The Bidder should give specific attention to the clear identification of those portions of its Bid that it considers confidential and/or proprietary commercial information or trade secrets, and provide justification why such materials, upon request, should not be disclosed by the State under the Public Information Act (PIA), Md. Code Ann., General Provisions Article, Title 4. This information should be identified by page number and placed in the Transmittal Letter with the Bid.

The Bids shall be tabulated, or a Bid abstract made. The opened Bids shall be available for public inspection at a reasonable time after Bid opening, but in any case, before contract award, except to the extent the Bidder designates trade secrets or other proprietary data to be confidential as set forth in this solicitation. Material so designated as confidential shall accompany the Bid and shall be readily separable from the Bid in order to facilitate public inspection of the non-confidential portion of the Bid, including the Total Bid Price.

For requests for information made under the PIA, the Procurement Officer shall examine the Bids to determine the validity of any requests for nondisclosure of trade secrets and other proprietary data identified in writing. Nondisclosure is permissible only if approved by the Office of the Attorney General.

## **1.15 Award Basis and Occasion of Need Assignments**

### **1.15.1 Contract Awards**

1.15.1.1 A single award will be made to the responsible Bidder with the lowest responsive Total Bid Price for the Known Springfield Assignment (See Section 1.2 definition.) A responsible Bidder is one that satisfies the Minimum Qualifications described in Section 2 of this IFB and additionally is determined by the Procurement Officer to satisfy the requirements of COMAR 21.01.02.01.B (77), 21.05.02 13. D and 21.06.01. A responsive Bid satisfies the requirements of COMAR 21.01.02.01.B. (78).

1.15.1.2 For other than the Known Springfield Assignment described in Section 1.15.1.1, a Contract shall be awarded to each responsible Bidder submitting a responsive Bid for one or more of the BHA Facilities listed in Attachment P for providing the unknown level of services specified in this IFB. Except for the single award for the Known Springfield Assignment, there will be no limitation on the total number of Contracts that can be awarded under this IFB, either to an individual BHA Facility, or in aggregate among all seven BHA Facilities.

1.15.1.3 However, aside from the Known Springfield Assignment, receiving a Contract award does not assure any Contractor that it will be given the opportunity to place a psychiatrist (fulfill an Occasion of Need Assignment) at any of the Facilities for which it submitted a Bid. Instead, the procedures described in 1.15.2 will be followed to determine which Contractor is awarded a given Occasion of Need Assignment.

1.15.1.4 Award of a contract will not be final and complete until after: (1) the Contractor submits complete and satisfactory documentation required under the Contract and/or documentation required by the Procurement Officer; and (2) the Contract is signed by the Department following any required approvals of the Contract, including approval by the Board of Public Works, if such approval is required.

### **1.15.2 Awarding of Occasion of Need (Usage) Assignments Other Than the Known Springfield Assignment.**

The procedure described in this section will apply in all Occasion of Need situations other than for the Known Springfield Assignment for which a single award will be made as described in Section 1.15.1.1.

*1.15.2.1 Typical Assignment Award Scenario.* As described in 1.15.1.2, an unlimited number of awards will be made for each Facility. For such multiple Contract awards, the Contractor with the lowest Bid Price for each award scenario described in 1.15.3 and on the Price Form, Attachment F, will be given the right of first refusal to provide the requested services. If that Contractor is unwilling or unable to perform the requested services, the Contractor with the next lowest Bid price for that award scenario will be asked to provide the requested services, and so forth.

*1.15.2.2 Occasion of Need Notice.* There will be two types of notification of an Occasion of Need Assignment, Initial and Official.

1.15.2.2.1 Initial Occasion of Need Notice. Whenever a Facility determines it will need a full or part-time psychiatrist(s), it will provide email notification to all Facility Contractors of the need, including the expected start date, the number of psychiatrists needed or typical number of hours per week if only part-time psychiatry services is needed, and the expected duration of the Assignment. This Initial Notice is given so all Contractors have the same advance notice of an Occasion of Need Assignment.

Contractors may not respond to this Initial Occasion of Need Notice except to: 1. Acknowledge receipt of the Notice; and 2: Preemptively give a Declination to Provide Services (See Section 1.2 Definition) Notice. If any Contractor provides a Declination to Provide Services, typically by email to the Contract Monitor, that Contractor will be bypassed for the duration of the Declination whenever Official Notice of a given placement need is communicated.

1.15.2.2.2 Official Occasion of Need Notice. This is a formal notification to a Contractor that it is being solicited to provide psychiatric services for a given Facility for a given duration. Only one Contractor at a time will be given an Official Notice to provide psychiatric services. An Official Notice will also start the exclusive response timeframe as described in Section 1.15.3 (7 days, 2 Business Days, 1 Business Day, or 4 hours) that each Contractor will be afforded in reverse order of their Bid Price, starting with the lowest priced Contractor for a given Facility and a given response timeframe.

1.15.2.2.2.1 Contractors will have the Occasion of Need Response Timeframes described in section 1.15.3 to provide a definitive answer as to whether they will or will not fulfill a given Occasion of Need Assignment. However, Contractors do not need to take the full allotted time to respond. Once a Contractor receives an Official Occasion of Need Notice, any time within the applicable Response Timeframes described in Section 1.15.3 Contractor can provide a definite response to either accept or decline the Assignment.

1.15.2.2.2.1.1 If the Contractor accepts the Assignment, the procedure described in Section 3.2.2.9 is followed to ensure that Contractor is able to provide a psychiatrist acceptable to the requesting Facility.

1.15.2.2.2.1.2 If the Contractor declines the opportunity to provide a psychiatrist for a given Occasion of Need Assignment, the next Contractor in order of Bid price for that Facility and the applicable Response Timeframe will be offered the Assignment. Moreover, if by the end of a given Occasion of Need Response Timeframe a Contractor has not provided a definitive answer of whether it will fulfill the Assignment, the lack of response will be construed to be a Declination of the Assignment and the Assignment will be offered to the next Contractor in order of its Bid Price, or the next Contractor in order of its Bid Price that did not provide a Declination to Provide Services when it received the Initial Occasion of Need Notice as described in Section 1.15.2.2.1. This process will continue until a Contractor accepts the Occasion of Need Assignment or all Contractors have declined the Assignment, in which case the procedures described in Sections 1.15.2.2.3 or 1.15.2.2.4 will be employed.

1.15.2.2.2.1.3 If a Contractor accepts an Assignment but ultimately is unable to provide a psychiatrist acceptable to the requesting Facility following the process described in Section 3.2.2.9, the Occasion of Need fulfillment process as described in this Section 1.15.2.2 may be re-initiated beginning with the next Contractor in line after the Contractor that was unable to fulfill the Assignment.

1.15.2.2.2.2 The Occasion of Need lead times described in 1.15.3 apply when the Initial Occasion of Need Notice described in Section 1.15.2.2.1 is given to all Contractors for the requesting Facility. Although each Contractor for a given Facility will receive the same Initial Occasion of Need Notice and the same number of days to respond to an Official Occasion of Need Notice as described in Section 1.15.2.2.2, of necessity each successive Contractor officially offered the opportunity to place a psychiatrist will have less advance lead time to place a psychiatrist, as herein illustrated.

For a Long-Range Occasion of Need, the lowest priced Bidder for the Facility with the need has at least 90 days' advance notice of the need for a psychiatrist and will have up to 7 days to identify a candidate to fulfill the need or to decline the Assignment. If this lowest priced Bidder takes the full 7 days to decline the Assignment offer, the next lowest Bidder in line will now have 7 fewer days (but at least 83 days) before the Assignment is to begin to fulfill the Need. If this 2<sup>nd</sup> lowest Bidder again takes the full allotted 7 days to decline the Occasion of Need placement, the 3<sup>rd</sup> lowest Bidder in line will now have 7 fewer days than Bidder # 2 and 14 fewer days than Bidder #1 (but at least 76 days) before the Assignment is to begin, a 4<sup>th</sup> lowest Bidder will have 7 fewer days than Bidder # 3 (but at least 69 days), etc. So, while each Contractor is afforded 7 days to either identify a candidate to fulfill the Need or decline to do so, as each successive Bidder uses some or all of its allotted 7-day response timeframe, each lower ranked, higher priced Bidder has less time before an acceptable candidate has to begin work. The Initial Occasion of Need Notice is issued to try to compensate for this progressively diminishing advance fulfillment lead time, although it is realized that Contractors ranked lower in the Bid price order may not initiate any recruitment efforts unless and until they receive an Official Occasion of Need Notice.

This same concept is re-stated as follows using dates and assuming the initial notice was issued exactly 90 days before the needed psychiatrist is to begin providing services.

A psychiatrist is needed at a given Facility as of July 1<sup>st</sup> of a given Contract year. 90 days prior to July 1<sup>st</sup> is April 2<sup>nd</sup> of that year. The lowest priced Bidder is given official notice of the Occasion of Need on April 2<sup>nd</sup>. If this lowest priced Bidder takes 7 days to decline the Assignment, the 2<sup>nd</sup> lowest Bidder will be offered the Assignment on April 9<sup>th</sup>, but the Assignment is still due to start on July 1<sup>st</sup> or 83 days later. If this 2<sup>nd</sup> lowest priced Bidder takes the full 7 days to decline the Assignment, it will be offered to the 3<sup>rd</sup> lowest priced Bidder on April 16<sup>th</sup>, 76 days prior to July 1<sup>st</sup>. If it is necessary to offer the Assignment to a 4<sup>th</sup> lowest bidder, that Bidder would receive the official notice of the Assignment on April 23<sup>rd</sup>, 69 days prior to July 1<sup>st</sup>.

1.15.2.2.3 Extraordinary Assignment Award Scenarios. If all Contractors for a given Facility have declined to accept a given Occasion of Need Assignment, all Contractors for this Facility may simultaneously be re-solicited to fulfill the Assignment. If any Facility Contractor now accepts the Assignment within a stated, short term response period, despite having earlier declined it, the Assignment may be awarded to whichever Facility Contractor agrees to accept the Assignment, or, if more than 1 Contractor now accepts the Assignment, to the lowest priced Contractor.

1.15.2.2.4 Failure to Satisfy an Occasion of Need Assignment. If despite all efforts under 1.15.2.2.1 through 1.15.2.2.5 No Contractor accepts a given Occasion of Need Assignment, the Facility at issue may try to satisfy the Occasion of Need Assignment other than through the use of this Contract, in any fashion that the Department may deem necessary or appropriate, including conducting a normal or, if justified, emergency procurement, or entering into an Interagency Agreement.

### **1.15.3 Occasion of Need Response Timeframes**

There will be four (4) types of Assignments, Long-Range, Normal, Expedited, and Urgent, and associated response timeframes as described hereafter.

*1.15.3.1 Long Range Assignments and Response Timeframe.* A Long-Range Assignment is an Occasion of Need that is known at least 90 days in advance. i.e., one or more psychiatrists is needed on either a full-time or part-time basis at least 90 days after the Initial Occasion of Need Notice is communicated to the Contractors. Each Contractor will have up to 7 days to respond to a Long-Range service request before a request is made to the next subsequent Contractor.

*1.15.3.2 Normal Assignments and Response Timeframe.* A Normal Assignment is an Occasion of Need that is known between 30 and 89 days in advance. i.e., one or more psychiatrists is needed on either a full-time or part-time basis at least 30 days after the Initial Occasion of Need Notice is communicated to the Contractors. Each Contractor will have 2 full Business Days to respond to a Normal service request before a request is made to the next subsequent Contractor.

*1.15.3.3 Expedited Assignments and Response Timeframe.* An Expedited Assignment is an Occasion of Need that is known between 10 and 29 days in advance. i.e., one or more psychiatrists is needed on either a full-time or part-time basis at least 10 days after the Initial Occasion of Need Notice is communicated to the Contractors. Each Contractor will have 1 full Business Day to respond to an Expedited service request before a request is made to the next subsequent Contractor.

*1.15.3.4. Urgent Assignments and Response Timeframe.* An Urgent Assignment is an Occasion of Need that is known 9 or fewer days in advance. i.e., one or more psychiatrists is needed on either a full-time or part-time basis less than 10 days after the Initial Occasion of Need Notice is communicated to Contractors, including at once. Each Contractor will have 4 hours to respond to an Urgent service request before a request is made to the next subsequent Contractor.

Normally, an Urgent Assignment request will not be communicated to any Contractor prior to 8 a.m. or after 5 p.m. on any Business Day. Further, if an Urgent Assignment request is communicated to a Contractor after 1 p.m. on a given Business Day, normally that Contractor would have up to a total of 4 hours between the two Business Days to respond with an acceptance or declination of the Assignment. However, for any Occasion of Need which becomes known to the Contract Monitor with less than 3 days' notice, the hours of communication may be extended to 7 a.m. to 7 p.m. and include non-Business Days. Accordingly, any Bidder that provides any Urgent Assignment Bid at any Facility must provide contact information that the Contract Monitor may use during the extended contact hours and days. If the Contract Monitor cannot contact a live person using a given Contractor's provided extended hours contact information or does not receive some type of live, recorded, or electronic response from a contacted Contractor within 30 minutes of the Contract Monitor initiating an extended hours Urgent Assignment notification, that Contractor will be bypassed, and communication will be initiated with the next Contractor in contact order.

#### 1.15.4 Suspension or Elimination from Participating in the Occasion of Need Assignment Process

*1.15.4.1 Suspension from Participation.* Suspension from participation means that the suspended Contractor will not receive an Initial or Official Occasion of Need Notice, may not respond if it learns of an Occasion of Need Assignment situation, and will not be selected for an award even if it does submit a response.

For any of the following reasons or as otherwise described in this IFB, a Contractor may be suspended from participating in the Occasion of Need Assignment process. The duration of any such suspension will be between two and six months as determined appropriate by the Contract Monitor.

- A. Failure to respond to three consecutive Official Occasion of Need Notices to provide a psychiatrist candidate or five failure-to-respond situations in a twelve-month period. **Failure to respond** means that the Contractor does not provide any response to an Official Occasion of Need Notice described in 1.15.2.2.2, either to offer a psychiatrist candidate to fulfill the need or with a Declination to Provide Services, as described in 1.15.2.2.1.
- B. Two occasions when the Contractor is notified it is awarded a given Occasion of Need Assignment but fails to provide all required documentation of the credentials of the candidate psychiatrist, including a criminal background check and Medicaid/Medicare participation authorization within the required timeframe contained in Section 3.2.2.9.
- C. Two occasions when the Contractor is notified it is awarded a given Occasion of Need Assignment, but a proposed psychiatrist candidate is rejected by the Contract Monitor because the psychiatrist candidate lacks proper credentials, does not pass a criminal background check, is the subject of any disciplinary action by any licensing board or authority or Medicare or Medicaid, or for any other reason related to the professional capacity to provide services or questionable morale character.
- D. Two occasions when a psychiatrist provided by the Contractor is terminated as described in Section 3.2.2.6.1.2
- E. The duration of any period of time stated by the Contractor in a Declination to Provide Services.

*1.15.4.2 Elimination from Participation.* (Elimination from Participation means Contract termination in accordance with clause 17 of Attachment A)

- A. Two occasions when a psychiatrist provided by the Contractor is terminated as described in Section 3.2.2.6.1.3
- B. Two instances when a psychiatrist provided by the Contractor is determined not to meet professional standards in peer reviews, as described in Section 3.2.1.5.
- C. Any instance when the Contractor has knowingly invoiced for services it has not provided.
- D. Any instance when the Contractor has falsified a candidate psychiatrist's credentials, criminal background check, or other information pertaining to the professional capability, character, or temperament.
- E. Any instance of inappropriate interaction of a psychiatrist with a patient or staff of a Facility
- F. Any other reason described elsewhere in this IFB.

#### 1.15.5 Known Springfield Assignment Special Pricing and Contingency Circumstances

1.15.5.1 Whereas for the most part this IFB will result in Contract awards for an unknown level of need or duration for psychiatry services at the various BHA Facilities, as per the Known Springfield Assignment definition in Section 1.2, there will be a separate, single award for 12 hours per week of psychiatry services at the Springfield Hospital

Center. Because both the level of need and duration for this Springfield award are known, on the Price Form (Attachment F), there are three separate Springfield pricing sections for each Contract Year, including the Option Year. One price is for the specific, recurring 12 hours per week of psychiatry services as described in Section 1.15.1.1, 3.2.2.10 and 3.2.2.11. The second price is to provide any type of psychiatric services at Springfield that may be needed during the term of this Contract aside from the recurring 12 hours a week of needed services. i.e., this second price is to cover any contingency need for psychiatry services at Springfield other than the known 12 hours a week, the same as the prices being asked for all other Facilities.

The third price is the same as the second price, except that it is contingent upon the Contractor also winning the award to provide the 12 hours per week of psychiatry services. i.e., this price only applies to a given Contractor if that Contractor is also selected to provide the 12 hours per week of required psychiatry services. This third price will be used to determine this Known Springfield Assignment Contractor's price ranking position for any Occasion of Need Assignment at Springfield.

For price one, the known 12 hours a week of needed psychiatry services, the responsible Bidder with the lowest responsive Total Bid Price - the lowest priced Bidder - will receive the Contract award. The Bidder with the lowest Total Bid Price shall begin providing the needed 12 hours per week of services as of the NTP Date and shall continue providing services for the full duration of the Contract, including if the renewal option is exercised.

1.15.5.2 Even though only one Contractor is expected to provide the required 12 hours per week of psychiatric services at Springfield, all Bidders for the Known Springfield Assignment that are determined to be responsible and to have submitted a responsive Bid will be invited to sign a contract to provide the required services for its Bid price(s) in the unlikely event that this single awarded Contractor is terminated for cause or convenience in accordance with clauses 17 or 18 of Attachment A. In such event, all other Bidders that have signed Contracts will be contacted in the reverse order of their Known Springfield Assignment Bid price to see if they are able to still provide these services for the remainder of the original Contract term and/or the one-year option period at their original Bid price(s). Each Contractor for these services will be contacted in the reverse order of their Bid prices until either one is willing to provide the services for its Bid price or until all Bidders have declined to do so.

## **1.16 Tie Bids**

Tie Bids will be decided pursuant to COMAR 21.05.02.14.

## **1.17 Duration of Bid**

Bids submitted in response to this IFB are irrevocable for the latter of the following: 120 days following the Bid due date and time or the date any protest concerning this IFB is finally resolved. This period may be extended at the Procurement Officer's request only with the Bidder's written agreement.

## **1.18 Revisions to the IFB**

If the IFB is revised before the due date for Bids, the Department will post any addenda to the IFB on eMM and shall endeavor to provide such addenda to all prospective Bidders that were sent this IFB or are otherwise known by the Procurement Officer to have obtained this IFB. It remains the responsibility of all prospective Bidders to check eMM for any addenda issued prior to the submission of Bids.

Bidders shall acknowledge the receipt of all addenda to this IFB before the Bid due date. Failure to acknowledge receipt of an addendum does not relieve the Bidder from complying with the terms, additions, deletions, or corrections

set forth in the addendum, and may cause the Bid to be rejected as being non-responsive to the requirements of the IFB.

### **1.19 Cancellations**

The State reserves the right to cancel this IFB, or accept or reject any and all Bids, in whole or in part, received in response to this IFB and to waive or permit the cure of minor irregularities.

In the event a government entity proposes and receives the recommendation for award, the procurement may be cancelled, and the award processed in accordance with COMAR 21.01.03.01A(4).

If the services that are the subject of the IFB are currently being provided under an interagency agreement with a public institution of higher education and the State determines that the services can be provided most cost effectively by the public institution of higher education, then the IFB may be cancelled in accordance with Md. Code Ann., State Finance and Procurement Art., § 3-207(b)(2).

### **1.20 Incurred Expenses**

The State will not be responsible for any costs incurred by any Bidder in preparing and submitting a Bid or in performing any other activities related to submitting a Bid in response to this solicitation.

### **1.21 Protest/Disputes**

Any protest or dispute related to this solicitation or the Contract shall be subject to the provisions of COMAR 21.10 (Administrative and Civil Remedies).

### **1.22 Bidder Responsibilities**

Bidders must be able to provide all goods and services and meet all of the requirements requested in this solicitation and the successful Bidder shall be responsible for Contract performance including any subcontractor participation.

If applicable, subcontractors utilized in meeting the established MBE or VSBE participation goal(s) for this solicitation shall be identified as provided in the appropriate Attachment(s) to this IFB (see **Section 1.33** “Minority Business Enterprise Goal and Subgoals” and **Section 1.41** “Veteran-Owned Small Business Enterprise Goal”).

If the Bidder is the subsidiary of another entity, all information submitted by the Bidder, such as but not limited to references, financial reports, or experience and documentation (e.g. insurance policies, bonds, letters of credit) used to meet minimum qualifications, if any, shall pertain exclusively to the Bidder, unless the parent organization will guarantee the performance of the subsidiary. If applicable, the Bidder’s Bid shall contain an explicit statement, signed by an authorized representative of the parent organization, stating that the parent organization will guarantee the performance of the subsidiary.

A parental guarantee of the performance of the Bidder under this Section will not automatically result in crediting the Bidder with the experience or qualifications of the parent. Instead, the Bidder’s responsibility, including whether it is determined to satisfy any Bidder Minimum Qualifications, will be assessed to the extent to which the State determines that the experience and qualifications of the parent are applicable to and shared with the Bidder, any stated intent by the parent to be directly involved in the performance of the Contract, and the value of the parent’s participation as determined by the State.

## **1.23 Substitution of Personnel**

1.23.1 If the solicitation requires that a particular individual or personnel be designated by the Bidder to work on the Contract, any substitution of personnel after the Contract has commenced must be approved in writing by the Contract Monitor prior to the substitution. If the Contractor substitutes personnel without the prior written approval of the Contract Monitor, the Contract may be terminated for default which shall be in addition to, and not in lieu of, the State's remedies under the Contract or which otherwise may be available at law or in equity.

1.23.2 **Each psychiatrist provided by a Contractor to perform services under this Contract shall be considered to be a Key Personnel and thus subject to the following Key Personnel provision.**

1.23.3 **Continuous Performance of Key Personnel.** When Key Personnel are identified for the Contract, the following apply:

- A. Key Personnel shall be available to perform Contract requirements as of the NTP Date. Unless explicitly authorized by the Contract Monitor or specified in the Contract, Key Personnel shall be assigned to the State of Maryland as a dedicated resource.
- B. Key Personnel shall perform continuously for the duration of the Contract, or such lesser duration as specified in the Technical Proposal. Key Personnel may not be removed by the Contractor from working under the Contract without the prior written approval of the Contract Monitor.
- C. The provisions of this section apply to Key Personnel identified in any Task Order proposal and agreement, if issued, and any Work Order Request and Work Order, if issued.

1.23.4 **Definitions.** For the purposes of this section, the following definitions apply:

- A. **Extraordinary Personal Event** – means any of: leave under the Family Medical Leave Act; an Incapacitating injury or Incapacitating illness; or other circumstances that in the sole discretion of the State warrant an extended leave of absence, such as extended jury duty or extended military service that precludes the individual from performing his/her job duties under the Contract.
- B. **Incapacitating** – means any health circumstance that substantially impairs the ability of an individual to perform the job duties described for that individual's position in the RFP or the Contractor's Technical Proposal.

1.23.5 **Contractor Personnel General Substitution Provisions.** The following provisions apply to all of the circumstances of Contractor Personnel substitution described under **Replacement Circumstances**.

- A. The Contractor shall demonstrate to the Contract Monitor's satisfaction that the proposed substitute has qualifications at least equal to those of the Contractor Personnel proposed to be replaced.
- B. The Contractor shall provide the Contract Monitor with a substitution request that shall include:
  - 1) A detailed explanation of the reason(s) for the substitution request;
  - 2) The resume of the proposed substitute, signed by the substituting individual and his/her formal supervisor;
  - 3) The official resume of the current personnel for comparison purposes; and
  - 4) Evidence of any required credentials.
- C. The Contract Monitor may request additional information concerning the proposed substitution and may interview the proposed substitute personnel prior to deciding whether to approve the substitution request.
- D. The Contract Monitor will notify the Contractor in writing of: (i) the acceptance or denial, or (ii) contingent or temporary approval for a specified time limit, of the requested substitution. The Contract Monitor will not unreasonably withhold approval of a proposed Contractor Personnel replacement.

### 1.23.6 Replacement Circumstances.

#### A. Directed Personnel Replacement

- 1) The Contract Monitor may direct the Contractor to replace any Contractor Personnel who, in the sole discretion of the Contract Monitor, are perceived as being unqualified, non-productive, unable to fully perform the job duties, disruptive, or known, or reasonably believed, to have committed a major infraction(s) of law, Department policies, or Contract requirements. Normally, a directed personnel replacement will occur only after prior notification of problems with requested remediation, as described in paragraph **Replacement Circumstance.A.2**.
- 2) If deemed appropriate in the discretion of the Contract Monitor, the Contract Monitor may give written notice of any Contractor Personnel performance issues to the Contractor, describing the problem and delineating the remediation requirement(s). The Contractor shall provide a written response to the remediation requirements in a Remediation Plan within ten (10) days of the date of the notice and shall immediately implement the Remediation Plan upon written acceptance by the Contract Monitor. If the Contract Monitor rejects the Remediation Plan, the Contractor shall revise and resubmit the plan to the Contract Monitor within five (5) days, or in the timeframe set forth by the Contract Monitor in writing.
- 3) Should performance issues persist despite an approved Remediation Plan, the Contract Monitor may give written notice of the continuing performance issues and either request a new Remediation Plan within a specified time limit or direct the substitution of Contractor Personnel whose performance is at issue with a qualified substitute, including requiring the immediate removal of the Contractor Personnel at issue.
- 4) Replacement or substitution of Contractor Personnel under this section shall be in addition to, and not in lieu of, the State's remedies under the Contract or which otherwise may be available at law or in equity.
- 5) If the Contract Monitor determines to direct substitution under **Replacement Circumstances.A.1**, if at all possible, at least fifteen (15) days advance notice shall be given to the Contractor. However, if the Contract Monitor deems it necessary and in the State's best interests to remove the Contractor Personnel with less than fifteen (15) days' notice, the Contract Monitor may direct the removal in a timeframe of less than fifteen (15) days, including immediate removal.
- 6) In circumstances of directed removal, the Contractor shall, in accordance with paragraph **Replacement Circumstances.A.1** of this section, provide a suitable replacement for approval within fifteen (15) days of the notification of the need for removal, or the actual removal, whichever occurs first.

#### B. Key Personnel Replacement

- 1) To replace any Key Personnel in a circumstance other than as described in **Key Personnel Replacement.B**, including transfers and promotions, the Contractor shall submit a substitution request as described in **Contractor Personnel General Substitution Provisions** to the Contract Monitor at least fifteen (15) days prior to the intended date of change. A substitution may not occur unless and until the Contract Monitor approves the substitution in writing.
- 2) Key Personnel Replacement Due to Sudden Vacancy
  - a) The Contractor shall replace Key Personnel whenever a sudden vacancy occurs (e.g., Extraordinary Personal Event, death, resignation, termination). A termination or resignation with thirty (30) days or more advance notice shall be treated as a replacement under **Replacement Circumstances.B.1**.
  - b) Under any of the circumstances set forth in this paragraph B, the Contractor shall identify a suitable replacement and provide the same information and items required under

**Contractor Personnel General Substitution Provisions** within fifteen (15) days of the actual vacancy occurrence or from when the Contractor first knew or should have known that the vacancy would be occurring, whichever is earlier.

3) Key Personnel Replacement Due to an Indeterminate Absence

- a) If any Key Personnel has been absent from his/her job for a period of ten (10) days and it is not known or reasonably anticipated that the individual will be returning to work within the next twenty (20) days to fully resume all job duties, before the 25th day of continuous absence, the Contractor shall identify a suitable replacement and provide the same information and items to the Contract Monitor as required under **Contractor Personnel General Substitution Provisions**.
- b) However, if this person is available to return to work and fully perform all job duties before a replacement has been authorized by the Contract Monitor the Contract Monitor may, at his/her sole discretion, authorize the original personnel to continue to work under the Contract, or authorize the replacement personnel to replace the original personnel, notwithstanding the original personnel's ability to return.

#### 1.24 Acceptance of Terms and Conditions

By submitting a Bid in response to this IFB, the Bidder, if selected for award, shall be deemed to have accepted the terms and conditions of this IFB and the Contract, attached herein as **Attachment A**. Any exceptions to this IFB or the Contract must be raised prior to Bid submission. **Changes to the solicitation, including the Bid Form or Contract, made by the Bidder may result in Bid rejection.**

#### 1.25 Bid/Proposal Affidavit

A Bid submitted by a Bidder must be accompanied by a completed Bid/Proposal Affidavit. A copy of this Affidavit is included as **Attachment B** of this IFB.

#### 1.26 Contract Affidavit

All Bidders are advised that if a Contract is awarded as a result of this solicitation, the successful Bidder will be required to complete a Contract Affidavit. A copy of this Affidavit is included for informational purposes as **Attachment C** of this IFB. This Affidavit must be provided within five (5) Business Days of notification of recommended award. For purposes of completing Section "B" of this Affidavit (Certification of Registration or Qualification with the State Department of Assessments and Taxation), note that a business entity that is organized outside of the State of Maryland is considered a "foreign" business.

#### 1.27 Compliance with Laws/Arrearages

By submitting a Bid in response to this IFB, the Bidder, if selected for award, agrees that it will comply with all federal, State, and local laws applicable to its activities and obligations under the Contract.

By submitting a response to this solicitation, each Bidder represents that it is not in arrears in the payment of any obligations due and owing the State, including the payment of taxes and employee benefits, and shall not become so in arrears during the term of the Contract if selected for Contract award.

## **1.28 Verification of Registration and Tax Payment**

Before a business entity can do business in the State it must be registered with the State Department of Assessments and Taxation (SDAT). SDAT is located at State Office Building, Room 803, 301 West Preston Street, Baltimore, Maryland 21201. For registration information, visit <https://www.egov.maryland.gov/businessexpress>.

It is strongly recommended that any potential Bidder complete registration prior to the due date for receipt of Bids. A Bidder's failure to complete registration with SDAT may disqualify an otherwise successful Bidder from final consideration and recommendation for Contract award.

## **1.29 False Statements**

Bidders are advised that Md. Code Ann., State Finance and Procurement Article, § 11-205.1 provides as follows:

### **1.34 Living Wage Requirements**

Maryland law requires that Contractors meeting certain conditions pay a living wage to covered employees on State service contracts over \$100,000. Maryland Code, State Finance and Procurement, § 18-101 *et al.* The Commissioner of Labor and Industry at the Department of Labor, Licensing and Regulation requires that a Contractor subject to the Living Wage law submit payroll records for covered employees and a signed statement indicating that it paid a living wage to covered employees; or receive a waiver from Living Wage reporting requirements. *See* COMAR 21.11.10.05.

If subject to the Living Wage law, Contractor agrees that it will abide by all Living Wage law requirements, including but not limited to reporting requirements in COMAR 21.11.10.05. Contractor understands that failure of Contractor to provide such documents is a material breach of the terms and conditions and may result in Contract termination, disqualification by the State from participating in State contracts, and other sanctions. Information pertaining to reporting obligations may be found by going to the Maryland Department of Labor, Licensing and Regulation (DLLR) website: <http://www.dllr.state.md.us/labor/prev/livingwage.shtml>.

- 1) The Tier 1 Area includes Montgomery, Prince George's, Howard, Anne Arundel, and Baltimore Counties, and Baltimore City. The Tier 2 Area includes any county in the State not included in the Tier 1 Area. In the event that the employees who perform the services are not located in the State, the head of the unit responsible for a State Contract pursuant to §18-102(d) of the State Finance and Procurement Article shall assign the tier based upon where the recipients of the services are located.

The Contract resulting from this solicitation will be determined to be a Tier 1 Contract or a Tier 2 Contract depending on the location(s) from which the Contractor provides 50% or more of the services.

- 2) If the Contractor provides 50% or more of the services from a location(s) in a Tier 1 jurisdiction(s) the Contract will be a Tier 1 Contract. (For bidding purposes, Spring Grove, RICA-Baltimore, JL Gildner-RICA and C.T. Perkins are located in Tier 1 jurisdictions and Bidder's Bid prices for these four Facilities should be priced sufficiently to pay a Tier 1 Living Wage.)
- 3) If the Contractor provides 50% or more of the services from a location(s) in a Tier 2 jurisdiction(s), the Contract will be a Tier 2 Contract. (For bidding purposes, Finan, Springfield and Eastern Shore Hospital Center are

located in Tier 2 jurisdictions and Bidder's Bid prices for these three Facilities should be priced sufficiently to pay a Tier 2 Living Wage.)

**NOTE:** Whereas the Living Wage may change annually, the Contract price may not be changed because of a Living Wage change. The Contractor shall be responsible for any wage/rate increase during the term of the Contract and such increase may not be passed on to the State.

## **SECTION 3 – SCOPE OF WORK**

### **3.1 Background and Purpose**

#### **3.1.1 Purpose**

The Department is issuing this solicitation for the purpose of obtaining Contractors, including individual psychiatrists who may offer their own services, who may assign psychiatrists, to provide psychiatric services at the BHA Facilities, both on a regular, recurring part-time basis at the Springfield Hospital Center (the Known Springfield Assignment), and an indeterminate future, as needed basis, at the 7 BHA Facilities, including Springfield.

#### **3.1.2 Background**

The BHA Facilities are State of Maryland psychiatric hospitals or residential treatment centers providing comprehensive psychiatric services to our clients. Due to a shortage of psychiatrists to staff the Facilities' psychiatric units, the Facilities must sometimes rely on locum-tenens contractors to provide the needed psychiatrists.

### **3.2 Scope of Work - Requirements**

Unless otherwise stated in this IFB, all IFB requirements, including the requirements of all Attachments, apply to any and all services provided under this Contract, including the Known Springfield Assignment.

#### **3.2.1 General Requirements.** Each psychiatrist assigned to work under the Contract shall:

3.2.1.1 Meet all qualifications listed in Section 2.1.1 and provide the associated documentation as listed in Section 2.1.2 to the Contract Monitor prior to attending Facility orientation training as described in Section 3.2.1.4 or performing services at the Facility; (See Section 3.2.2.9 for more information on qualifications documentation timeframes.)

3.2.1.2 Be enrolled with the Center for Medicare and Medicaid Services (CMS) as a certified physician provider as evidenced by a hard copy print out from the Novitas Provider Enrollment Status Inquiry Tool that verifies psychiatrists' status with CMS. This tool is available at the following link:

[http://www.novitas-solutions.com/webcenter/portal/MedicareJL/pagebyid?contentId=00004864&\\_afLoop=224816693832000#!%40%40%3F\\_afLoop%3D224816693832000%26contentId%3D00004864%26\\_adf.ctrl-state%3Dj554w9bwt\\_106](http://www.novitas-solutions.com/webcenter/portal/MedicareJL/pagebyid?contentId=00004864&_afLoop=224816693832000#!%40%40%3F_afLoop%3D224816693832000%26contentId%3D00004864%26_adf.ctrl-state%3Dj554w9bwt_106)

In the event the Federal Government switches Contractors and Novitas-Solutions no longer provides this service, the Contractor will provide similar proof from the succeeding vendor or from CMS directly.

3.2.1.2.1 For the full duration of providing any services under this Contract, neither the Contractor nor any psychiatrist shall appear on the List of Excluded Individuals and Entities (LEIE) found on the HHS website at <http://exclusions.oig.hhs.gov>. Neither the Contractor nor a psychiatrist who appears on the LEIE may perform work under the Contract unless and until the listing has the notation "satisfactory resolution."

3.2.1.2.2 The appearance on the LEIE of the Contractor or any of its personnel assigned to work under the Contract, or the Contractor or any psychiatrist being sanctioned by HHS for corporate compliance or cited for a violation, shall be considered a material breach of this Contract which may result in a termination of the Contract for default or the termination of a psychiatrist. The termination of a Contract shall be in addition to, not in lieu of, any additional rights that the State may have in Contract, at law, or in equity.

- 3.2.1.4 Successfully complete the single, combined BHA Facility and Department of Psychiatry orientation training prior to providing psychiatry services at the Facility;
  - 3.2.1.4.1 If any Contractor-provided psychiatrist fails to complete orientation training, including failing to pass such training, the Contractor will not be paid for any time such psychiatrist spent in Orientation training.

  - 3.2.1.4.3 For some Assignments, psychiatrists may also be required to attend a departmental and unit-specific orientation before working independently. The orientation program shall be tailored to meet the unique needs and legal/regulatory requirements of the Contractor.
  - 3.2.1.4.4 Per Section 3.6.1 a (9), time spent by a psychiatrist attending orientation and any other training may be invoiced by the Contractor at the same rate as the Contractor charges for the normal On-Duty services of that Psychiatrist.
- 3.2.1.5 At any time while providing services under this Contract, be subject to the peer review process as established by the Facility for all members of the medical staff. If conducted, a peer review will be done by Facility psychiatric staff or other appropriate psychiatrist(s). No Contractor provided psychiatrist will be used to conduct a peer review of any other psychiatrist, either a psychiatrist on a Facility staff or one provided by another Contractor.
  - 3.2.1.5.1 If any Contractor-provided psychiatrist is judged not to meet professional standards, at the option of the respective Facility Assignment Manager the below-standards psychiatrist may be:
    - A. Permitted to continue working at the Facility while completing remedial training and/or skill enhancement activities provided by the Facility or approved by the Facility Assignment Manager;

    - C. The Contractor shall attempt to replace that psychiatrist within 30 days. If the Contractor is unable to provide a qualified replacement within this timeframe, the Occasion of Need Assignment process described in Section 1.15.2 will be followed, whereby other Contractors will be given the opportunity to

3.2.2.4.5.1 Round-trip reimbursement will be paid if the psychiatrist travels:

A. From the Facility to an off-site location and returns to the Facility the same day.

B. From the Facility to an off-site location but does not return to the Facility the same day and the distance to return to the psychiatrist's home or place of lodging is greater than the distance to the Facility.

3.2.2.4.5.2 Only one-way reimbursement will be paid if the psychiatrist travels from an off-site location, including the psychiatrist's home or place of lodging to another off-site location and returns to an off-site location the same day if the starting and ending off-site locations are closer to the destination off-site location than is the Facility.

#### 3.2.2.5 *Documentation Requirements for Psychiatrists:*

3.2.2.5.1 Each psychiatrist working under the Contract shall:

3.2.2.5.1.1 Document in the patient's medical record the results of all evaluations, including recommended diagnostic treatment and other appropriate information. All documentation in the patient's medical record shall be in accordance with standards of practice for psychiatrists, and in accordance with the Facility's policy and procedures available for review on-site at the Facility.

3.2.2.5.1.2 Complete a written progress note in the medical record for any and all actions he/she takes in the clinical care of a patient no later than seven days after the action occurrence. However, for an emergency response situation the medical record documentation shall be done Immediately, as described in Section 3.2.2.2.1. Q.

3.2.2.5.1.3 Complete all other documentation and forms in accordance with the Facility's bylaws, policies and standard procedures.

3.2.2.5.2 All forms, evaluations, and other documents developed by any psychiatrist working under the Contract shall remain the property of the Facility.

### *3.2.2.6 Effects of Psychiatrist or Contractor Non-performance:*

3.2.2.6.1 Multiple Terminations Within Six Months. If during any six-month period of the Contract more than one psychiatrist assigned to work under the Contract by the same Contractor is terminated due to any of the reasons described under Sections 3.2.2.6.2, 3. or 8, general poor performance, including but not limited to, failing a peer review, multiple failures to make timely or accurate entries in patient medical records, a single failure to make an appropriate patient medical record entry of a significant nature that did or reasonably could have resulted in serious harm to a patient, not meeting qualifications, or any other legitimate reason, the Contract Monitor may take one of the following actions with the Contractor that made the placements:

1. Downgrade that Contractor to a right of first refusal priority level (rank) subsequent to the priority that that Contractor might have enjoyed except for the termination of prior placements, assigning to that Contractor whatever priority status the Contract Monitor may determine, in the Contract Monitor's sole and absolute discretion and regardless of the pricing offered;
2. Suspend that Contractor from participating in future Assignments for 2-6 months as described in Section 1.15.4.1; or
3. Terminate that Contractor's Contract, as described in Section 1.15.4.2.

3.2.2.6.2 Psychiatrist Termination for Deficient Performance: The Failure by any psychiatrist working under the Contract to perform required services under this Contract, including but not limited to the following deficiencies, is grounds for termination of that psychiatrist:

- A. An incident of failure to perform psychiatric services in a life-threatening or other Emergency situation; and/or
- B. Three or more incidents of failure to perform psychiatric services, whether or not in a life-threatening situation, during a six-month period.

3.2.2.6.3 Psychiatrist Termination for Unacceptable Behavior: A psychiatrist assigned to work under the Contract will be terminated and request will be made for a replacement if the Facility Assignment Manager or Contract Monitor finds that the psychiatrist:

- A. Is unable to provide service due to intoxication;
- B. Is under the influence of a controlled substance;
- C. Exhibits inappropriate behavior with patients;
- D. Conceals an adverse medical condition that could be transmitted to patients or Facility staff; or
- E. Violates any of the Facility's policies or procedures, which are available on site at the Facility.

3.2.2.6.4 Psychiatrist Termination for Missing Work: Each psychiatrist working under the Contract shall report to the Facility for orientation and thereafter, assuming a successful orientation, at his or her scheduled time. The Facility Assignment Manager and/or Contract Monitor will closely monitor orientation attendance and the scheduled hours. If a deviation from regularly scheduled work hours is needed, prior approval shall be requested from the Facility Assignment Manager or Contract Monitor. Failure of the assigned psychiatrist to appear at the scheduled days and times, failure to respond for Emergency consultation as requested, or failure to respond in a timely manner to psychiatric service requests are each a basis for termination of the psychiatrist.

3.2.2.6.5 Corrective Action Plans for Unacceptable Performance in Lieu of Termination: Incidents of unacceptable performance will be documented by the Facility Assignment Manager, and a copy will be provided to the Contractor and Contract Monitor, and when deemed appropriate by the Contract Monitor, to the Procurement Officer. Within two Business Days of receipt of a documented incident of failure to perform or unsatisfactory performance, for situations which do not merit prompt termination of a psychiatrist or Contractor, the Contractor shall submit to the Facility Assignment Manager and/or Contract Monitor a corrective action plan. This plan shall include the timeframe for completing the corrective action. The Facility Assignment Manager and/or Contract Monitor will approve or reject the plan within two Business Days after consultation with the Chief Executive Officer of the Facility.

The failure of the Contractor to respond with a Corrective Action Plan within five (5) Business Days in any given situation, if a submitted Corrective Action Plan is judged by the Facility Assignment Manager or Contract Monitor to be inadequate and within 10 days from the initial notice of the unacceptable performance has not been revised so that it is acceptable to these Department personnel, or if there are more than three (3) situations involving unacceptable performance during any twelve (12) month period, will be considered a material breach of Contract and may result in a termination of the Contract for cause.

3.2.2.6.6 Procedure for Replacement of Terminated Psychiatrist: Typically, upon the termination of a psychiatrist provided under this Contract, the Contractor that provided the psychiatrist will be afforded the opportunity to provide a replacement psychiatrist within 7 Business Days. However, the Contract Monitor may decide to re-initiate the Occasion of Need Assignment process described in Section 1.15.2 but by-passing the Contractor that provided the terminated psychiatrist from that process.

3.2.2.6.7 Partial List of Actions Leading to Contractor Termination: A Contractor's Contract will be terminated if that Contractor:

- A. Was aware of any of the circumstances described in 3.2.2.6.2 or 3 in advance and allowed the violation to occur, including being complicit with any such violation,
- B. Became aware after-the-fact but took no action to prevent the continuation or repetition of a prohibited act, or when appropriate rectify the violation, or actively sought to conceal a violation; or
- C. Failed to substantially comply with a plan of corrective action in the time frame set by the Contract Monitor.

3.2.2.6.8 Psychiatrist or Contractor Termination for Failure to Report: For any of the circumstances described in Section 3.2.1.8 that are to be reported by a psychiatrist to a Facility Assignment Manager, the Contractor shall confirm that the psychiatrist reported the occurrence as required, and if not, the Contractor shall make the report within 2 Business Days of learning of the failure of the psychiatrist to make the report. Based upon the reported circumstance(s) the Contract Monitor may determine that the psychiatrist being reported should stop providing services at the Facility – be terminated, either immediately or as of a date as determined by the Contract Monitor. If neither the psychiatrist nor the Contractor reported a Section 3.2.1.8 occurrence, the Contractor also may be terminated for default.

#### 3.2.2.7 *Contractor Responsibilities and Allowances*

3.2.2.7.1 Contractors Not Obligated to Respond: No Contractor is obligated to assign psychiatrists under this Contract. As described in Section 1.15.2, Contractors awarded Contracts under this IFB will be given the opportunity to offer psychiatrist candidates for Occasion of Need Assignments at BHA Facilities. As described in Section 1.15.2.1, any Contractor can issue a Declination to Provide Services for a specific Occasion of Need Assignment, at a given Facility and/or for a stated time duration.

3.2.2.7.2 Required Psychiatrist Verifications: Contractors that do participate in the Occasion of Need Assignment process shall use their best effort to identify qualified psychiatrists acceptable to the Facility. Prior to proposing a psychiatrist, Contractors shall verify the following:

- A. All Maryland licensure requirements;
- B. A clean criminal background;
- C. Eligibility to participate in Medicare and Medicaid, as specified in Section 3.2.1.2; and
- D. American Board of Medical Specialties or National Board of Physicians and Surgeons certification in psychiatry.

**As per Section 3.2.1.8, any change in any of the foregoing verifications shall be promptly reported to the Contract Monitor.**

3.2.2.7.3 Payments to the Contractor: The Contractor will pay the assigned psychiatrists for their services actually performed at the Facility and maintain documentation of all payroll records. Any travel and other expenses of the assigned psychiatrists will be the responsibility of the Contractor or the psychiatrists and not the Facility; only payments for hours worked including participating in required orientation or training or off-site trials or legal proceedings, will be the responsibility of the Facility and will be paid to the Contractor and not the psychiatrists.

3.2.2.7.4 Psychiatrist Required Medical Clearances: The Contractor shall ensure that any psychiatrist referred to the Facility receives a medical examination by a licensed physician that includes a urinalysis, blood tests for measles, mumps and rubella antibodies, Hepatitis b profile, tuberculosis skin test, and periodic drug screening. The Contractor shall document the results of such examinations and testing and maintain the documentation for a period of three years beyond the expiration of the Contract. Psychiatrists assigned to work under the Contract may not perform such examinations or tests upon themselves. In addition, the involved Facility may also request that some or all such medical documentation be provided to the Facility to be retained there. Detailed medical requirements are as follows.

3.2.2.7.4.1 Provide a written medical clearance from a licensed physician that states the psychiatrist is free from active, reportable, air borne communicable diseases and any impairment which would hinder the performance of the tasks and responsibilities assigned to this position. The medical clearance must certify that the psychiatrist is able to perform the duties associated with the applicable job description for his or her position. This documentation shall be provided to the respective Facility HR Department with a copy to the Facility Assignment Manager at least ten (10) days before the expected start date of the Assignment or for the Known Springfield Assignment, ten (10) days before the NTP Date.

3.2.2.7.4.2 Complete an annual Tuberculosis Screen Test (TST) or provide documentation of receipt of a TST completed elsewhere in the last 12 months. This documentation shall be provided to the infection control unit at the Facility where the psychiatrist will be working, with a copy to the Facility Assignment Manager and shall be repeated no less than 330 days and not more than 365 days from the date of the previous test, for the duration of the Contract. The psychiatrist's initial documentation shall be provided as described in 3.2.2.7.4.1.

In the event that the psychiatrist has a positive TST Screen, he/she will be required to provide documentation of a negative Chest X-ray. An initial Chest X-ray will only be good for a period of three (3) months. After the three (3) month period, another Chest X-ray will be required. If the 3-month chest X-ray does **not** evidence signs of tuberculosis, the psychiatrist will no longer be required to complete further Chest X-rays unless he or she begins to demonstrate symptoms. In the event that the psychiatrist has a Chest X-ray, the psychiatrist will be required to complete a Self Screen Symptom Review annually in place of the required TST. This documentation will be maintained in the Facility infection control unit. The psychiatrist may not provide

services under the Contract if the psychiatrist's tuberculosis is active. Some BHA Facilities may provide a Chest X-ray for the psychiatrist free of charge. Otherwise, Chest X-rays are the responsibility of the Contractor.

3.2.2.7.4.3 Provide documentation of the psychiatrist's Measles, Mumps, Rubella, and Varicella (MMRV) vaccination or a record of a positive titer result. This documentation shall be provided as described in Section 3.2.2.7.3.1 and will be maintained in the Facility infection control unit. Some BHA Facilities may provide a titer test for the psychiatrist free of charge. Otherwise, titer tests are the responsibility of the Contractor.

3.2.2.7.4.4 Provide documentation of a psychiatrist's Hepatitis B vaccination, positive titer result or a signed Declination Form. In conjunction with the Joint Commission accreditation regarding Hepatitis B and the various policies of the MHA Facilities, all healthcare contractors, staff or contractual, must be offered the Hepatitis B vaccination series, but the contractor has the right to decline. In the case that a psychiatrist declines the vaccine, a Declination Form shall be signed. A copy of a Hepatitis Vaccination, positive titer result, or a Declination Form shall be provided as described in Section 3.2.2.7.3.1 and will be maintained in the Facility infection control unit.

3.2.2.7.4.5 Provide proof of a negative Drug Screen through an accredited screener for all personnel servicing this Contract. This shall be a seven (7) panel screen and will be at the cost of the Contractor. All results shall be submitted to the Facility HR Department with a copy to the Facility Assignment Manager no less than ten (10) days before the intended date for this psychiatrist to begin working under the Contract.

*3.2.2.8 Facility's Responsibilities:* The Facility will:

3.2.2.8.1 Give the Contractor as much advance notice as possible via phone, fax, or email, of the need for psychiatrist personnel, as detailed in Section 1.15. Once this request is submitted, the Contractor shall notify the Contract Monitor by phone, fax, or email within the time frames described in Section 1.15.3 whether the staffing needs for each occasion can be met. The Contractor shall attempt to talk to an actual person about the availability of required personnel rather than leaving voice messages or faxes.

3.2.2.8.2 Provide a detailed job description to the psychiatrist, listing the job description, expectations, and duties required by this Contract. This job description must be signed and dated by the psychiatrist prior to working at a Facility. A copy must be supplied to the Facility HR Department and the Contract Monitor by no less than ten (10) days before the intended date for this psychiatrist to begin working under the Contract.

3.2.2.8.3 Supply the psychiatrist with a unit coverage schedule; usual and customary equipment and supplies, including communication/computer equipment utilized in the provision of the required psychiatric services; suitable practice environment that complies with acceptable ethical and procedural standards; and, as necessary, appropriately trained support staff, all so as to enable the psychiatrist to perform psychiatric services on comparable terms as other psychiatrists at the Facility.

3.2.2.8.4 Provide all forms for evaluations, medication reviews, and other documents as deemed necessary by the Clinical Director.

3.2.2.8.5 Give the psychiatrist a Facility orientation to include review of relevant Facility policies and procedures needed to perform the required duties and responsibilities.

3.2.2.8.6 Give each psychiatrist all necessary I.D. card(s) and keys essential for working at the Facility.

3.2.2.8.7 Document all incidents of failure to perform by each psychiatrist and provide a copy of all incidents of failure to perform or unsatisfactory performance to the Contract Monitor, Procurement Officer, and Contractor (not to include patient's protected health information).

3.2.2.8.8 For Assignments of at least 1 year's duration, conduct a performance/competency review approximately six months after the commencement of services. For Assignments of at least 18 months' duration, conduct such a review within two (2) weeks before or after the anniversary date of the previous review, as scheduled by the Facility Assignment Manager. Psychiatrists will receive no less than two (2) Business Days' advance notice of any such review.

*3.2.2.9 Timeframes for Psychiatrist Credential Documentation and Acceptance or Rejection Other Than the Known Springfield Assignment*

3.2.2.9.1 Upon written notification by the Contract Monitor that a given Contractor is being awarded a specific Occasion of Need Assignment, that Contractor must submit the name of the intended (candidate) psychiatrist(s) and all credential documentation as described in Section 2.1.1, 2.1.2 and 3.2.1.1 no later than 3 full Business Days after such award notification.

3.2.2.9.2 The Contract Monitor will review each applicant with the Facility Clinical Director and will notify the awarded Contractor within five Business Days of receipt of the credential documentation described in 3.2.2.9.1 of one of the following conclusions:

3.2.2.9.2.1 The acceptability of the identified psychiatrist to fulfill the Occasion of Need Assignment. In this event the Contract Monitor or applicable Facility Assignment Manager will arrange with the awarded Contractor when the psychiatrist will attend Facility orientation training and a tentative work start date subject to the psychiatrist passing the orientation training.

3.2.2.9.2.2 That the submitted documentation is inadequate/incomplete and must be augmented with additional information within 3 Business Days. When the additional documentation is received, within 2 Business Days the Contract Monitor will either accept or reject the candidate psychiatrist as described in 3.2.2.9.2.1 and 3.2.2.9.2.3. If the Contractor fails to provide the required additional documentation within 3 Business Days, the Contract Monitor may either give the Contractor more time to provide the required documentation or may reject the candidate.

3.2.2.9.2.3 The unacceptability (rejection) of the identified psychiatrist to fulfill the Occasion of Need Assignment. If a candidate psychiatrist is rejected, the Contract Monitor will explain why the psychiatrist is not acceptable and either request a replacement to be provided within five Business Days or commence the Assignment fulfillment process again as described in 1.15.2 and 1.15.3, starting with the next contractor in line. i.e., this Contractor will be bypassed in the Occasion of Need Assignment process due to its previous inability to provide an acceptable psychiatrist candidate.

*3.2.2.10 Timeframes for Psychiatrist Credential Documentation and Acceptance or Rejection for the Known Springfield Assignment and Springfield Scheduling Requirements*

3.2.2.10.1 Upon written notification by either the Procurement Officer or the Contract Monitor that a given Contractor is being awarded the Known Springfield Assignment, that Contractor must submit the name of the intended (candidate) psychiatrist(s) and all credential documentation as described in Sections 2.1.1, 2.1.2 and 3.2.1.1 no less than 15 calendar days prior to the NTP Date.

3.2.2.10.2 The Contract Monitor will review each applicant with the Facility Clinical Director and will notify the awarded Contractor within five Business Days of receipt of the credential documentation described in 3.2.2.10.1 of one of the following conclusions:

3.2.2.10.2.1 The acceptability of the identified psychiatrist(s) to fulfill the Known Springfield Assignment. In this event the Contract Monitor or applicable Facility Assignment Manager will arrange with the awarded Contractor when the psychiatrist(s) will attend Facility orientation training and a tentative work start date subject to the psychiatrist passing the orientation training.

- 3.2.2.10.2.2 That the submitted documentation is inadequate/incomplete and must be augmented with additional information within 3 Business Days. When the additional documentation is received, within 2 Business Days the Contract Monitor will either accept or reject the candidate psychiatrist(s) as described in 3.2.2.10.2.1 and 3.2.2.10.2.3. If the Contractor fails to provide the required additional documentation within 3 Business Days, the Contract Monitor may either give the Contractor more time to provide the required documentation or may reject the candidate.
- 3.2.2.10.2.3 The unacceptability (rejection) of the identified psychiatrist(s) to fulfill the Known Springfield Assignment. If a candidate psychiatrist is rejected, the Contract Monitor will explain why the psychiatrist is not acceptable and either request a replacement to be provided within five Business Days or reject this Contractor for this Assignment and contact the next lowest priced Bidder for the Known Springfield Assignment (the Bidder with the second lowest Total Bid Price) and give it the opportunity to satisfy this Assignment. i.e., the process described in 3.2.2.10.1 and 3.2.2.10.2 will be repeated. If necessary, this process will be repeated until a candidate psychiatrist is accepted or all Contractors for the Known Springfield Assignment have been rejected.
- 3.2.2.11 *Known Springfield Assignment Scheduling Requirements:* No fewer than five (5) Business Days before the NTP Date, the Contractor shall submit its proposed twelve (12)-hour-per week schedule to the Facility Assignment Manager for approval. The State reserves the right to refuse individual Contractor Personnel to work on State premises, based upon certain specific criminal convictions, as specified by the State.

A particular on-site location covered by the Contract may require more restrictive conditions regarding the nature of prior criminal convictions that would result in Contractor Personnel not being permitted to work on those premises. For example, the Contractor shall be obligated to satisfy the “Living Wage” provision of the Contract, if applicable, which allows for withholding of payment under certain circumstances. Any action on the part of the Department, or dispute of action by the Contractor, shall be in accordance with the provisions of Md. Code Ann., State Finance and Procurement Article §§ 15-215 through 15-223 and with COMAR 21.10.02.

- a) The Maryland resident business is a responsible Bidder;

- c) The other state gives a preference to its resident businesses through law, policy, or practice; and

5.2.2 The preference given shall be identical to the preference that the other state, through law, policy, or practice gives to its resident businesses.

### **5.3 Award Determination**

For the Known Springfield Assignment, award will be made to the responsible Bidder who submits to the State the responsive Bid that has the lowest Total Bid Price. For the unknown assignments, award will be made to all responsible Bidders submitting responsive Bids per location, as listed in Attachment P.

### **5.4 Documents Required Upon Notice of Recommendation for Contract Award**

- 7.2 The Contractor will defend or settle, at its own expense, any claim or suit against the State alleging that any such item furnished by the Contractor infringes any patent, trademark, service mark, copyright, or trade secret. If a third party claims that a product infringes that party's patent, trademark, service mark, trade secret, or copyright, the Contractor will defend the State against that claim at Contractor's expense and will pay all damages, costs, and attorneys' fees that a court finally awards, provided the State: (a) promptly notifies the Contractor in writing of the claim; and (b) allows Contractor to control and cooperates with Contractor in, the defense and any related settlement negotiations. The obligations of this paragraph are in addition to those stated in Section 7.3 below.
- 7.3 If any products furnished by the Contractor become, or in the Contractor's opinion are likely to become, the subject of a claim of infringement, the Contractor will, at its option and expense: (a) procure for the State the right to continue using the applicable item; (b) replace the product with a non-infringing product substantially complying with the item's specifications; or (c) modify the item so that it becomes non-infringing and performs in a substantially similar manner to the original item.

## **8. Confidential or Proprietary Information and Documentation**

- 8.1 Subject to the Maryland Public Information Act and any other applicable laws including, without limitation, HIPAA, the HI-TECH ACT, and the Maryland Medical Records Act and the implementation of regulations promulgated pursuant thereto, all confidential or proprietary information and documentation relating to either party (including without limitation, any information or data stored within the Contractor's computer systems) shall be held in absolute confidence by the other party. Each party shall, however, be permitted to disclose relevant confidential information to its officers, agents, and employees to the extent that such disclosure is necessary for the performance of their duties under this Contract, provided that the data may be collected, used, disclosed, stored, and disseminated only as provided by and consistent with the law. The provisions of this section shall not apply to information that: (a) is lawfully in the public domain; (b) has been independently developed by the other party without violation of this Contract; (c) was already in the possession of such party; (d) was supplied to such party by a third party lawfully in possession thereof and legally permitted to further disclose the information; or (e) which such party is required to disclose by law.
- 8.2 This Section 8 shall survive expiration or termination of this Contract.

## **9. Loss of Data**

In the event of loss of any State data or records where such loss is due to the intentional act or omission or negligence of the Contractor or any of its subcontractors or agents, the Contractor shall be responsible for recreating such lost data in the manner and on the schedule set by the Contract Monitor. The Contractor shall ensure that all data is backed up and recoverable by the Contractor. Contractor shall use its best efforts to assure that at no time shall any

actions undertaken by the Contractor under this Contract (or any failures to act when Contractor has a duty to act) damage or create any vulnerabilities in data bases, systems, platforms, and/or applications with which the Contractor is working hereunder.

## **10. Indemnification**

- 10.1 The Contractor shall hold harmless and indemnify the State from and against any and all losses, damages, claims, suits, actions, liabilities, and/or expenses, including, without limitation, attorneys' fees and disbursements of any character that arise from, are in connection with or are attributable to the performance or nonperformance of the Contractor or its subcontractors under this Contract.
- 10.2 This indemnification clause shall not be construed to mean that the Contractor shall indemnify the State against liability for any losses, damages, claims, suits, actions, liabilities, and/or expenses that are attributable to the sole negligence of the State or the State's employees.
- 10.3 The State has no obligation to provide legal counsel or defense to the Contractor or its subcontractors in the event that a suit, claim, or action of any character is brought by any person not party to this Contract against the Contractor or its subcontractors as a result of or relating to the Contractor's performance under this Contract.
- 10.4 The State has no obligation for the payment of any judgments or the settlement of any claims against the Contractor or its subcontractors as a result of or relating to the Contractor's performance under this Contract.
- 10.5 The Contractor shall immediately notify the Procurement Officer of any claim or suit made or filed against the Contractor or its subcontractors regarding any matter resulting from, or relating to, the Contractor's obligations under the Contract, and will cooperate, assist, and consult with the State in the defense or investigation of any claim, suit, or action made or filed against the State as a result of, or relating to, the Contractor's performance under this Contract.
- 10.6 This Section 10 shall survive termination of this Contract.

## **11. Non-Hiring of Employees**

No official or employee of the State, as defined under Md. Code Ann., General Provisions Article, § 5-101, whose duties as such official or employee include matters relating to or affecting the subject matter of this Contract, shall, during the pendency and term of this Contract and while serving as an official or employee of the State, become or be an employee of the Contractor or any entity that is a subcontractor on this Contract.

## **12. Disputes**

This Contract shall be subject to the provisions of Md. Code Ann., State Finance and Procurement Article, Title 15, Subtitle 2, and COMAR 21.10 (Administrative and Civil Remedies). Pending resolution of a claim, the Contractor shall proceed diligently with the performance of the Contract in accordance with the Procurement Officer's decision. Unless a lesser period is provided by applicable statute, regulation, or the Contract, the Contractor must file a written notice of claim with the Procurement Officer within thirty (30) days after the basis for the claim is known or should have been known, whichever is earlier. Contemporaneously with or within thirty (30) days of the filing of a notice of claim, but no later than the date of final payment under the Contract, the Contractor must submit to the Procurement Officer its written claim containing the information specified in COMAR 21.10.04.02.

## **13. Maryland Law**

- 13.1 This Contract shall be construed, interpreted, and enforced according to the laws of the State of Maryland.

- 13.2 The Maryland Uniform Computer Information Transactions Act (Commercial Law Article, Title 22 of the Annotated Code of Maryland), does not apply to this Contract or to any purchase order or Notice to Proceed issued under this Contract, or any software, or any software license required hereunder.
- 13.3 Any and all references to the Maryland Code, Annotated contained in this Contract shall be construed to refer to such Code sections as are from time to time amended.

#### **14. Nondiscrimination in Employment**

The Contractor agrees: (a) not to discriminate in any manner against an employee or applicant for employment because of race, color, religion, creed, age, sex, sexual orientation, gender identification, marital status, national origin, ancestry, genetic information, or any otherwise unlawful use of characteristics, or disability of a qualified individual with a disability unrelated in nature and extent so as to reasonably preclude the performance of the employment, or the individual's refusal to submit to a genetic test or make available the results of a genetic test; (b) to include a provision similar to that contained in subsection (a), above, in any underlying subcontract except a subcontract for standard commercial supplies or raw materials; and (c) to post and to cause subcontractors to post in conspicuous places available to employees and applicants for employment, notices setting forth the substance of this clause.

#### **16. Non-availability of Funding**

If the General Assembly fails to appropriate funds or if funds are not otherwise made available for continued performance for any fiscal period of this Contract succeeding the first fiscal period, this Contract shall be canceled automatically as of the beginning of the fiscal year for which funds were not appropriated or otherwise made available; provided, however, that this will not affect either the State's rights or the Contractor's rights under any termination clause in this Contract. The effect of termination of the Contract hereunder will be to discharge both the Contractor and the State from future performance of the Contract, but not from their rights and obligations existing at the time of termination. The Contractor shall be reimbursed for the reasonable value of any nonrecurring costs incurred but not amortized in the price of the Contract. The State shall notify the Contractor as soon as it has knowledge that funds may not be available for the continuation of this Contract for each succeeding fiscal period beyond the first.

#### **17. Termination for Cause**

If the Contractor fails to fulfill its obligations under this Contract properly and on time, or otherwise violates any provision of the Contract, the State may terminate the Contract by written notice to the Contractor. The notice shall specify the acts or omissions relied upon as cause for termination. All finished or unfinished work provided by the Contractor shall, at the State's option, become the State's property. The State shall pay the Contractor fair and equitable compensation for satisfactory performance prior to receipt of notice of termination, less the amount of damages caused by the Contractor's breach. If the damages are more than the compensation payable to the Contractor, the Contractor will remain liable after termination and the State can affirmatively collect damages. Termination hereunder, including the termination of the rights and obligations of the parties, shall be governed by the provisions of COMAR 21.07.01.11B.

## **18. Termination for Convenience**

The performance of work under this Contract may be terminated by the State in accordance with this clause in whole, or from time to time in part, whenever the State shall determine that such termination is in the best interest of the State. The State will pay all reasonable costs associated with this Contract that the Contractor has incurred up to the date of termination, and all reasonable costs associated with termination of the Contract; provided, however, the Contractor shall not be reimbursed for any anticipatory profits that have not been earned up to the date of termination. Termination hereunder, including the determination of the rights and obligations of the parties, shall be governed by the provisions of COMAR 21.07.01.12A(2).

## **19. Delays and Extensions of Time**

The Contractor agrees to prosecute the work continuously and diligently and no charges or claims for damages shall be made by it for any delays, interruptions, interferences, or hindrances from any cause whatsoever during the progress of any portion of the work specified in this Contract.

Time extensions will be granted only for excusable delays that arise from unforeseeable causes beyond the control and without the fault or negligence of the Contractor, including but not restricted to, acts of God, acts of the public enemy, acts of the State in either its sovereign or contractual capacity, acts of another Contractor in the performance of a contract with the State, fires, floods, epidemics, quarantine restrictions, strikes, freight embargoes, or delays of subcontractors or suppliers arising from unforeseeable causes beyond the control and without the fault or negligence of either the Contractor or the subcontractors or suppliers.

## **20. Suspension of Work**

The State unilaterally may order the Contractor in writing to suspend, delay, or interrupt all or any part of its performance for such period of time as the Procurement Officer may determine to be appropriate for the convenience of the State.

## **21. Pre-Existing Regulations**

In accordance with the provisions of Md. Code Ann., State Finance and Procurement Article, § 11-206, the regulations set forth in Title 21 of the Code of Maryland Regulations (COMAR 21) in effect on the date of execution of this Contract are applicable to this Contract.

## **22. Financial Disclosure**

The Contractor shall comply with the provisions of Md. Code Ann., State Finance and Procurement Article, § 13-221, which requires that every person that enters into contracts, leases, or other agreements with the State or its agencies during a calendar year under which the business is to receive in the aggregate, \$100,000 or more, shall within thirty (30) days of the time when the aggregate value of these contracts, leases or other agreements reaches \$100,000, file with the Secretary of the State certain specified information to include disclosure of beneficial ownership of the business.

## **23. Political Contribution Disclosure**

The Contractor shall comply with Md. Code Ann., Election Law Article, Title 14, which requires that every person that enters into a procurement contract with the State, a county, or a municipal corporation, or other political subdivision of the State, during a calendar year in which the person receives a contract with a governmental entity in the amount of \$200,000 or more, shall, file with the State Board of Elections statements disclosing: (a) any contributions made during the reporting period to a candidate for elective office in any primary or general election; and (b) the name of each candidate to whom one or more contributions in a cumulative amount of \$500 or more were made during the reporting period. The statement shall be filed with the State Board of Elections: (a) before execution of a contract by the State, a county, a municipal corporation, or other political subdivision of the State, and shall cover the 24 months prior to when a contract was awarded; and (b) if the contribution is made after the execution of a

contract, then twice a year, throughout the contract term, on or before: (i) May 31, to cover the six (6) month period ending April 30; and (ii) November 30, to cover the six (6) month period ending October 31. Additional information is available on the State Board of Elections website: [http://www.elections.state.md.us/campaign\\_finance/index.html](http://www.elections.state.md.us/campaign_finance/index.html).

## **24. Documents Retention and Inspection Clause**

The Contractor and subcontractors shall retain and maintain all records and documents relating to this Contract for a period of five (5) years after final payment by the State hereunder or any applicable statute of limitations or federal retention requirements (such as HIPAA), whichever is longer, and shall make them available for inspection and audit by authorized representatives of the State, including the Procurement Officer or designee, at all reasonable times. All records related in any way to the Contract are to be retained for the entire time provided under this section. In the event of any audit, the Contractor shall provide assistance to the State, without additional compensation, to identify, investigate, and reconcile any audit discrepancies and/or variances. This Section 24 shall survive expiration or termination of the Contract.

## **25. Right to Audit**

- 25.1 The State reserves the right, at its sole discretion and at any time, to perform an audit of the Contractor's and/or subcontractor's performance under this Contract. An audit is defined as a planned and documented independent activity performed by qualified personnel including but not limited to State and federal auditors, to determine by investigation, examination, or evaluation of objective evidence from data, statements, records, operations and performance practices (financial or otherwise) the Contractor's compliance with the Contract, including but not limited to adequacy and compliance with established procedures and internal controls over the Contract services being performed for the State.
- 25.2 Upon three (3) Business Days' notice, the Contractor and/or any subcontractors shall provide the State reasonable access to their respective records to verify conformance to the terms of the Contract. The Department may conduct these audits with any or all of its own internal resources or by securing the services of a third-party accounting or audit firm, solely at the Department's election. The Department may copy, at its own expense, any record related to the services performed and provided under this Contract.
- 25.3 The right to audit shall include any of the Contractor's subcontractors including but not limited to any lower tier subcontractor(s) that provide essential support to the Contract services. The Contractor and/or subcontractor(s) shall ensure the Department has the right to audit such subcontractor(s).
- 25.4 The Contractor and/or subcontractors shall cooperate with Department and Department's designated accountant or auditor and shall provide the necessary assistance for the Department or Department's designated accountant or auditor to conduct the audit.
- 25.5 This Section shall survive expiration or termination of the Contract.

## **26. Compliance with Laws**

The Contractor hereby represents and warrants that:

- 26.1 It is qualified to do business in the State and that it will take such action as, from time to time hereafter, may be necessary to remain so qualified;
- 26.2 It is not in arrears with respect to the payment of any monies due and owing the State, or any department or unit thereof, including but not limited to the payment of taxes and employee benefits, and that it shall not become so in arrears during the term of this Contract;

- 26.3 It shall comply with all federal, State and local laws, regulations, and ordinances applicable to its activities and obligations under this Contract; and
- 26.4 It shall obtain, at its expense, all licenses, permits, insurance, and governmental approvals, if any, necessary to the performance of its obligations under this Contract.

## **27. Cost and Price Certification**

By submitting cost or price information, the Contractor certifies to the best of its knowledge that the information submitted is accurate, complete, and current as of the date of its Bid/Proposal.

The price under this Contract and any change order or modification hereunder, including profit or fee, shall be adjusted to exclude any significant price increases occurring because the Contractor furnished cost or price information which, as of the date of its Bid/Proposal, was inaccurate, incomplete, or not current.

## **28. Subcontracting; Assignment**

The Contractor may not subcontract any portion of the services provided under this Contract without obtaining the prior written approval of the Procurement Officer, nor may the Contractor assign this Contract or any of its rights or obligations hereunder, without the prior written approval of the Procurement Officer provided, however, that a Contractor may assign monies receivable under a contract after due notice to the State. Any subcontracts shall include such language as may be required in various clauses contained within this Contract, exhibits, and attachments. The Contract shall not be assigned until all approvals, documents, and affidavits are completed and properly registered. The State shall not be responsible for fulfillment of the Contractor's obligations to its subcontractors.

## **29. Liability**

For breach of this Contract, negligence, misrepresentation, or any other contract or tort claim, Contractor shall be liable as follows:

- 29.1 For infringement of patents, copyrights, trademarks, service marks, and/or trade secrets, as provided in Section 7 of this Contract;
- 29.2 Without limitation for damages for bodily injury (including death) and damage to real property and tangible personal property; and
- 29.3 For all other claims, damages, losses, costs, expenses, suits, or actions in any way related to this Contract, regardless of the form Contractor's liability for third party claims arising under Section 10 of this Contract shall be unlimited if the State is not immune from liability for claims arising under Section 10.

## **30. Commercial Nondiscrimination**

- 30.1 As a condition of entering into this Contract, Contractor represents and warrants that it will comply with the State's Commercial Nondiscrimination Policy, as described at Md. Code Ann., State Finance and Procurement Article, Title 19. As part of such compliance, Contractor may not discriminate on the basis of race, color, religion, ancestry or national origin, sex, age, marital status, sexual orientation, sexual identity, genetic information or an individual's refusal to submit to a genetic test or make available the results of a genetic test or on the basis of disability or other unlawful forms of discrimination in the solicitation, selection, hiring, or commercial treatment of subcontractors, vendors, suppliers, or commercial customers, nor shall Contractor retaliate against any person for reporting instances of such discrimination. Contractor shall provide equal opportunity for subcontractors, vendors, and suppliers to participate in all of its public sector and private sector subcontracting and supply opportunities, provided that this clause does not prohibit or limit lawful efforts to remedy the effects of marketplace discrimination that have occurred or are occurring in the

marketplace. Contractor understands that a material violation of this clause shall be considered a material breach of this Contract and may result in termination of this Contract, disqualification of Contractor from participating in State contracts, or other sanctions. This clause is not enforceable by or for the benefit of, and creates no obligation to, any third party.

- 30.2 The Contractor shall include the above Commercial Nondiscrimination clause, or similar clause approved by the Department, in all subcontracts.
- 30.3 As a condition of entering into this Contract, upon the request of the Commission on Civil Rights, and only after the filing of a complaint against Contractor under Md. Code Ann., State Finance and Procurement Article, Title 19, as amended from time to time, Contractor agrees to provide within sixty (60) days after the request a complete list of the names of all subcontractors, vendors, and suppliers that Contractor has used in the past four (4) years on any of its contracts that were undertaken within the State of Maryland, including the total dollar amount paid by Contractor on each subcontract or supply contract. Contractor further agrees to cooperate in any investigation conducted by the State pursuant to the State's Commercial Nondiscrimination Policy as set forth at Md. Code Ann., State Finance and Procurement Article, Title 19, and to provide any documents relevant to any investigation that are requested by the State. Contractor understands that violation of this clause is a material breach of this Contract and may result in contract termination, disqualification by the State from participating in State contracts, and other sanctions.

### **31. Prompt Pay Requirements**

- 31.1 If the Contractor withholds payment of an undisputed amount to its subcontractor, the Department, at its option and in its sole discretion, may take one or more of the following actions:
- a. Not process further payments to the contractor until payment to the subcontractor is verified;
  - b. Suspend all or some of the contract work without affecting the completion date(s) for the contract work;
  - c. Pay or cause payment of the undisputed amount to the subcontractor from monies otherwise due or that may become due;
  - d. Place a payment for an undisputed amount in an interest-bearing escrow account; or
  - e. Take other or further actions as appropriate to resolve the withheld payment.
- 31.2 An "undisputed amount" means an amount owed by the Contractor to a subcontractor for which there is no good faith dispute. Such "undisputed amounts" include, without limitation:
- a. Retainage which had been withheld and is, by the terms of the Contract between the Contractor and subcontractor, due to be distributed to the subcontractor; and
  - b. An amount withheld because of issues arising out of a Contract or occurrence unrelated to the Contract under which the amount is withheld.
- 31.3 An act, failure to act, or decision of a Procurement Officer or a representative of the Department, concerning a withheld payment between the Contractor and a subcontractor under this provision, may not:
- a. Affect the rights of the contracting parties under any other provision of law;
  - b. Be used as evidence on the merits of a dispute between the Department and the contractor in any other proceeding; or
  - c. Result in liability against or prejudice the rights of the Department.
- 31.4 The remedies enumerated above are in addition to those provided under COMAR 21.11.03.13 with respect to subcontractors that have contracted pursuant to the Minority Business Enterprise (MBE) program.
- 31.5 To ensure compliance with certified MBE subcontract participation goals, the Department may, consistent with COMAR 21.11.03.13, take the following measures:

- a. Verify that the certified MBEs listed in the MBE participation schedule actually are performing work and receiving compensation as set forth in the MBE participation schedule.
- b. This verification may include, as appropriate:
  - i. Inspecting any relevant records of the Contractor;
  - ii. Inspecting the jobsite; and
  - iii. Interviewing subcontractors and workers.
  - iv. Verification shall include a review of:
    - (a) The Contractor's monthly report listing unpaid invoices over thirty (30) days old from certified MBE subcontractors and the reason for nonpayment; and
    - (b) The monthly report of each certified MBE subcontractor, which lists payments received from the Contractor in the preceding thirty (30) days and invoices for which the subcontractor has not been paid.
- c. If the Department determines that the Contractor is not in compliance with certified MBE participation goals, then the Department will notify the Contractor in writing of its findings, and will require the Contractor to take appropriate corrective action. Corrective action may include, but is not limited to, requiring the Contractor to compensate the MBE for work performed as set forth in the MBE participation schedule.
- d. If the Department determines that the Contractor is in material noncompliance with MBE contract provisions and refuses or fails to take the corrective action that the Department requires, then the Department may:
  - i. Terminate the contract;
  - ii. Refer the matter to the Office of the Attorney General for appropriate action; or
  - iii. Initiate any other specific remedy identified by the contract, including the contractual remedies required by any applicable laws, regulations, and directives regarding the payment of undisputed amounts.
- e. Upon completion of the Contract, but before final payment or release of retainage or both, the Contractor shall submit a final report, in affidavit form under the penalty of perjury, of all payments made to, or withheld from, MBE subcontractors.

### **32. Living Wage**

If a Contractor subject to the Living Wage law fails to submit all records required under COMAR 21.11.10.05 to the Commissioner of Labor and Industry at the Department of Labor, Licensing and Regulation, the agency may withhold payment of any invoice or retainage. The agency may require certification from the Commissioner on a quarterly basis that such records were properly submitted.

### B. CERTIFICATION REGARDING COMMERCIAL NONDISCRIMINATION

The undersigned Bidder/Offeror hereby certifies and agrees that the following information is correct: In preparing its Bid/Proposal on this project, the Bidder/Offeror has considered all Bids/Proposals submitted from qualified, potential subcontractors and suppliers, and has not engaged in "discrimination" as defined in § 19-103 of the State Finance and Procurement Article of the Annotated Code of Maryland. "Discrimination" means any disadvantage, difference, distinction, or preference in the solicitation, selection, hiring, or commercial treatment of a vendor, subcontractor, or commercial customer on the basis of race, color, religion, ancestry, or national origin, sex, age, marital status, sexual orientation, sexual identity, genetic information or an individual's refusal to submit to a genetic test or make available the results of a genetic test, disability, or any otherwise unlawful use of characteristics regarding the vendor's, supplier's, or commercial customer's employees or owners. "Discrimination" also includes retaliating against any person or other entity for reporting any incident of "discrimination". Without limiting any other provision of the solicitation on this project, it is understood that, if the certification is false, such false certification constitutes grounds for the State to reject the Bid/Proposal submitted by the Bidder/Offeror on this project, and terminate any contract awarded based on the Bid/Proposal. As part of its Bid/Proposal, the Bidder/Offeror herewith submits a list of all instances within the past four (4) years where there has been a final adjudicated determination in a legal or administrative proceeding in the State of Maryland that the Bidder/Offeror discriminated against subcontractors, vendors, suppliers, or commercial customers, and a description of the status or resolution of that determination, including any remedial action taken. Bidder/Offeror agrees to comply in all respects with the State's Commercial Nondiscrimination Policy as described under Title 19 of the State Finance and Procurement Article of the Annotated Code of Maryland.

#### B-1. CERTIFICATION REGARDING MINORITY BUSINESS ENTERPRISES.

The undersigned Bidder/Offeror hereby certifies and agrees that it has fully complied with the State Minority Business Enterprise Law, State Finance and Procurement Article, § 14-308(a)(2), Annotated Code of Maryland, which provides that, except as otherwise provided by law, a contractor may not identify a certified minority business enterprise in a Bid/Proposal and:

## ATTACHMENT F – BID PRICING INSTRUCTIONS

In order to assist Bidders in the preparation of their Bid and to comply with the requirements of this solicitation, Bid Pricing Instructions and a Bid Form have been prepared. Bidders shall submit their Bid on the Bid Form in accordance with the instructions on the Bid Form and as specified herein. Do not alter the Bid Form or the Bid Form may be rejected. The Bid Form is to be signed and dated, where requested, by an individual who is authorized to bind the Bidder to the prices entered on the Bid Form.

The Bid Form is used to calculate the Bidder's TOTAL BID PRICE. Follow these instructions carefully when completing your Bid Form:

- A) All Unit and Extended Prices must be clearly entered in dollars and cents, e.g., \$24.15. Make your decimal points clear and distinct.
- B) All Unit Prices must be the actual price per unit the State will pay for the specific item or service identified in this IFB and may not be contingent on any other factor or condition in any manner.
- C) All calculations shall be rounded to the nearest cent, i.e., .344 shall be .34 and .345 shall be .35.
- D) Any goods or services required through this IFB and proposed by the vendor at **No Cost to the State** must be clearly entered in the Unit Price, if appropriate, and Extended Price with **\$0.00**.
- E) Every blank in every Bid Form shall be filled in. Any blanks may result in the Bid being regarded as non-responsive and thus rejected. Any changes or corrections made to the Bid Form by the Bidder prior to submission shall be initialed and dated.
- F) Except as instructed on the Bid Form, nothing shall be entered on or attached to the Bid Form that alters or proposes conditions or contingencies on the prices. Alterations and/or conditions usually render the Bid non-responsive, which means it will be rejected.
- G) It is imperative that the prices included on the Bid Form have been entered correctly and calculated accurately by the Bidder and that the respective total prices agree with the entries on the Bid Form. Any incorrect entries or inaccurate calculations by the Bidder will be treated as provided in COMAR 21.05.03.03E and 21.05.02.12 and may cause the Bid to be rejected.
- H) If option years are included, Bidders must submit pricing for each option year. Any option to renew will be exercised at the sole discretion of the State and will comply with all terms and conditions in force at the time the option is exercised. If exercised, the option period shall be for a period identified in the IFB at the prices entered in the Bid Form.
- I) All Bid prices entered below are to be fully loaded prices that include all costs/expenses associated with the provision of services as required by the IFB. The Bid price shall include, but is not limited to, all: labor, profit/overhead, general operating, administrative, and all other expenses and costs necessary to perform the work set forth in the solicitation. No other amounts will be paid to the Contractor. If labor rates are requested, those amounts shall be fully-loaded rates; no overtime amounts will be paid.
- J) Unless indicated elsewhere in the IFB, sample amounts used for calculations on the Bid Form are typically estimates for bidding purposes only. The Department does not guarantee a minimum or maximum number of units or usage in the performance of this Contract.
- K) The "Optional On-Duty Hourly Rate" rate quoted by Bidders on the Bid Form as Price E may not exceed the lowest hourly rate for that Bidder for the same Facility for the same Contract year. i.e., the lowest of the four hourly rates (Permanent Full-time; Temporary Full-time; Permanent Part-time; and Temporary Part-time) quoted by each Bidder for the same Facility for the same Contract year. If a Bidder does quote an Optional On-Duty Hourly Rate for a given Facility that is higher than the lowest hourly rate for that Bidder for the same Facility for the same Contract year, if a psychiatrist works any Optional On-Duty hours, payment for all such hours worked will be reduced to the lowest hourly rate as described above in this Section K of the Bid Pricing Instructions

- L. Failure to adhere to any of these instructions may result in the Bid being determined non-responsive and rejected by the Department.

## **INSTRUCTIONS ON HOW TO COMPLETE THE FINANCIAL PROPOSAL ATTACHMENT F**

### **On-Duty (Normal Hours) Pricing**

This IFB is designed to allow prospective bidders maximum flexibility in offering pricing to the State for the provision of psychiatrists at one or more BHA facilities.

Please note that at the bottom of Attachment F are nine (9) tabs, eight (8) of which these instructions apply to - all but the Known Springfield Assignment pricing.

**If you wish to offer the same pricing irrespective of location of need for BHA psychiatrists, simply complete only the first tab.**

It will not be necessary for you to complete the pricing forms for each individual facility, except for the Known Springfield Assignment. (To submit a Bid for the Known Springfield Assignment, the Known Springfield Assignment price form must be completed and submitted.)

On the other hand, should you wish to offer services for only certain BHA facilities, or if you wish to offer different pricing for different BHA facilities, you should pull up the tab for each facility for which you wish to offer services and complete the pricing information for that facility.

Whether you wish to bid on only one facility or more than one, it is not necessary for you to offer different pricing depending on the category of service indicated on the pricing sheet.

You may simply repeat the same price in each category of services if you wish to do so.

For each facility, pricing is first requested based upon the “Occasion of Need Response Timeframes” as set forth in Sec. 1.15.3 of the IFB as follows:

1.15.3.1: “Long-Range Assignment,” namely, at least 90 days advance notice of need;

1.15.3.2: “Normal Assignment,” namely, 30-89 days advance notice of need;

1.15.3.3: “Expedited Assignment,” namely, 10-29 days advance notice of need; and

1.15.3.4: “Urgent Assignment,” namely, fewer than 10 days advance notice of need.

Within each of the foregoing “Occasion of Need Response Timeframes,” there are four categories of “Staffing Level and Duration,” under Sec. 3.2.2 of the IFB as follows:

A. Permanent Full-time;

B. Temporary Full-time;

C. Permanent Part-time; and

D. Temporary Part-time.

Again, bidders are free to offer the same pricing regardless of Occasion of Need Response Timeframes and/or Staffing Level and Duration, but those bidders who wish to offer variable pricing depending on these factors are enabled by the Pricing Proposal form to do so.

### **Option On-Duty Hours Pricing**

Bidders may offer pricing for all Facilities or each individual Facility for work during “Optional On-Duty” hours for work outside of normal business hours (Normal On-Duty Hours).

(See IFB Sec. 1.2, Definition Nos. 32 and 33.)

Optional On-Duty Hours only apply to psychiatrists already working at a given facility.

Per Section 3.6.1.b.2, the lowest price quoted for a given facility regardless of Occasion of Need Response Timeframe or Staffing Level and Duration will apply unless a lower rate is entered on the price form for a given Facility for a given Contract year.

Quoting a lower rate on the Price Form for Optional On-Duty Hours than the lowest rate quoted for the 16 Normal On-Duty prices requested on the Price Form (Prices A-D for each of the 4 Occasion of Need Response Timeframes), will enhance the likelihood that a given psychiatrist working under this Contract will be invited to provide services outside of normal business hours.

## ATTACHMENT F – BID FORMS

### BID FORMS

Bidders can Bid on whichever of these Bid Forms they choose, from 1 to all 9. Do not amend, alter or leave blank any items on any of the Bid Forms that a Bidder chooses to complete and submit. If option years are included, Bidders must submit Bids for each option year. Failure to adhere to any of these instructions may result in the bid being determined non-responsive and rejected by the Department.

## **ATTACHMENT G – LIVING WAGE REQUIREMENTS FOR SERVICE CONTRACTS**

### **Living Wage Requirements for Service Contracts**

- A. This contract is subject to the Living Wage requirements under Md. Code Ann., State Finance and Procurement Article, Title 18, and the regulations proposed by the Commissioner of Labor and Industry (Commissioner). The Living Wage generally applies to a Contractor or Subcontractor who performs work on a State contract for services that is valued at \$100,000 or more. An employee is subject to the Living Wage if he/she is at least 18 years old or will turn 18 during the duration of the contract; works at least 13 consecutive weeks on the State Contract and spends at least one-half of the employee's time during any work week on the State Contract.
- B. The Living Wage Law does not apply to:
- (1) A Contractor who:
    - (a) Has a State contract for services valued at less than \$100,000, or
    - (b) Employs 10 or fewer employees and has a State contract for services valued at less than \$500,000.
  - (2) A Subcontractor who:
    - (a) Performs work on a State contract for services valued at less than \$100,000,
    - (b) Employs 10 or fewer employees and performs work on a State contract for services valued at less than \$500,000, or
    - (c) Performs work for a Contractor not covered by the Living Wage Law as defined in B(1)(b) above, or B(3) or C below.
  - (3) Service contracts for the following:
    - (a) Services with a Public Service Company;
    - (b) Services with a nonprofit organization;
    - (c) Services with an officer or other entity that is in the Executive Branch of the State government and is authorized by law to enter into a procurement ("Unit"); or
    - (d) Services between a Unit and a County or Baltimore City.
- C. If the Unit responsible for the State contract for services determines that application of the Living Wage would conflict with any applicable Federal program, the Living Wage does not apply to the contract or program.

- D. A Contractor must not split or subdivide a State contract for services, pay an employee through a third party, or treat an employee as an independent Contractor or assign work to employees to avoid the imposition of any of the requirements of Md. Code Ann., State Finance and Procurement Article, Title 18.
- E. Each Contractor/Subcontractor, subject to the Living Wage Law, shall post in a prominent and easily accessible place at the work site(s) of covered employees a notice of the Living Wage Rates, employee rights under the law, and the name, address, and telephone number of the Commissioner.
- F. The Commissioner shall adjust the wage rates by the annual average increase or decrease, if any, in the Consumer Price Index for all urban consumers for the Washington/Baltimore metropolitan area, or any successor index, for the previous calendar year, not later than 90 days after the start of each fiscal year. The Commissioner shall publish any adjustments to the wage rates on the Division of Labor and Industry's website. An employer subject to the Living Wage Law must comply with the rate requirements during the initial term of the contract and all subsequent renewal periods, including any increases in the wage rate, required by the Commissioner, automatically upon the effective date of the revised wage rate.
- G. A Contractor/Subcontractor who reduces the wages paid to an employee based on the employer's share of the health insurance premium, as provided in Md. Code Ann., State Finance and Procurement Article, §18-103(c), shall not lower an employee's wage rate below the minimum wage as set in Md. Code Ann., Labor and Employment Article, §3-413. A Contractor/Subcontractor who reduces the wages paid to an employee based on the employer's share of health insurance premium shall comply with any record reporting requirements established by the Commissioner.
- H. A Contractor/Subcontractor may reduce the wage rates paid under Md. Code Ann., State Finance and Procurement Article, §18-103(a), by no more than 50 cents of the hourly cost of the employer's contribution to an employee's deferred compensation plan. A Contractor/Subcontractor who reduces the wages paid to an employee based on the employer's contribution to an employee's deferred compensation plan shall not lower the employee's wage rate below the minimum wage as set in Md. Code Ann., Labor and Employment Article, §3-413.
- I. Under Md. Code Ann., State Finance and Procurement Article, Title 18, if the Commissioner determines that the Contractor/Subcontractor violated a provision of this title or regulations of the Commissioner, the Contractor/Subcontractor shall pay restitution to each affected employee, and the State may assess liquidated damages of \$20 per day for each employee paid less than the Living Wage.
- J. Information pertaining to reporting obligations may be found by going to the Division of Labor and Industry website <http://www.dllr.state.md.us/labor/> and clicking on Living Wage for State Service Contracts.
