

Priority Partners – Dental Program 2020

<https://www.ppmco.org/dental-care/>

For Pregnant Women and Children

Dental care is directly provided by the **Maryland Healthy Smiles Dental Program**. Contact SKYGEN USA at 1-855-934-9812 or visit their **website** for more information or to find a dentist.

Some of the covered dental services for children include:

- Regular checkups.
- Teeth cleanings.
- Fluoride treatments to help prevent cavities.
- X-rays to check for unhealthy teeth.
- Fillings to treat cavities.
- Root canals to treat unhealthy teeth.
- Crowns to cover damaged teeth.
- Extractions to pull out unhealthy teeth.
- Anesthesia to stop pain during treatment.
- Space maintainers to fix crooked or crowded teeth.
- Orthodontia to fix problems with teeth, mouth, or jaw.
- Children may also receive fluoride treatments from primary care physicians and pediatricians who participate in Maryland's Mouths Matter fluoride varnish program. You can read more information in the **Member Handbook**.

For Adults 21 and Over

Dental care is provided by Priority Partners through DentaQuest. Contact DentaQuest at 1-800-698-9611 or visit the **DentaQuest Dental website** for more information or to find a dentist.

Some of the covered dental services for adults include:

- Oral exam and cleaning twice per year
- X-rays*
- Extractions*

*Limitations apply. Please contact DentaQuest at 1-800-698-9611 for details.
