Resource: The Maryland Department of Health (MDH): Latest Updates on the COVID-19 Pandemic

Visit several MDH websites for the most current information about COVID-19 and Maryland's ongoing response to the pandemic.

The MDH coronavirus.maryland.gov site provides daily updates on the rates of infection and hospitalizations by county, testing, vaccine information, nursing home data and schools data, in addition to contact tracing.

MDH CovidLINK is Maryland's public hub for information about COVID-19. It is another resource which allows us to better understand disease transmission, prevent new infection, and help slow the spread of COVID-19 by working together.

Webinar: Re-entry into the Workplace and Changing Careers Post COVID

Thursday, September 2 at 5pm

The Covid CONNECT Webinar Series is excited to present this free employment webinar to discuss how the pandemic has impacted the job market.

The pandemic has changed the job market across all industries and the landscape has changed for job seekers. Presenters, Laura Deimling and Courtney Wandeloski will educate job seekers on what they can expect from employers and how to get the positions they are most qualified for. Participants will learn about industry changes, employer expectations, and workplace safety protocols.

The webinar is free and open to the public.

**Event: 2021 Public Health Law Conference Building and Supporting Healthy Communities for All**

**Tuesday, September 21 — Thursday, September 23**

This is a very important time for those in the public health community to convene to address the many health concerns heighten by the pandemic, and to continue to explore pathways to protect and empower the public health efforts.

Please plan to join the 2021 Public Health Law In-Person Conference, held at the Hyatt Regency in Baltimore, MD. Safety protocols have been put in place, including the requirement that all attendees be vaccinated. In addition, a flexible registration cancellation policy has been implemented to allow for a refund should the number of COVID-19 cases nationwide increase to concerning levels resulting in a transition to a fully virtual conference.

The 2021 Public Health Law Conference will examine law and policy pathways to:
Equitable COVID-19 Recovery
Improving child and adolescent health
Addressing environmental and climate challenges
Eliminating the social and structural barriers to health equity
Addressing critical issues like the ACA, opioids, mental health, gun violence and vaccinations
Strengthening the legal capacity of public health departments
