (MACo) to its members and to the public.

The directory is designed to provide a convenient and comprehensive listing of the elected and appointed officials in Maryland's 23 counties and Baltimore City. Municipal corporations and their highest-ranking officials are listed in each county section. An alphabetical index of those listed in the directory can be found at the back of the directory.

MACo's affiliates' current membership and an electronic version of the directory can be found on the MACo website at www.mdcounties.org.

MACo is indebted to the many county and state officials and their staff members who provided the necessary information for this edition.

Dear Friends,

As president of the Maryland Association of Counties this year, it is my pleasure to present the 2019-2020 *Directory of County Officials*. This publication provides names and contact information of those serving in public office since January 2019.

MACo has provided this directory in evolving formats since 1961. The first edition was a simple listing of member counties, elected officials, and their phone numbers and addresses. This 31st edition covers county and state contacts, including website and email addresses for all. It is also available online — a feature that could not be imagined in 1961.

With the ever-changing influence of technology in our lives, it is important to remember that the people found in all 31 editions of the directory are and have been Maryland's committed public servants. And even though their names and faces have changed, they have in the past, and are today, working hard to bring the best government to our cities, counties and state.

This edition also contains advertising from many Maryland counties, corporations and companies. It means a great deal to the officers and Board of Directors to have their participation and support for this directory and the many other functions sponsored throughout the year.

Once again, the 2019-2020 *Directory of County Officials* will also be available online. The search feature will make navigating the directory quick and easy.

Please visit MACo's website at www.mdcounties.org to obtain more information about purchasing this valuable resource.

With warmest regards,

Barry Glassman
2019 MACo President
County Executive, Harford County

Baltimore City

Origin: Baltimore City was incorporated in 1796 (Chapter 68, Acts of 1796). The city's name was derived from the barony of the proprietor of the Maryland colony, Cecilius Calvert, second baron Baltimore, and the town of "Baltimore" in County Longford, Ireland. As a governmental unit, the city separated from Baltimore County in 1851.

Cecil County

Origin: Cecil County was erected in 1674 from Baltimore and Kent Counties by proclamation of the governor. The county was named for Cecilius Calvert (1605-1675), second lord Baltimore, and founder of the Maryland colony. Although he never lived in Maryland, Cecilius Calvert was proprietor of the colony from 1632 until his death in Middlesex, England, in 1675.

Charles County

Origin: Charles County was created in 1658 by an Order in Council. It is not to be confused with an earlier Charles County (1650-1653) known as Old Charles County. The county was named for Charles Calvert (1637-1715), third lord Baltimore. Calvert lived in Maryland from 1661 until he returned to England in 1684. He was proprietor of the Maryland colony from 1675 to 1689, when he lost his right to govern. From 1692 until Calvert's death in 1715, Maryland was governed as a royal colony.

Dorchester County

Origin: The exact date and legal origin of Dorchester County are unknown, but it was in existence by February 16, 1668-1669, when a writ was issued to the county sheriff by the Lord Proprietary. The county was named for the earl of Dorset, a family friend of the Calverts.

St. Mary's County

Origin: What was to become St. Mary's County was land where the Conoy Indians lived. Here, the English settlement of Lord Baltimore's Maryland began with the arrival of the passengers who had set sail on the *Ark* and the *Dove* from the Isle of Wight on November 22, 1633. They landed at St. Clement's Island on the Potomac River on the southwestern side of present-day St. Mary's County on March 25, 1634. Now, the date of their landing is commemorated annually as Maryland Day. St. Mary's, the first Maryland county, was established

in 1637, probably by an order of the governor. The county was named in honor of Mary, the mother of Jesus.

Talbot County

Origin: The form of Talbot County's creation, though not known, probably was by virtue of an order of the governor in council. The county was in existence by February 18, 1661-1662, when a writ was issued to the sheriff. The county was named after Lady Grace Talbot, sister of Cecilius Calvert, second lord Baltimore, and wife of Sir Robert Talbot, Irish statesman.

Wicomico County

Origin: Wicomico County was created from Somerset and Worcester counties in 1867 (Constitution, Article XIII, Sections 2-6). The county was named for the Wicomico River from the Indian words “wicko” and “mekee,” meaning a place where houses are built, apparently referring to an Indian town on the riverbanks.

POST-65 HEALTH INSURANCE TAILORED TO YOUR RETIREES

Access to affordable health insurance is a necessity for fixed-income seniors. Local Government Insurance Trust (LGIT) has partnered with AmWINS Group Benefits to offer a voluntary retiree health insurance program, featuring:

- Medicare Supplemental Insurance (Parts A & B)
- Prescription Drug Insurance (Part D—with no donut hole)
- Dental and Vision Plans
- Licensed Enrollment and Service Specialists

This is a fully voluntary program, so organizations can feel comfortable offering a comprehensive program to their retirees with no insurance liability and no cost to the employer.

Currently providing a subsidized plan? AmWINS can also assist groups with alternative solutions, including adding a voluntary program for employees who may not be eligible for subsidized benefits.

**No Underwriting!
Guaranteed Acceptance!**
