- 2.1.5 Maryland State and local entities as defined in Finance and Procurement §13-110(a) and nonprofit entities within the State of Maryland may purchase from the Contractor goods or services covered by the Contract at the same prices chargeable to the State. All such purchases by non-executive branch entities, non-State governments, government agencies or nonprofit entities:

2.2 Background and Purpose

Medicaid's model for reimbursement is a prospective payment system for days of service; the payment for each day of service is considered paid in full. The methodology includes a facility-specific case mix payment for nursing costs, a price based system for other costs and a fair-rental value payment for capital costs.

Under the system, reimbursement for capital expense is based on the current appraised value of the facility. The applicable section of the Code of Maryland Regulations is COMAR 10.09.10.10. In accordance with established Program procedures, Appraisals are performed at least once every three years on nursing homes participating in the Maryland Medical Assistance Program (the "Program"). As of June 30, 2020, there were approximately 218 facilities participating in the Program. Ten (10) Providers have a minimum number of Medicaid days and opt to accept the Medicaid average payment as payment for each day of care. These ten (10) Providers do not require an Appraisal. Of the approximately one-third of the remaining 208 facilities, 70 facilities, must be re-

appraised between July 1 and no later than April 30th each year of the Contract. However, in some Contract years it may be necessary to complete more than 70 Appraisals. This increase would be due to requests for new facility Appraisals and/or Department approved Out of Cycle Appraisal due to major renovations. These additional Appraisals are required to be completed between July 1st and no later than April 30th of each Contract Year.

The State is issuing this solicitation to hire a Contractor for the purposes of performing Limited Appraisals to determine the appraised values for nursing homes (Providers) that participate in the Program and provide an Appraisal Report that includes:

1. Appraising the value of the building, improvements to real property, and non-movable equipment of each nursing home at least once every three (3) years using a “segregated cost” approach to determine reconstruction cost minus any physical deterioration and functional obsolescence as estimated through the Breakdown Method (see Appendix 1 GG for definition); and
2. Appraising the value of the land of each nursing home at least every three (3) years using a sales comparison approach considering its highest valued use as a nursing home.

The Appraisals may not include any value (start-up costs) associated with the Certificate of Need for nursing home beds. (See definitions of [mhcc.maryland.gov/certificate of need/overview.html](http://mhcc.maryland.gov/certificate-of-need/overview.html).)

2.3 Responsibilities and Tasks

All Appraisals shall be performed for nursing homes who participate in the Program, as set forth in this IFB.

1. The Contractor shall have a local office within 50 miles from 201 W. Preston St., Baltimore, MD 21201. The local office must have sufficient space to permit up to four Departmental officials and, if needed, Department staff may make unscheduled visits to this office to review Appraisal documents, as needed. In addition, the Contractor shall make this office available for scheduled meetings within 2 Business Days’ notice from the Department’s Contract Monitor to discuss Appeal concerns and nursing home Providers that may protest the accuracy of the Appraisal and to provide documents related to the Appraisals that are being contested. The Contractor shall provide teleconferencing system for use when representatives from the Department or the Contractor cannot be present when there is a meeting. The Contractor’s teleconferencing system shall allow for a minimum of at least six (6) individuals to be on a conference line when a meeting is held at its local office.
2. The Contractor shall schedule and perform Appraisals assigned by the Department and in accordance with the Uniform Standards of Professional

Appraisal Practices (USPAP) for generally accepted practices, format, and data elements, and the applicable regulations and transmittals (COMAR 10.09.10.11) for nursing homes.

3. The Contractor must maintain all data, material, and working papers in an organized manner in a location with convenient access to the Department for a period of at least five (5) years after final payment under the Contract in accordance with Paragraph 24 “Retention of Records” of the State Contract, Attachment M, or two years after final disposition of any judicial proceeding in which the Appraiser provided testimony related to the assignment whichever period expires later.
4. All data, materials, and working papers developed under this Contract are the property of the State of Maryland in accordance with Paragraph 5, Rights to Records of the State Contract, Attachment M.
5. The Contractor shall be available beyond the termination of this Contract for the defense of any Protest or Appeals relating to the Appraisals performed under the Contract. (See 2.3.2 for requirements related to Protests and Appeals.) The Contractor shall abide by its affidavit submitted in response to Section 4.19 agreeing to be available for defense of Protest or Appeals performed under the Contract. In the event services related to the defense of any Protest or Appeals are required after the expiration of the Contract term, the parties shall enter into a separate agreement for payment related to those services.
6. The Contractor shall respond to questions from the Department’s Contract Monitor within two (2) Business Days from the date of the telephone call or from the date of the receipt of an e-mail or other correspondence.

2.3.1 Appraisal Process

1. There are approximately 218 existing nursing homes, and it is anticipated that over the five-year Contract term there can be an additional 10 new Providers requiring Appraisals and an undetermined amount of approved Out of Cycle Appraisals to be performed. The Contractor shall perform a minimum of six Appraisals per month from a list of nursing home facilities assigned annually in April by the Contract Monitor. The Contractor shall also perform additional Appraisals as requested by the Contract Monitor as determined by the number of new facilities approved for Program participation and/or approved for an Out of Cycle Appraisal. The Contractor will receive the list from the Contract Monitor by email and US Mail. The Department may update the list throughout the Contract year, as necessary due to the addition of new facilities and/or approved out of cycle requests received from providers in accordance with the Out of Cycle guidelines. The due date for the Appraisals listed will be as specified in Section 2 – Scope of Work, 2.3.1 Appraisal Process # 5-7. If the Contractor fails to meet the minimum monthly requirement, the Contractor shall submit a written waiver request no later than ten (10) Business Days prior to the end of each month. An example of a waiver request is set forth in Exhibit 1. The granting of the waiver request is subject to the approval of the Contract Monitor. If the waiver is not granted, the Contractor must complete the required number of Appraisals and may be subject to Contract termination in accordance with Attachment M- the State Contract, Provision# 17.
2. The Contractor shall verify the accuracy of all information obtained through the examination of records and other supporting evidence, in order to prepare an authoritative, objective Appraisal report.
3. The Contractor shall submit to the Contract Monitor a minimum of six Appraisal reports and all other requested Appraisals as indicated in Section 2 – Scope of Work, 2.3.1 monthly in a format approved by the Department. Each report shall include the Contractor’s findings with any other supporting data. The Contractor shall also submit to the Department all details and the basis of its findings or data collections. One PDF original Appraisal report for each Appraisal will be delivered to the Department within the time parameters in #s 5-7 below. (See USPAP and COMAR 10.09.10.11 for format and data elements).
4. At the request of the Contract Monitor, the Contractor shall develop customized Appraisal reports in addition to the required 6 Appraisals per month that may be needed for a specific purpose by the Department.
5. New and Out of Cycle Appraisals may be added to the annual Appraisal assignments, as necessary.
6. The Contractor shall complete Out of Cycle Appraisals and submit the associated reports to the Department no later than April 30th of the State’s Fiscal Year (July 1st – June 30th) in which the Appraisals are assigned by the Department, except for Appraisals referred on or after April 1. Appraisals referred on or after April 1 shall be due no later than April 30 of the following Fiscal Year. For example, the Appraisals and associated reports on the assignment list of Appraisals that the Contractor receives in April pursuant to Section 2.3.1 (1) shall be due by April 30 of the following Fiscal Year. However, if the Department updates the assignment list to include an additional Appraisal on July 2,

2021, which is in Fiscal Year 2022, the completed Appraisal and associated report for the additional referral shall be due April 30, 2022, which is in Fiscal Year 2022.

7. Timely completion of Appraisals in accordance with the assigned and updated list (See 2.3.2 (1)) is of the essence in this Contract. If the Contractor fails to submit Appraisals in accordance with the assigned or updated list (and without an approved waiver request), the Contractor shall, at the request of the Contract Monitor, submit to the Contract Monitor for approval, a remediation plan detailing the Contractor's corrective measures for ensuring proper and timely completion of the number of Appraisals assigned, within fifteen (15) days of receipt of notification from the Contract Monitor. The Contractor shall make any changes necessary for the Contract Monitor's approval and resubmit its remediation plan to the Contract Monitor within 2 Business Days of the Contract Monitor's request. Failure to submit timely Appraisals or failure to submit and successfully implement an approved remediation plan as required may result in the withholding of payment from the Contractor. (See Section 3.3.) Continued failure to provide timely Appraisals and to correct late submission issues shall be considered a material breach of this Contract and, among other remedies available to it, at law or in equity, the Department may exercise its right to terminate the Contract for default.

2.3.2 Appraisal Protest and Appeals

1. The Contractor shall assist the Department with administrative or civil litigation arising under the Contract that relates to the Contractor's Appraisals, including but not limited to, appearing in court and/or hearings, providing written documents and providing witnesses. Although the actual number of Protests cannot be predicted, it is estimated based upon historical figures that approximately 5% of Appraisals are protested within 90 days of Providers receiving the completed Appraisals. It is estimated that 5% of the Appraisals protested will result in Appeals that are scheduled for hearings before the Office of Administrative Hearings presently located in the Administrative Law Building, 11101 Gilroy Road, Hunt Valley, Maryland 21031-1301. The Contractor shall provide the assistance required in this Section 2.3.2(1) beyond the termination of this Contract for the defense of any Protest or Appeal relating to the Appraisals performed under this Contract. **The Contractor shall provide appropriate substitute personnel as necessary in the event of illness, vacations, or other absences of its personnel to ensure continuous representation for the pendency of all Protests and Appeals.**
2. The Contractor must respond in writing, within fifteen (15) days, to the Department's letter informing the Contractor when a Provider is protesting the results of the Appraisal. The letter will be sent by certified mail. The Contractor must acknowledge receipt via email and/or US Mail of the Department's letter and indicate in its response to the Contract Monitor a time to meet with the Department and the Provider to discuss the concerns about the Appraisal.
3. The Contractor will not be paid for any time devoted to attending or preparing for hearings or attending any meetings concerning Protests, Contract performance issues or for any other reason within the duration of the Contract.

2.3.3 Deliverables and Key Performance Indicators

1. Monthly – The Contractor shall submit the minimum six (6) Appraisals required from a list of Appraisals assigned by the Department in a form acceptable to the Department and any requested Appraisals for new facilities and Out of Cycle Appraisal due to major renovations approved by the Department. See Section 2 - Scope of Work, 2.3.1 Appraisal Process #3.
2. Monthly – The Contractor shall submit a status report to the Contract Monitor of a list of items the Contract Monitor returns to the Contractor for corrections of errors regarding number of licensed beds, page numbers, addresses, etc., pertaining to the Appraisals, by the last Business Day of each month.
3. The Contractor shall attend meetings as requested by the Contract Monitor to discuss the status of the contracted work. The Contract Monitor will request meetings only as needed and provide the Contractor with at least 2 Business Days' notice. The Contractor shall prepare meeting minutes and distribute them to the Contract Monitor in a timely manner, not to exceed ten (10) Business Days after the meeting.
4. The Contractor shall not receive payment for any Appraisals returned to the Contractor because of errors or deficiencies until the Contractor corrects the errors or deficiencies. The Contractor must return to the Contract Monitor the corrected Appraisal within thirty (30) days from receipt of notice of the Appraisal that has the error(s) or deficiency(ies), but in no case, later than sixty (60) days prior to the end of any Contract year or Contract termination.

A Contract will be awarded in accordance with the Competitive Sealed Bidding method under COMAR 21.05.02.

4.5 Bid Due (Closing) Date and Time

- 4.5.1 Bids, in the number and form set forth in **Section 5 Bid Format**, must be received by the Procurement Officer no later than the Bid due date and time indicated on the Key Information Summary Sheet in order to be considered.
- 4.5.2 Requests for extension of this date or time shall not be granted.
- 4.5.3 Bidders submitting Bids should allow sufficient delivery time to ensure timely receipt by the Procurement Officer. Except as provided in COMAR 21.05.02.10, Bids received after the due date and time listed in the Key Information Summary Sheet will not be considered.
- 4.5.4 The date and time of an e-mail submission is determined by the date and time of arrival in the e-mail address indicated on the Key Information Summary Sheet.
- 4.5.5 Bids may be modified or withdrawn by written notice received by the Procurement Officer before the time and date set forth in the Key Information Summary Sheet for receipt of Bids.
- 4.5.6 Bids will be opened publicly at the date and time indicated on the Key Information Summary Sheet.
- 4.5.7 Potential Bidders not responding to this solicitation are requested to submit the “No Bid Notice/Vendor Feedback” form, which includes company information and the reason for not responding (e.g., too busy, cannot meet mandatory requirements).

4.6 Multiple or Alternate Bids

Multiple or alternate Bids will not be accepted.

4.7 Receipt, Opening and Recording of Bids

- 4.7.1.1 Upon receipt, each Bid and any timely modification(s) to a Bid shall be stored in a secure place until the time and date set for bid opening. Before Bid opening, the State may not disclose the identity of any Bidder.
- 4.7.1.2 Bids shall be opened publicly, at the time, date and place designated in the IFB Key Information Summary Sheet (near the beginning of the solicitation, after the Title Page and Notice to Vendors). The name of each Bidder, the Total Bid Price, and such other information as is deemed appropriate shall be read aloud or otherwise made available and recorded at the time of bid opening.

4.8 Confidentiality of Bids / Public Information Act Notice

- 4.8.1 The Bidder should give specific attention to the clear identification of those portions of its Bid that it considers confidential and/or proprietary commercial information or trade secrets, and provide justification why such materials, upon request, should not be disclosed by the State under the Public Information Act, Md. Code Ann., General Provisions Article, Title 4. This information should be identified by page number and placed in the Transmittal Letter with the Bid.

- 4.8.2 The Bids shall be tabulated or a Bid abstract made. The opened Bids shall be available for public inspection at a reasonable time after Bid opening, but in any case before contract award, except to the extent the Bidder designates trade secrets or other proprietary data to be confidential as set forth in this solicitation. Material so designated as confidential shall accompany the Bid and shall be readily separable from the Bid in order to facilitate public inspection of the non-confidential portion of the Bid, including the Total Bid Price.
- 4.8.3 For requests for information made under the PIA, the Procurement Officer shall examine the Bids to determine the validity of any requests for nondisclosure of trade secrets and other proprietary data identified in writing. Nondisclosure is permissible only if approved by the Office of the Attorney General.

4.9 Award Basis

- 4.9.1 A Contract shall be awarded to the responsible Bidder(s) submitting a responsive Bid with the most favorable bid price or most favorable evaluated bid price (as referenced in COMAR 21.05.02.13) for providing the goods and services as specified in this IFB. Bidders must bid all line items. Partial or incomplete bids will be rejected unless otherwise stated in the solicitation. See IFB Section 6 for Bid evaluation and award information.
- 4.9.2 Award of this contract will not be final and complete until after: (1) the Contractor submits complete and satisfactory documentation required under the Contract and/or documentation required by the Procurement Officer; and (2) the Contract is signed by the Department following any required approvals of the Contract, including approval by the Board of Public Works, if such approval is required.

4.10 Tie Bids

Tie Bids will be decided pursuant to COMAR 21.05.02.14.

4.11 Duration of Bids

Bids submitted in response to this IFB are irrevocable for the latest of the following: 120 days following the Bid due date and time or the date any protest concerning this IFB is finally resolved. This period may be extended at the Procurement Officer's request only with the Bidder's written agreement.

4.12 Revisions to the IFB

- 4.12.1 If the IFB is revised before the due date for Bids, the Maryland Department of Health shall post any addenda to the IFB on eMMA and shall endeavor to provide such addenda to all prospective Bidders that were sent this IFB or are otherwise known by the Procurement Officer to have obtained this IFB. It remains the responsibility of all prospective Bidders to check eMMA for any addenda issued prior to the submission of Bids.
- 4.12.2 Bidders shall acknowledge the receipt of all addenda to this IFB issued before the Bid due date.
- 4.12.3 Failure to acknowledge receipt of an addendum does not relieve the Bidder from complying with the terms, additions, deletions, or corrections set forth in the addendum, and may cause the Bid to be deemed not responsive.

4.13 Cancellations

- 4.13.1 The State reserves the right to cancel this IFB, accept or reject any and all Bids, in whole or in part, received in response to this IFB and to waive or permit the cure of minor irregularities.

- 4.13.2 In the event a government entity proposes and receives the recommendation for award, the procurement may be cancelled and the award processed in accordance with COMAR 21.01.03.01.A(4).
- 4.13.3 If the services that are the subject of the IFB are currently being provided under an interagency agreement with a public institution of higher education and the State determines that the services can be provided more cost effectively by the public institution of higher education, then the IFB may be cancelled in accordance with Md. Code Ann., State Finance and Procurement Art., § 3-207(b)(2).

4.14 Incurred Expenses

The State will not be responsible for any costs incurred by any Bidder in preparing and submitting a Bid or performing any other activities related to submitting a Bid in response to this solicitation.

4.15 Protest/Disputes

Any protest or dispute related to this solicitation or the Contract award shall be subject to the provisions of COMAR 21.10 (Administrative and Civil Remedies).

4.16 Bidder Responsibilities

- 4.16.1 Bidders must be able to provide all goods and services and meet all of the requirements requested in this solicitation and the successful Bidder shall be responsible for Contract performance including any subcontractor participation.
- 4.16.2 If applicable, subcontractors utilized in meeting the established MBE or VSBE participation goal(s) for this solicitation shall be identified as provided in the appropriate Attachment(s) to this IFB (see **Section 4.26** “MBE Participation Goal” and **Section 4.27** “VSBE Goal”).
- 4.16.3 If the Bidder is the subsidiary of another entity, all information submitted by the Bidder, including but not limited to references, financial reports, or experience and documentation (e.g. insurance policies, bonds, letters of credit) used to meet minimum qualifications, if any, shall pertain exclusively to the Bidder, unless the parent organization will guarantee the performance of the subsidiary. If applicable, the Bidder’s Bid shall contain an explicit statement, signed by an authorized representative of the parent organization, stating that the parent organization will guarantee the performance of the subsidiary.
- 4.16.4 A parental guarantee of the performance of the Bidder under this Section will not automatically result in crediting the Bidder with the experience or qualifications of the parent under any evaluation criteria pertaining to the actual Bidder’s experience and qualifications. Instead, the Bidder’s responsibility will be assessed to the extent to which the State determines that the experience and qualifications of the parent are applicable to and shared with the Bidder, any stated intent by the parent to be directly involved in the performance of the Contract, and the value of the parent’s participation as determined by the State.

4.17 Acceptance of Terms and Conditions

By submitting a Bid in response to this IFB, the Bidder, if selected for award, shall be deemed to have accepted the terms and conditions of this IFB and the Contract, attached hereto as **Attachment M**. Any exceptions to this IFB or the Contract must be raised prior to Bid submission. Changes to the solicitation, including the Bid Form or Contract, made by the Bidder may result in Bid rejection.

4.18 Bid/Proposal Affidavit

A Bid submitted by the Bidder must be accompanied by a completed Bid/Proposal Affidavit. A copy of this Affidavit is included as **Attachment C** of this IFB.

4.19 Contract Affidavit

All Bidders are advised that if a Contract is awarded as a result of this solicitation, the successful Bidder will be required to complete a Contract Affidavit. A copy of this Affidavit is included for informational purposes as **Attachment N** of this IFB. This Affidavit must be provided within five (5) Business Days of notification of recommended award. For purposes of completing Section “B” of this Affidavit (Certification of Registration or Qualification with the State Department of Assessments and Taxation), a business entity that is organized outside of the State of Maryland is considered a “foreign” business.

4.20 Compliance with Laws/Arrearages

By submitting a Bid in response to this IFB, the Bidder, if selected for award, agrees that it will comply with all federal, State, and local laws applicable to its activities and obligations under the Contract.

By submitting a response to this solicitation, each Bidder represents that it is not in arrears in the payment of any obligations due and owing the State, including the payment of taxes and employee benefits, and shall not become so in arrears during the term of the Contract if selected for Contract award.

4.21 Verification of Registration and Tax Payment

Before a business entity can do business in the State, it must be registered with the State Department of Assessments and Taxation (SDAT). SDAT is located at State Office Building, Room 803, 301 West Preston Street, Baltimore, Maryland 21201. For registration information, visit <https://www.egov.maryland.gov/businessexpress>.

It is strongly recommended that any potential Bidder complete registration prior to the Bid due date and time. The Bidder’s failure to complete registration with SDAT may disqualify an otherwise successful Bidder from final consideration and recommendation for Contract award.

4.22 False Statements

Bidders are advised that Md. Code Ann., State Finance and Procurement Article, § 11-205.1 provides as follows:

4.22.1 In connection with a procurement contract a person may not willfully:

- a) Falsify, conceal, or suppress a material fact by any scheme or device.
- b) Make a false or fraudulent statement or representation of a material fact.
- c) Use a false writing or document that contains a false or fraudulent statement or entry of a material fact.

4.22.2 A person may not aid or conspire with another person to commit an act under **Section 4.22.1**.

4.22.3 A person who violates any provision of this section is guilty of a felony and on conviction is subject to a fine not exceeding \$20,000 or imprisonment not exceeding five (5) years or both.

4.23 Payments by Electronic Funds Transfer

By submitting a Bid in response to this solicitation, the Bidder, if selected for award:

- 4.23.1 Agrees to accept payments by electronic funds transfer (EFT) unless the State Comptroller's Office grants an exemption. Payment by EFT is mandatory for contracts exceeding \$200,000. The successful Bidder shall register using the COT/GAD X-10 Vendor Electronic Funds (EFT) Registration Request Form.
- 4.23.2 Any request for exemption must be submitted to the State Comptroller's Office for approval at the address specified on the COT/GAD X-10 form, must include the business identification information as stated on the form, and must include the reason for the exemption. The COT/GAD X-10 form may be downloaded from the Comptroller's website at:
http://comptroller.marylandtaxes.com/Vendor_Services/Accounting_Information/Static_Files/GADX10Form20150615.pdf.

4.24 Prompt Payment Policy

This procurement and the Contract(s) to be awarded pursuant to this solicitation are subject to the Prompt Payment Policy Directive issued by the Governor's Office of Small, Minority & Women Business Affairs (GOSBA) and dated August 1, 2008. Promulgated pursuant to Md. Code Ann., State Finance and Procurement Article, §§ 11-201, 13-205(a), and Title 14, Subtitle 3, and COMAR 21.01.01.03 and 21.11.03.01, the Directive seeks to ensure the prompt payment of all subcontractors on non-construction procurement contracts. The Contractor shall comply with the prompt payment requirements outlined in the Contract, Section 31 "Prompt Pay Requirements" (see **Attachment M**). Additional information is available on GOSBA's website at:
<http://www.gomdsmallbiz.maryland.gov/documents/legislation/promptpaymentfaqs.pdf>.

Code Ann., Maryland Uniform Electronic Transactions Act, Commercial Law Article, Title 21.
- 4.25.2 Participation in the solicitation process on a procurement contract for which electronic means has been authorized shall constitute consent by the Bidder to conduct by electronic means all elements of the procurement of that Contract which are specifically authorized under the solicitation or Contract. In the case of electronic transactions authorized by this IFB, electronic records and signatures by an authorized representative satisfy a requirement for written submission and signatures.
- 4.25.3 "Electronic means" refers to exchanges or communications using electronic, digital, magnetic, wireless, optical, electromagnetic, or other means of electronically conducting transactions. Electronic means includes e-mail, internet-based communications, electronic funds transfer, specific electronic bidding platforms (e.g., <https://procurement.maryland.gov>), and electronic data interchange.
- 4.25.4 In addition to specific electronic transactions specifically authorized in other sections of this solicitation (e.g., IFB § 4.23 describing payments by Electronic Funds Transfer), the following transactions are authorized to be conducted by electronic means on the terms as authorized in COMAR 21.03.05:

- a) The Procurement Officer may conduct the procurement using eMMA, e-mail, or facsimile to issue:

- 11) Submit a "No Bid Notice/Vendor Feedback Form" to the IFB.

The Procurement Officer, the Contract Monitor, and the Contractor may conduct day-to-day Contract administration, except as outlined in **Section 4.25.5** of this subsection, utilizing e-mail, facsimile, or other electronic means if authorized by the Procurement Officer or Contract Monitor.

4.25.5 The following transactions related to this procurement and any Contract awarded pursuant to it are **not authorized** to be conducted by electronic means:

- A. Filing of Contract claims;

4.25.6 Any facsimile or e-mail transmission is only authorized to the facsimile numbers or e-mail addresses for the identified person as provided in the solicitation, the Contract, or in the direction from the Procurement Officer or Contract Monitor.

4.26 MBE Participation Goal

4.26.1 Establishment of Goal and Subgoals

An overall MBE subcontractor participation goal as identified in the Key Information Summary Sheet has been established for this procurement, representing a percentage of the total Contract dollar value, including all renewal option terms, if any, has been established for this procurement.

Notwithstanding any subgoals established for this IFB, the Contractor is encouraged to use a diverse group of subcontractors and suppliers from any/all of the various MBE classifications to meet the remainder of the overall MBE participation goal.

By submitting a response to this solicitation, the Bidder acknowledges the overall MBE subcontractor participation goal and subgoals, and commits to achieving the overall goal and subgoals by utilizing certified minority business enterprises, or requests a full or partial waiver of the overall goal and subgoals.

A Bidder that does not commit to meeting the entire MBE participation goal outlined in this Section 4.26 must submit a request for waiver with its bid submission that is supported by good faith efforts documentation to meet the MBE goal made prior to submission of its Bid as outlined in Attachment D-1B, Waiver Guidance. Failure of a Bidder to properly complete, sign, and submit Attachment D-1A at the time it submits its Bid(s) to the IFB will result in the State's rejection of the Bidder's Bid for the applicable Service Category. This failure is not curable.

4.26.2 Attachments.

- a) D-1 to D-5 – The following Minority Business Enterprise participation instructions, and forms are provided to assist Bidders:
 - A. Attachment D-1A MBE Utilization and Fair Solicitation Affidavit & MBE Participation Schedule (must be submitted with Bid)
 - B. Attachment D-1B Waiver Guidance
 - C. Attachment D-1C Good Faith Efforts Documentation to Support Waiver Request
 - D. Attachment D-2 Outreach Efforts Compliance Statement
 - E. Attachment D-3A MBE Subcontractor Project Participation Certification
 - F. Attachment D-3B MBE Prime Project Participation Certification
 - G. Attachment D-4A Prime Contractor Paid/Unpaid MBE Invoice Report
 - H. Attachment D-4B MBE Prime Contractor Report
 - I. Attachment D-5 Subcontractor Paid/Unpaid MBE Invoice Report

The Bidder shall include with its Bid a completed MBE Utilization and Fair Solicitation Affidavit (**Attachment D-1A**) whereby:

- b) The Bidder acknowledges the certified MBE participation goal and commits to make a good faith effort to achieve the goal and any applicable subgoals, or requests a waiver, and affirms that MBE subcontractors were treated fairly in the solicitation process; and

- c) The Bidder responds to the expected degree of MBE participation, as stated in the solicitation, by identifying the specific commitment of certified MBEs at the time of Bid submission. The Bidder shall specify the percentage of total contract value associated with each MBE subcontractor identified on the MBE participation schedule, including any work performed by the MBE prime (including a prime participating as a joint venture) to be counted towards meeting the MBE participation goals.
- d) The Bidder requesting a waiver should review **Attachment D-1B** (Waiver Guidance) and **D-1C** (Good Faith Efforts Documentation to Support Waiver Request) prior to submitting its request.

A Bidder must properly complete and submit a separate Attachment D-1A, MBE Utilization and Fair Solicitation Affidavit & MBE Participation Schedule, for EACH Service Category (I and II) for which it is submitting a Bid. If a Bidder is submitting a Bid for each of Service Categories I and II, the Bidder must submit two separate Attachment D-1As, one for each of the two Service Categories.

If the Bidder fails to submit a completed Attachment D-1A with the Bid as required, the Procurement Officer shall determine that the Bid is not responsive.

- 4.26.3 Bidders are responsible for verifying that each MBE (including any MBE prime and MBE prime participating in a joint venture) selected to meet the goal and any subgoals and subsequently identified in **Attachment D-1A** is appropriately certified and has the correct NAICS codes allowing it to perform the committed work.
- 4.26.4 Within ten (10) Business Days from notification that it is the recommended awardee or from the date of the actual award, whichever is earlier, the Bidder must provide the following documentation to the Procurement Officer:
 - a) Outreach Efforts Compliance Statement (**Attachment D-2**);

MBE Subcontractor/Prime Project Participation Certification (**Attachment D-3A/3B**); and

Any other documentation required by the Procurement Officer to ascertain Bidder responsibility in connection with the certified MBE subcontractor participation goal or any applicable subgoals.

Further, if the recommended awardee believes a waiver (in whole or in part) of the overall MBE goal or of any applicable subgoal is necessary, the recommended awardee must submit a fully-documented waiver request that complies with COMAR 21.11.03.11.

If the recommended awardee fails to return each completed document within the required time, the Procurement Officer may determine that the recommended awardee is not responsible and, therefore, not eligible for Contract award. If the Contract has already been awarded, the award is voidable.

- 4.26.5 A current directory of certified MBEs is available through the Maryland State Department of Transportation (MDOT), Office of Minority Business Enterprise, 7201 Corporate Center Drive, Hanover, Maryland 21076. The phone numbers are (410) 865-1269, 1-800-544-6056, or TTY (410) 865-1342. The directory is also available on the MDOT website at <http://mbe.mdot.maryland.gov/directory/>. The most current and up-to-date information on MBEs is available via this website. **Only MDOT-certified MBEs may be used to meet the MBE subcontracting goals.**
- 4.26.6 The Bidder that requested a waiver of the goal or any of the applicable subgoals will be responsible for submitting the Good Faith Efforts Documentation to Support Waiver Request

(**Attachment D-1C**) and all documentation within ten (10) Business Days from notification that it is the recommended awardee or from the date of the actual award, whichever is earlier, as required in COMAR 21.11.03.11.

- 4.26.7 All documents, including the MBE Utilization and Fair Solicitation Affidavit & MBE Participation Schedule (**Attachment D-1A**), completed and submitted by the Bidder in connection with its certified MBE participation commitment shall be considered a part of the Contract and are hereby expressly incorporated into the Contract by reference thereto. All of the referenced documents will be considered a part of the Bid for order of precedence purposes (see Contract – **Attachment M, Section 2.1**).
- 4.26.8 The Bidder is advised that liquidated damages will apply in the event the Contractor fails to comply in good faith with the requirements of the MBE program and pertinent Contract provisions. (See Contract – **Attachment M, Liquidated Damages for MBE, section 39**)
- 4.26.9 As set forth in COMAR 21.11.03.12-1(D), when a certified MBE firm participates on a contract as a prime contractor (including a joint-venture where the MBE firm is a partner), a procurement agency may count the distinct, clearly defined portion of the work of the contract that the certified MBE firm performs with its own work force towards fulfilling up to fifty-percent (50%) of the MBE participation goal (overall) and up to one hundred percent (100%) of not more than one of the MBE participation subgoals, if any, established for the contract.

In order to receive credit for self-performance, an MBE prime must list its firm in Section 4A of the MBE Participation Schedule (**Attachment D-1A**) and include information regarding the work it will self-perform. For the remaining portion of the overall goal and the subgoals, the MBE prime must also identify other certified MBE subcontractors [see Section 4B of the MBE Participation Schedule (**Attachment D-1A**)] used to meet those goals. If dually-certified, the MBE prime can be designated as only one of the MBE subgoal classifications but can self-perform up to 100% of the stated subgoal.

As set forth in COMAR 21.11.03.12-1, once the Contract work begins, the work performed by a certified MBE firm, including an MBE prime, can only be counted towards the MBE participation goal(s) if the MBE firm is performing a commercially useful function on the Contract. Refer to MBE forms (**Attachment D**) for additional information.

4.27 VSBE Goal

4.27.1 Purpose

- a) The Contractor shall structure its procedures for the performance of the work required in the Contract to attempt to achieve the VSBE participation goal stated in this solicitation. VSBE performance must be in accordance with this section and **Attachment E**, as authorized by COMAR 21.11.13. The Contractor agrees to exercise all good faith efforts to carry out the requirements set forth in this section and **Attachment E**.
- b) Veteran-Owned Small Business Enterprises must be verified by the Office of Small and Disadvantaged Business Utilization (OSDBU) of the United States Department of Veterans Affairs. The listing of verified VSBEs may be found at <http://www.va.gov/osdbu>.

4.27.2 VSBE Goal

- a) A VSBE participation goal of the total Contract dollar amount has been established for this procurement as identified in the Key Information Summary Sheet.

- b) By submitting a response to this solicitation, the Bidder agrees that this percentage of the total dollar amount of the Contract will be performed by verified veteran-owned small business enterprises.

4.27.3 Solicitation and Contract Formation

- a) In accordance with COMAR 21.11.13.05 C (1), this solicitation requires Bidders to:
 - 1) Identify specific work categories within the scope of the procurement appropriate for subcontracting;
 - 2) Solicit VSBEs before Bids are due, describing the identified work categories and providing instructions on how to bid on the subcontracts;
 - 3) Attempt to make personal contact with the VSBEs solicited and to document these attempts;
 - 4) Assist VSBEs to fulfill, or to seek waiver of, bonding requirements; and
 - 5) Attempt to attend pre-Bid or other meetings the procurement agency schedules to publicize contracting opportunities to VSBEs.

The Bidder must include with its Bid a completed VSBE Utilization Affidavit and Prime/Subcontractor Participation Schedule (**Attachment E-1**) whereby the Bidder:

- 6) Acknowledges it: a) intends to meet the VSBE participation goal; or b) requests a full or partial waiver of the VSBE participation goal. If the Bidder commits to the full VSBE goal or requests a partial waiver, it shall commit to making a good faith effort to achieve the stated goal; and
- 7) Responds to the expected degree of VSBE participation as stated in the solicitation, by identifying the specific commitment of VSBEs at the time of Bid submission. The Bidder shall specify the percentage of contract value associated with each VSBE prime/subcontractor identified on the VSBE Participation Schedule.

A Bidder must properly complete and submit a separate Attachment E-1, VSBE Utilization Affidavit and Prime/Subcontractor Participation Schedule, for EACH Service Category (I and II) for which it is submitting a Bid. If a Bidder is submitting a Bid for each of Service Categories I and II, the Bidder must submit two separate Attachment E-1s, one for each of the two Service Categories.

As set forth in COMAR 21.11.13.05.B(2), when a verified VSBE firm participates on a Contract as a Prime Contractor, a procurement agency may count the distinct, clearly defined portion of the work of the contract that the VSBE Prime Contractor performs with its own work force towards meeting up to one hundred percent (100%) of the VSBE goal.

In order to receive credit for self-performance, a VSBE Prime must list its firm in the VSBE Prime/Subcontractor Participation Schedule (**Attachment E-1**) and include information regarding the work it will self-perform. For any remaining portion of the VSBE goal that is not to be performed by the VSBE Prime, the VSBE Prime must also identify verified VSBE subcontractors used to meet the remainder of the goal.

Within 10 Business Days from notification that it is the apparent awardee, the awardee must provide the following documentation to the Procurement Officer:

- 8) VSBE Project Participation Statement (**Attachment E-2**);

- 9) If the apparent awardee believes a full or partial waiver of the overall VSBE goal is necessary, it must submit a fully-documented waiver request that complies with COMAR 21.11.13.07; and
- 10) Any other documentation required by the Procurement Officer to ascertain Bidder responsibility in connection with the VSBE participation goal.

If the apparent awardee fails to return each completed document within the required time, the Procurement Officer may determine that the apparent awardee is not responsible.

4.28 Living Wage Requirements

- a) Maryland law requires that contractors meeting certain conditions pay a living wage to covered employees on State service contracts over \$100,000. Maryland Code Ann., State Finance and Procurement Article, § 18-101 et al. The Commissioner of Labor and Industry at the Department of Labor, Licensing and Regulation requires that a contractor subject to the Living Wage law submit payroll records for covered employees and a signed statement indicating that it paid a living wage to covered employees; or receive a waiver from Living Wage reporting requirements. See COMAR 21.11.10.05.

If subject to the Living Wage law, Contractor agrees that it will abide by all Living Wage law requirements, including but not limited to reporting requirements in COMAR 21.11.10.05. Contractor understands that failure of Contractor to provide such documents is a material breach of the terms and conditions and may result in Contract termination, disqualification by the State from participating in State contracts, and other sanctions. Information pertaining to reporting obligations may be found by going to the Maryland Department of Labor, Licensing and Regulation (DLLR) website <http://www.dllr.state.md.us/labor/prev/livingwage.shtml>.

Additional information regarding the State's living wage requirement is contained in **Attachment F**. Bidders must complete and submit the Maryland Living Wage Requirements Affidavit of Agreement (**Attachment F-1**) with their Bids. If the Bidder fails to complete and submit the required documentation, the State may determine the Bidder to not be responsible under State law.

Contractors and subcontractors subject to the Living Wage Law shall pay each covered employee at least the minimum amount set by law for the applicable Tier area. The specific living wage rate is determined by whether a majority of services take place in a Tier 1 Area or a Tier 2 Area of the State. The specific Living Wage rate is determined by whether a majority of services take place in a Tier 1 Area or Tier 2 Area of the State.

- 1) The Tier 1 Area includes Montgomery, Prince George's, Howard, Anne Arundel and Baltimore Counties, and Baltimore City. The Tier 2 Area includes any county in the State not included in the Tier 1 Area. In the event that the employees who perform the services are not located in the State, the head of the unit responsible for a State Contract pursuant to §18-102(d) of the State Finance and Procurement Article shall assign the tier based upon where the recipients of the services are located. If the Contractor provides more than 50% of the services from an out-of-State location, the State agency determines the wage tier based on where the majority of the service recipients are located. In this circumstance, the Contract will be determined to be a Tier (enter "1" or "2," depending on where the majority of the service recipients are located) Contract.
- 2) The Contract will be determined to be a Tier 1 Contract or a Tier 2 Contract depending on the location(s) from which the Contractor provides 50% or more of the services. The Bidder must identify in its Bid the location(s) from which services

will be provided, including the location(s) from which 50% or more of the Contract services will be provided.

- 3) If the Contractor provides 50% or more of the services from a location(s) in a Tier 1 jurisdiction(s) the Contract will be a Tier 1 Contract.
- 4) If the Contractor provides 50% or more of the services from a location(s) in a Tier 2 jurisdiction(s), the Contract will be a Tier 2 Contract.

If the Contractor provides more than 50% of the services from an out-of-State location, the State agency determines the wage tier based on where the majority of the service recipients are located. See COMAR 21.11.10.07.

The Bidder shall identify in the Bid the location from which services will be provided.

NOTE: Whereas the Living Wage may change annually, the Contract price will not change because of a Living Wage change. The Contractor shall be responsible for any wage/rate increase during the term of the Contract and such increase may not be passed on to the State.

4.29 Federal Funding Acknowledgement

There are programmatic conditions that apply to the Contract due to federal funding (see **Attachment G**).

- 4.29.1 The total amount of federal funds allocated for the Maryland Department of Health (MDH) is **\$329,188.00** in Maryland State fiscal year 2021. This represents **50%** of all funds budgeted for the unit in that fiscal year. This does not necessarily represent the amount of funding available for any particular grant, contract, or solicitation.
- 4.29.2 The Contract contains federal funds. The source of these federal funds is: **The Medical Assistance Program**. The CFDA number is: **93.778**. 6 Bid Evaluation and Award

6.1 Bid Evaluation Criteria

The Bids will be evaluated based on the Total Bid Price, as per COMAR 21.02.13. All responsible Bidders will be ranked from the lowest (most advantageous) to the highest (least advantageous) price based on the Total Bid Price as submitted on the **Attachment B** - Bid Form.

6.2 Reciprocal Preference

6.2.1 Although Maryland law does not authorize procuring agencies to favor resident Bidders in awarding procurement contracts, many other states do grant their resident businesses preferences over Maryland contractors. COMAR 21.05.01.04 permits procuring agencies to apply a reciprocal preference under the following conditions:

- a) The Maryland resident business is a responsible Bidder;
- b) The lowest responsive Bid is from a responsible Bidder whose principal office, or principal base of operations is in another state;
- c) The other state gives a preference to its resident businesses through law, policy, or practice; and
- d) The preference does not conflict with a federal law or grant affecting the procurement Contract.

6.2.2 The preference given shall be identical to the preference that the other state, through law, policy, or practice gives to its resident businesses.

6.3 Award Determination

Award will be made to the responsible Bidder who submits to the State the responsive Bid that has the lowest Total Bid Price.

6.4 Documents Required upon Notice of Recommendation for Contract Award

Upon receipt of a Notification of Recommendation for Contract award, the apparent awardee shall complete and furnish the documents and attestations as directed in Table 1 of **Section 7 – IFB Attachments and Appendices**.

B. Bid Instructions & Form

B-1 Bid Instructions

In order to assist each Bidder in the preparation of its Bid and to comply with the requirements of this solicitation, Bid Instructions and a Bid Form have been prepared. Each Bidder shall submit its Bid on the Bid Form in accordance with the instructions on the Bid Form and as specified herein. Do not alter the Bid Form or the Bid may be determined to be not responsive. The Bid Form is to be signed and dated, where requested, by an individual who is authorized to bind the Bidder to the prices entered on the Bid Form.

The Bid Form is used to calculate the Bidder's TOTAL BID PRICE. Follow these instructions carefully when completing your Bid Form:

- A) All Unit and Extended Prices must be clearly entered in dollars and cents, e.g., \$24.15. Make your decimal points clear and distinct.
- B) All Unit Prices must be the actual price per unit the State will pay for the specific item or service identified in this IFB and may not be contingent on any other factor or condition in any manner.
- C) All calculations shall be rounded to the nearest cent, e.g., .344 shall be .34 and .345 shall be .35.
- D) Any goods or services required through this IFB and proposed by the vendor at **No Cost to the State** must be clearly entered in the Unit Price, if appropriate, and Extended Price with **\$0.00**.
- E) Every blank in every Bid Form shall be filled in. Any changes or corrections made to the Bid Form by the Bidder prior to submission shall be initialed and dated.
- F) Except as instructed on the Bid Form, nothing shall be entered on or attached to the Bid Form that alters or proposes conditions or contingencies on the prices. Alterations and/or conditions may render the Bid not responsive.
- G) It is imperative that the prices included on the Bid Form have been entered correctly and calculated accurately by the Bidder and that the respective total prices agree with the entries on the Bid Form. Any incorrect entries or inaccurate calculations by the Bidder will be treated as provided in COMAR 21.05.03.03.F, and may cause the Bid to be rejected.
- H) All Bid prices entered below are to be fully loaded prices that include all costs/expenses associated with the provision of services as required by the IFB. The Bid price shall include, but is not limited to, all: labor, profit/overhead, general operating, administrative, and all other expenses and costs necessary to perform the work set forth in the solicitation. No other amounts will be paid to the Contractor. If labor rates are requested, those amounts shall be fully-loaded rates; no overtime amounts will be paid.
- I) Unless indicated elsewhere in the IFB, sample amounts used for calculations on the Bid Form are typically estimates for evaluation purposes only. Unless stated otherwise in the IFB, the Maryland Department of Health does not guarantee a minimum or maximum number of units or usage in the performance of the Contract.
- J) Failure to adhere to any of these instructions may result in the Bid being determined not responsive.

B-1 Bid Form

The Bid Form shall contain all price information in the format specified on these pages. Complete the Bid Form only as provided in the Bid Instructions. Do not amend, alter or leave blank any items on the Bid Form. If option years are included, Bidders must submit pricing for each option year. - D. An audit is defined as a planned and documented independent activity performed by qualified personnel, including but not limited to State and federal auditors, to determine by investigation, examination, or evaluation of objective evidence from data, statements, records, operations and performance practices (financial or otherwise) the Contractor's compliance with the Contract, including but not limited to adequacy and compliance with established procedures and internal controls over the services performed pursuant to the Contract.
- 25.2 Upon three (3) Business Days' notice, the State shall be provided reasonable access to Contractor's records to perform any such audits. The Maryland Department of Health may conduct these audits with any or all of its own internal resources or by securing the services of a third party accounting or audit firm, solely at the Maryland Department of Health's election. The Contractor hereby represents and warrants that:

- a. It is qualified to do business in the State and that it will take such action as, from time to time hereafter, may be necessary to remain so qualified;
- b. It is not in arrears with respect to the payment of any monies due and owing the State, or any department or unit thereof, including but not limited to the payment of taxes and employee benefits, and that it shall not become so in arrears during the Term;
- c. It shall comply with all federal, State and local laws, regulations, and ordinances applicable to its activities and obligations under this Contract; and

- 27.2 The price under this Contract and any change order or modification hereunder, including profit or fee, shall be adjusted to exclude any significant price increases occurring because the Contractor furnished cost or price information which, as of the date of its Bid, was inaccurate, incomplete, or not current.

28. Subcontracting; Assignment

The Contractor may not subcontract any of its obligations under this Contract without obtaining the prior written approval of the Procurement Officer, nor may the Contractor assign this Contract or any of its rights or obligations hereunder, without the prior written approval of the Procurement Officer, each at the State's sole and absolute discretion; provided, however, that a Contractor may assign monies receivable under a contract after written notice to the State. Any subcontracts shall include such language as may be required in various clauses contained within this Contract, exhibits, and attachments. - 29.2 Contractor's indemnification obligations for Third party claims arising under Section 6 ("Indemnification") of this Contract are included in this limitation of liability only if the State is immune from liability. Contractor's indemnification liability for third party claims arising under Section 6 of this Contract shall be unlimited if the State is not immune from liability for claims arising under Section 6.
- 29.3. In no event shall the existence of a subcontract operate to release or reduce the liability of Contractor hereunder. For purposes of this Contract, Contractor agrees that all subcontractors are agents of Contractor and Contractor is responsible for performance of the services and compliance with the relevant obligations hereunder by its subcontractors.

30. Commercial Nondiscrimination

- 30.1 As a condition of entering into this Contract, Contractor represents and warrants that it will comply with the State's Commercial Nondiscrimination Policy, as described under Title 19 of the State Finance and Procurement Article of the Annotated Code of Maryland. As part of such compliance, Contractor may not discriminate on the basis of race, color, religion, ancestry, national origin, sex, age, marital status, sexual orientation, sexual identity, genetic information or an individual's refusal to submit to a genetic test or make available the results of a genetic test or on the basis of disability, or otherwise unlawful forms of discrimination in the solicitation, selection, hiring, or commercial treatment of subcontractors, vendors, suppliers, or commercial customers, nor shall Contractor retaliate against any person for reporting instances of such discrimination. Contractor shall provide equal opportunity for subcontractors, vendors, and suppliers to participate in all of its public sector and private sector subcontracting and supply opportunities, provided that this clause does not

prohibit or limit lawful efforts to remedy the effects of marketplace discrimination that have occurred or are occurring in the marketplace. Contractor understands that a material violation of this clause shall be considered a material breach of this Contract and may result in termination of this Contract, disqualification of Contractor from participating in State contracts, or other sanctions. This clause is not enforceable by or for the benefit of, and creates no obligation to, any third party.

- 30.3 As a condition of entering into this Contract, upon the request of the Commission on Civil Rights, and only after the filing of a complaint against Contractor under Title 19 of the State Finance and Procurement Article of the Annotated Code of Maryland, as amended from time to time, Contractor agrees to provide within 60 days after the request a complete list of the names of all subcontractors, vendors, and suppliers that Contractor has used in the past four (4) years on any of its contracts that were undertaken within the State of Maryland, including the total dollar amount paid by Contractor on each subcontract or supply contract. Contractor further agrees to cooperate in any investigation conducted by the State pursuant to the State Commercial Nondiscrimination Policy as set forth under Title 19 of the State Finance and Procurement Article of the Annotated Code of Maryland, and to provide any documents relevant to any investigation that are requested by the State. Contractor understands that violation of this clause is a material breach of this Contract and may result in Contract termination, disqualification by the State from participating in State contracts, and other sanctions.
- 30.4 The Contractor shall include the language from 30.1, or similar clause approved in writing by the Maryland Department of Health, in all subcontracts.

31. Prompt Pay Requirements

Such “undisputed amounts” include, without limitation: (a) retainage which had been withheld and is, by the terms of the agreement between the Contractor and subcontractor, due to be distributed to the subcontractor; and (b) an amount withheld because of issues arising out of an agreement or occurrence unrelated to the agreement under which the amount is withheld.
- 31.3 An act, failure to act, or decision of a Procurement Officer or a representative of the Maryland Department of Health concerning a withheld payment between the Contractor and a subcontractor under this **section 31**, may not:
- (a) Affect the rights of the contracting parties under any other provision of law;
 - (b) Be used as evidence on the merits of a dispute between the Maryland Department of Health and the Contractor in any other proceeding; or

- (c) Result in liability against or prejudice the rights of the Maryland Department of Health.

31.4 The remedies enumerated above are in addition to those provided under COMAR 21.11.03.13 with respect to subcontractors that have contracted pursuant to the MBE program.

31.5 To ensure compliance with certified MBE subcontract participation goals, the Maryland Department of Health may, consistent with COMAR 21.11.03.13, take the following measures:

- (a) Verify that the certified MBEs listed in the MBE participation schedule actually are performing work and receiving compensation as set forth in the MBE participation schedule. This verification may include, as appropriate:

- i. Inspecting any relevant records of the Contractor;
- ii. Inspecting the jobsite; and
- iii. Interviewing subcontractors and workers.

Verification shall include a review of:

- (b) If the Maryland Department of Health determines that the Contractor is not in compliance with certified MBE participation goals, then the Maryland Department of Health will notify the Contractor in writing of its findings, and will require the Contractor to take appropriate corrective action. Corrective action may include, but is not limited to, requiring the Contractor to compensate the MBE for work performed as set forth in the MBE participation schedule.

- (c) If the Maryland Department of Health determines that the Contractor is in material noncompliance with MBE Contract provisions and refuses or fails to take the corrective action that the Maryland Department of Health requires, then the Maryland Department of Health may:

- i. Terminate the Contract;
- ii. Refer the matter to the Office of the Attorney General for appropriate action; or
- iii. Initiate any other specific remedy identified by the Contract, including the contractual remedies required by any applicable laws, regulations, and directives regarding the payment of undisputed amounts.

- (d) Upon completion of the Contract, but before final payment or release of retainage or both, the Contractor shall submit a final report, in affidavit form under the penalty of perjury, of all payments made to, or withheld from, MBE subcontractors.

32. Living Wage

If a Contractor subject to the Living Wage law fails to submit all records required under COMAR 21.11.10.05 to the Commissioner of Labor and Industry at the Department of Labor, Licensing and Regulation, the Maryland Department of Health may withhold payment of any invoice or retainage.

The State has the right to exercise all rights and elections under the Code and all other applicable bankruptcy, insolvency and similar laws with respect to this Contract (including all executory statement of works). Without limiting the generality of the foregoing, if the Contractor or its estate becomes subject to any bankruptcy or similar proceeding: (a) subject to the State's rights of election, all rights and licenses granted to the State under this Contract shall continue subject to the respective terms and conditions of this Contract; and (b) the State shall be entitled to a complete duplicate of (or complete access to, as appropriate) all such intellectual property and embodiments of intellectual property, and the same, if not already in the State's possession, shall be promptly delivered to the State, unless the Contractor elects to and does in fact continue to perform all of its obligations under this Contract.

- (d) Failure to meet the Contractor's total MBE participation goal and sub goal commitments: the difference between the dollar value of the total MBE participation commitment on the MBE participation schedule and the MBE participation actually achieved.
- (e) Failure to promptly pay all undisputed amounts to an MBE subcontractor in full compliance with the prompt payment provisions of the Contract: \$100.00 per day until the undisputed amount due to the MBE subcontractor is paid.

39.2 Notwithstanding the assessment or availability of liquidated damages, the State reserves the right to terminate the Contract and exercise any and all other rights or remedies which may be available under the Contract or Law.
