If an Offeror that seeks to perform or provide the services required by this RFP is the subsidiary of another entity, all information submitted by the Offeror, including but not limited to references, financial reports, or experience and documentation (e.g. insurance policies, bonds, letters of credit) used to meet minimum qualifications, if any, shall pertain exclusively to the Offeror, unless the parent organization will guarantee the performance of the subsidiary. If applicable, the Offeror shall submit with its Proposal an explicit statement, signed by an authorized representative of the parent organization, stating that the parent organization will guarantee the performance of the subsidiary.

A parental guarantee of the performance of the Offeror under this Section will not automatically result in crediting the Offeror with the experience and/or qualifications of the parent under any evaluation criteria pertaining to the Offeror’s experience and qualifications. Instead, the Offeror will be evaluated on the extent to which the State determines that the experience and qualification of the parent are transferred to and shared with the Offeror, the parent is directly involved in the performance of the Contract, and the value of the parent’s participation as determined by the State.

### 1.23 Substitution of Personnel

#### A. Continuous Performance of Key Personnel

Unless substitution is approved per paragraphs B-D of this section, Key Personnel shall be the same personnel proposed in the Contractor’s Technical Proposal, which will be incorporated into the Contract by reference. Such identified Key Personnel shall perform continuously for the duration of the Contract, or such lesser duration as specified in the Technical Proposal. Key Personnel may not be removed by the Contractor from working under this Contract, as described in the RFP or the Contractor’s Technical Proposal, without the prior written approval of the Contract Monitor.

If the Contract is task order based, the provisions of this section apply to Key Personnel identified in each task order proposal and agreement.

#### B. Definitions

For the purposes of this section, the following definitions apply:

**Extraordinary Personal Circumstance** – means any circumstance in an individual’s personal life that reasonably requires immediate and continuous attention for more than fifteen (15) days and that precludes the individual from performing his/her job duties under this Contract. Examples of such circumstances may include, but are not limited to: a sudden leave of absence to care for a family member who is injured, sick, or incapacitated; the death of a family member, including the need to attend to the estate or other affairs of the
deceased or his/her dependents; substantial damage to, or destruction of, the individual’s home that causes a major disruption in the individual’s normal living circumstances; criminal or civil proceedings against the individual or a family member; jury duty; and military service call-up.

**Incapacitating** – means any health circumstance that substantially impairs the ability of an individual to perform the job duties described for that individual’s position in the RFP or the Contractor’s Technical Proposal.

**Sudden** – means when the Contractor has less than thirty (30) days’ prior notice of a circumstance beyond its control that will require the replacement of any Key Personnel working under the Contract.

C. Key Personnel General Substitution Provisions

The following provisions apply to all of the circumstances of staff substitution described in paragraph D of this section.

1. The Contractor shall demonstrate to the Contract Monitor’s satisfaction that the proposed substitute Key Personnel have qualifications at least equal to those of the Key Personnel for whom the replacement is requested.

2. The Contractor shall provide the Contract Monitor with a substitution request that shall include:
   - A detailed explanation of the reason(s) for the substitution request;
   - The resume of the proposed substitute personnel, signed by the substituting individual and his/her formal supervisor;
   - The official resume of the current personnel for comparison purposes; and
   - Any evidence of any required credentials.

3. The Contract Monitor may request additional information concerning the proposed substitution. In addition, the Contract Monitor and/or other appropriate State personnel involved with the Contract may interview the proposed substitute personnel prior to deciding whether to approve the substitution request.

4. The Contract Monitor will notify the Contractor in writing of: (i) the acceptance or denial, or (ii) contingent or temporary approval for a specified time limit, of the requested substitution. The Contract Monitor will not unreasonably withhold approval of a requested Key Personnel replacement.

D. Replacement Circumstances

1. Voluntary Key Personnel Replacement

   To voluntarily replace any Key Personnel, the Contractor shall submit a substitution request as described in paragraph C of this section to the Contract Monitor at least fifteen (15) days prior to the intended date of change. Except in a circumstance described in paragraph D.2 of this clause, a substitution may not occur unless and until the Contract Monitor approves the substitution in writing.

2. Key Personnel Replacement Due to Vacancy

   The Contractor shall replace Key Personnel whenever a vacancy occurs due to the sudden termination, resignation, leave of absence due to an Extraordinary Personal Circumstance, Incapacitating injury, illness or physical condition, or death of such personnel. (A termination or resignation with thirty (30) days or more advance notice shall be treated as a Voluntary Key Personnel Replacement as per Section D.1 of this section.).
Under any of the circumstances set forth in this paragraph D.2, the Contractor shall identify a suitable replacement and provide the same information or items required under paragraph C of this section within fifteen (15) days of the actual vacancy occurrence or from when the Contractor first knew or should have known that the vacancy would be occurring, whichever is earlier.

3. Key Personnel Replacement Due to an Indeterminate Absence

If any Key Personnel has been absent from his/her job for a period of ten (10) days due to injury, illness, or other physical condition, leave of absence under a family medical leave, or an Extraordinary Personal Circumstance and it is not known or reasonably anticipated that the individual will be returning to work within the next twenty (20) days to fully resume all job duties, before the 25th day of continuous absence, the Contractor shall identify a suitable replacement and provide the same information or items to the Contract Monitor as required under paragraph C of this section.

However, if this person is available to return to work and fully perform all job duties before a replacement has been authorized by the Contract Monitor, at the option and sole discretion of the Contract Monitor, the original personnel may continue to work under the Contract, or the replacement personnel will be authorized to replace the original personnel, notwithstanding the original personnel’s ability to return.

4. Directed Personnel Replacement

a. The Contract Monitor may direct the Contractor to replace any personnel who are perceived as being unqualified, non-productive, unable to fully perform the job duties due to full or partial Incapacity or Extraordinary Personal Circumstance, disruptive, or known, or reasonably believed, to have committed a major infraction(s) of law, agency, or Contract requirements. Normally, a directed personnel replacement will occur only after prior notification of problems with requested remediation, as described in paragraph 4.b. If after such remediation the Contract Monitor determines that the personnel performance has not improved to the level necessary to continue under the Contract, if at all possible at least fifteen (15) days notification of a directed replacement will be provided. However, if the Contract Monitor deems it necessary and in the State’s best interests to remove the personnel with less than fifteen (15) days’ notice, the Contract Monitor can direct the removal in a timeframe of less than fifteen (15) days, including immediate removal.

In circumstances of directed removal, the Contractor shall, in accordance with paragraph C of this section, provide a suitable replacement for approval within fifteen (15) days of the notification of the need for removal, or the actual removal, whichever occurs first.

b. If deemed appropriate in the discretion of the Contract Monitor, the Contract Monitor shall give written notice of any personnel performance issues to the Contractor, describing the problem and delineating the remediation requirement(s). The Contractor shall provide a written Remediation Plan within ten (10) days of the date of the notice and shall implement the Remediation Plan immediately upon written acceptance by the Contract Monitor. If the Contract Monitor rejects the Remediation Plan, the Contractor shall revise and resubmit the plan to the Contract Monitor within five (5) days, or in the timeframe set forth by the Contract Monitor in writing.

c. Should performance issues persist despite the approved Remediation Plan, the Contract Monitor will give written notice of the continuing performance issues and either request a new Remediation Plan within a specified time limit or direct the substitution of personnel whose performance is at issue with a qualified substitute, including requiring the immediate removal of the Key Personnel at issue.
Replacement or substitution of personnel under this section shall be in addition to, and not in lieu of, the State’s remedies under the Contract or which otherwise may be available at law or in equity.

1.24 Mandatory Contractual Terms

By submitting a Proposal in response to this RFP, an Offeror, if selected for award, shall be deemed to have accepted the terms and conditions of this RFP and the Contract, attached herein as Attachment A. Any exceptions to this RFP or the Contract shall be clearly identified in the Executive Summary of the Technical Proposal. **A Proposal that takes exception to these terms may be rejected (see RFP Section 4.4.2.4).**

1.25 Bid/Proposal Affidavit

A Proposal submitted by an Offeror must be accompanied by a completed Bid/Proposal Affidavit. A copy of this Affidavit is included as Attachment B of this RFP.

1.26 Contract Affidavit

All Offerors are advised that if a Contract is awarded as a result of this solicitation, the successful Offeror will be required to complete a Contract Affidavit. A copy of this Affidavit is included as Attachment C of this RFP. This Affidavit must be provided within five (5) Business Days of notification of proposed Contract award. This Contract Affidavit is also required to be submitted by the Contractor with any Contract renewal, including the exercise of any options or modifications that may extend the Contract term. For purposes of completing Section “B” of this Affidavit (Certification of Registration or Qualification with the State Department of Assessments and Taxation), note that a business entity that is organized outside of the State of Maryland is considered a “foreign” business.

1.27 Compliance with Laws/Arrearages

By submitting a Proposal in response to this RFP, the Offeror, if selected for award, agrees that it will comply with all Federal, State, and local laws applicable to its activities and obligations under the Contract.

By submitting a response to this solicitation, each Offeror represents that it is not in arrears in the payment of any obligations due and owing the State, including the payment of taxes and employee benefits, and that it shall not become so in arrears during the term of the Contract if selected for Contract award.

1.28 Verification of Registration and Tax Payment

Before a business entity can do business in the State it must be registered with the State Department of Assessments and Taxation (SDAT). SDAT is located at State Office Building, Room 803, 301 West Preston Street, Baltimore, Maryland 21201. The SDAT website is [http://sdatcert3.resiusa.org/ucc-charter/](http://sdatcert3.resiusa.org/ucc-charter/).

It is strongly recommended that any potential Offeror complete registration prior to the due date for receipt of Proposals. An Offeror’s failure to complete registration with SDAT may disqualify an otherwise successful Offeror from final consideration and recommendation for Contract award.
1.29 False Statements

Offerors are advised that Md. Code Ann., State Finance and Procurement Article, § 11-205.1 provides as follows:

1.29.1 In connection with a procurement contract a person may not willfully:

(a) Falsify, conceal, or suppress a material fact by any scheme or device;
(b) Make a false or fraudulent statement or representation of a material fact; or
(c) Use a false writing or document that contains a false or fraudulent statement or entry of a material fact.

1.29.2 A person may not aid or conspire with another person to commit an act under subsection (1) of this section.

1.29.3 A person who violates any provision of this section is guilty of a felony and on conviction is subject to a fine not exceeding $20,000 or imprisonment not exceeding five years or both.

1.30 Payments by Electronic Funds Transfer

By submitting a response to this solicitation, the Bidder/Offeror agrees to accept payments by electronic funds transfer (EFT) unless the State Comptroller’s Office grants an exemption. Payment by EFT is mandatory for contracts exceeding $200,000. The selected Bidder/Offeror shall register using the COT/GAD X-10 Vendor Electronic Funds (EFT) Registration Request Form. Any request for exemption must be submitted to the State Comptroller’s Office for approval at the address specified on the COT/GAD X-10 form, must include the business identification information as stated on the form, and must include the reason for the exemption. The COT/GAD X-10 form may be downloaded from the Comptroller’s website at: http://comptroller.marylandtaxes.com/Government_Services/State_Accounting_Information/Static_Files/APM/gadx-10.pdf

1.31 Prompt Payment Policy

This procurement and the Contract(s) to be awarded pursuant to this solicitation are subject to the Prompt Payment Policy Directive issued by the Governor’s Office of Minority Affairs (GOMA) and dated August 1, 2008. Promulgated pursuant to Md. Code Ann., State Finance and Procurement Article, §§ 11-201, 13-205(a), and Title 14, Subtitle 3, and COMAR 21.01.01.03 and 21.11.03.01, the Directive seeks to ensure the prompt payment of all subcontractors on non-construction procurement contracts. The Contractor shall comply with the prompt payment requirements outlined in the Contract “Prompt Payment” clause (see Attachment A). Additional information is available on GOMA’s website at: http://goma.maryland.gov/Documents/Legislation/PromptPaymentFAQs.pdf

1.33.3 A Bidder/Offeror shall include with its Bid/Proposal a completed MBE Utilization and Fair Solicitation Affidavit (Attachment D-1A) whereby:

(a) The Bidder/Offeror acknowledges the certified MBE participation goal and commits to make a good faith effort to achieve the goal and any applicable subgoals, or requests a waiver, and affirms that MBE subcontractors were treated fairly in the solicitation process; and

(b) The Bidder/Offeror responds to the expected degree of MBE participation, as stated in the solicitation, by identifying the specific commitment of certified MBEs at the time of Bid/Proposal submission. The Bidder/Offeror shall specify the percentage of total contract value associated with each MBE subcontractor identified on the MBE participation schedule, including any work performed by the MBE Prime (including a Prime participating as a joint venture) to be counted towards meeting the MBE participation goals.

(c) A Bidder/Offeror requesting a waiver should review Attachment D-1B (Waiver Guidance) and D-1C (Good Faith Efforts Documentation to Support Waiver Request) prior to submitting its request.

If a Bidder/Offeror fails to submit a completed Attachment D-1A with the Bid/Proposal as required, the Procurement Officer shall determine that the Bid is non-responsive or the Proposal is not reasonably susceptible of being selected for award.

1.33.4 Bidders/Offerors are responsible for verifying that each MBE (including any MBE Prime and/or MBE Prime participating in a joint venture) selected to meet the goal and any subgoals and subsequently identified in Attachment D-1A is appropriately certified and has the correct NAICS codes allowing it to perform the committed work.
1.33.5 Within ten (10) Business Days from notification that it is the recommended awardee or from the date of the actual award, whichever is earlier, the Bidder/Offeror must provide the following documentation to the Procurement Officer.

(a) Outreach Efforts Compliance Statement (Attachment D-2).

(b) MBE Subcontractor/Prime Project Participation Certification (Attachment D-3A/3B).

(c) If the recommended awardee believes a waiver (in whole or in part) of the overall MBE goal or of any applicable subgoal is necessary, the recommended awardee must submit a fully-documented waiver request that complies with COMAR 21.11.03.11.

(d) Any other documentation required by the Procurement Officer to ascertain Bidder/Offeror responsibility in connection with the certified MBE subcontractor participation goal or any applicable subgoals.

If the recommended awardee fails to return each completed document within the required time, the Procurement Officer may determine that the recommended awardee is not responsible and, therefore, not eligible for Contract award. If the Contract has already been awarded, the award is voidable.

1.33.6 A current directory of certified MBEs is available through the Maryland State Department of Transportation (MDOT), Office of Minority Business Enterprise, 7201 Corporate Center Drive, Hanover, Maryland 21076. The phone numbers are (410) 865-1269, 1-800-544-6056, or TTY (410) 865-1342. The directory is also available on the MDOT website at http://mbe.mdot.state.md.us/directory/. The most current and up-to-date information on MBEs is available via this website. Only MDOT-certified MBEs may be used to meet the MBE subcontracting goals.

1.33.7 The Contractor, once awarded a Contract, will be responsible for submitting or requiring its subcontractor(s) to submit the following forms to provide the State with ongoing monitoring of MBE Participation:

(a) Attachment D-4A (Prime Contractor Paid/Unpaid MBE Invoice Report).

(b) Attachment D-4B (MBE Prime Contractor Report, if applicable)

(c) Attachment D-5 (MBE Subcontractor/Contractor Unpaid MBE Invoice Report).

1.33.8 A Bidder/Offeror that requested a waiver of the goal or any of the applicable subgoals will be responsible for submitting the Good Faith Efforts Documentation to Support Waiver Request (Attachment D-1C) and all documentation within ten (10) Business Days from notification that it is the recommended awardee or from the date of the actual award, whichever is earlier, as required in COMAR 21.11.03.11.

1.33.9 All documents, including the MBE Utilization and Fair Solicitation Affidavit & MBE Participation Schedule (Attachment D-1A), completed and submitted by the Bidder/Offeror in connection with its certified MBE participation commitment shall be considered a part of the resulting Contract and are hereby expressly incorporated into the Contract by reference thereto. All of the referenced documents will be considered a part of the Bid/Proposal for order of precedence purposes (see Contract – Attachment A, Section 2.1).

1.33.10 The Bidder/Offeror is advised that liquidated damages will apply in the event the Contractor fails to comply in good faith with the requirements of the MBE program and pertinent Contract provisions. (See Contract – Attachment A, “Liquidated Damages” clause).

1.33.11 As set forth in COMAR 21.11.03.12-1(D), when a certified MBE firm participates on a Contract as a Prime Contractor (including a joint-venture where the MBE firm is a partner), a procurement agency may count the distinct, clearly defined portion of the work of the contract that the certified MBE firm performs with its own work force towards fulfilling up to fifty-percent (50%) of the MBE participation goal (overall) and up to one
hundred percent (100%) of not more than one of the MBE participation sub-goals, if any, established for the contract.

In order to receive credit for self-performance, an MBE Prime must list its firm in Section 4A of the MBE Participation Schedule (Attachment D-1A) and include information regarding the work it will self-perform. For the remaining portion of the overall goal and the sub-goals, the MBE Prime must also identify certified MBE subcontractors (see Section 4B of the MBE Participation Schedule (Attachment D-1A) used to meet those goals. If dually-certified, the MBE Prime can be designated as only one of the MBE sub-goal classifications but can self-perform up to 100% of the stated sub-goal.

As set forth in COMAR 21.11.03.12-1, once the Contract work begins, the work performed by a certified MBE firm, including an MBE Prime, can only be counted towards the MBE participation goal(s) if the MBE firm is performing a commercially useful function on the Contract.

1.33.12 With respect to Contract administration, the Contractor shall:

(a) Submit to the Department’s designated representative by the 10th of the month following the reporting period:
   i. A Prime Contractor Paid/Unpaid MBE Invoice Report (Attachment D-4A) listing any unpaid invoices, over 45 days old, received from any certified MBE subcontractor, the amount of each invoice and the reason payment has not been made; and
   ii. (If Applicable) An MBE Prime Contractor Report (Attachment D-4B) identifying an MBE Prime’s self-performing work to be counted towards the MBE participation goals.

(b) Include in its agreements with its certified MBE subcontractors a requirement that those subcontractors submit to the Department’s designated representative by the 10th of the month following the reporting period an MBE Subcontractor Paid/Unpaid Invoice Report (Attachment D-5) that identifies the Contract and lists all payments to the MBE subcontractor received from the Contractor in the preceding reporting period month, as well as any outstanding invoices, and the amounts of those invoices.

(c) Maintain such records as are necessary to confirm compliance with its MBE participation obligations. These records must indicate the identity of certified minority and non-minority subcontractors employed on the Contract, the type of work performed by each, and the actual dollar value of work performed. Subcontract agreements documenting the work performed by all MBE participants must be retained by the Contractor and furnished to the Procurement Officer on request.

(d) Consent to provide such documentation as reasonably requested and to provide right-of-entry at reasonable times for purposes of the State’s representatives verifying compliance with the MBE participation obligations. Contractor must retain all records concerning MBE participation and make them available for State inspection for three years after final completion of the Contract.

(e) Upon completion of the Contract and before final payment and/or release of retainage, submit a final report in affidavit form and under penalty of perjury, of all payments made to, or withheld from MBE subcontractors.

1.34 Living Wage Requirements

Maryland law requires that Contractors meeting certain conditions pay a living wage to covered employees on State service contracts over $100,000. Maryland Code, State Finance and Procurement, § 18-101 et al. The Commissioner of Labor and Industry at the Department of Labor, Licensing and Regulation requires that a Contractor subject to the
Living Wage law submit payroll records for covered employees and a signed statement indicating that it paid a living wage to covered employees; or receive a waiver from Living Wage reporting requirements. See COMAR 21.11.10.05.

If subject to the Living Wage law, Contractor agrees that it will abide by all Living Wage law requirements, including but not limited to reporting requirements in COMAR 21.11.10.05. Contractor understands that failure of Contractor to provide such documents is a material breach of the terms and conditions and may result in Contract termination, disqualification by the State from participating in State contracts, and other sanctions. See the “Living Wage” clause in the Contract (Attachment A).

Additional information regarding the State’s living wage requirement is contained in Attachment G. Bidders/Offerors must complete and submit the Maryland Living Wage Requirements Affidavit of Agreement (Attachment G-1) with their Bid/Proposal. If a Bidder/Offeror fails to complete and submit the required documentation, the State may determine a Bidder/Offeror to be not responsible under State law.

Contractors and subcontractors subject to the Living Wage Law shall pay each covered employee at least the minimum amount set by law for the applicable Tier area. The specific living wage rate is determined by whether a majority of services take place in a Tier 1 Area or Tier 2 Area of the State. The Tier 1 Area includes Montgomery, Prince George’s, Howard, Anne Arundel and Baltimore Counties, and Baltimore City. The Tier 2 Area includes any county in the State not included in the Tier 1 Area. In the event that the employees who perform the services are not located in the State, the head of the unit responsible for a State Contract pursuant to §18-102(d) of the State Finance and Procurement Article shall assign the tier based upon where the recipients of the services are located.

The Contract resulting from this solicitation will be determined to be a Tier 1 Contract or a Tier 2 Contract depending on the location(s) from which the Contractor provides 50% or more of the services. The Bidder/Offeror must identify in its Bid/Proposal the location(s) from which services will be provided, including the location(s) from which 50% or more of the Contract services will be provided.

- If the Contractor provides 50% or more of the services from a location(s) in a Tier 1 jurisdiction(s) the Contract will be a Tier 1 Contract.
- If the Contractor provides 50% or more of the services from a location(s) in a Tier 2 jurisdiction(s), the Contract will be a Tier 2 Contract.
- If the Contractor provides more than 50% of the services from an out-of-State location, the State agency determines the wage tier based on where the majority of the service recipients are located. In this circumstance, this Contract will be determined to be a Tier 1 Contract.

Information pertaining to reporting obligations may be found by going to the Maryland Department of Labor, Licensing and Regulation (DLLR) website http://www.dllr.state.md.us/labor/prev/livingwage.shtml.

NOTE: Whereas the Living Wage may change annually, the Contract price may not be changed because of a Living Wage change.

SECTION 3 – SCOPE OF WORK

3.1 Background and Purpose

3.1.1 The Department of Health and Mental Hygiene, Developmental Disabilities Administration (DDA) is seeking a Contractor to conduct level-of-need assessments which will be used to determine an appropriate level of individual reimbursement to people who utilize services funded by the DDA on a State-wide basis. This includes:

3.1.1.1 Completing an Individual Indicator Rating Scale (IIRS) level-of-need assessment for all people who are newly entering services covered under the Fee Payment System (FPS) and, on a limited basis, for individuals switching services if they do not have an existing IIRS assessment or whose condition has changed (DDA approval required); and

3.1.1.2 Conducting a Supports Intensity Scale (SIS) interview along with the level-of-need assessment for all people who are newly entering services and a portion of the population that is already in DDA services.

3.1.2 The purpose of this Contract is to ensure that people who are entering and receiving DDA services have objective and un-biased assessments for their levels of need so that the DDA can determine the proper services and/or rates of payments to the service providers.

3.1.3 DDA provides a coordinated service delivery system so that individuals with developmental disabilities receive appropriate services oriented toward the goal of integration into the community. These services are provided through a wide array of community-based services delivered primarily through a network of non-profit providers, as well as state residential centers that provide services to individuals with intellectual disability. DDA’s mission is to partner with people with developmental disabilities to provide them leadership and resources to live fulfilling lives. To learn more about DDA services, please refer to the Code of Maryland Regulations, COMAR 10.09.26 and 10.22.

3.1.4 DDA services are administered through four Regional Offices:

3.1.4.1 Central Maryland Regional Office (CMRO), 1401 Severn Street, Baltimore, MD 21230, which serves: Anne Arundel County, Baltimore City, Baltimore County, Harford County, and Howard County;

3.1.4.2 Eastern Shore Regional Office (ESRO), 1500 Riverside Drive, Salisbury, MD 21801, which serves: Caroline County, Cecil County, Dorchester County, Kent County, Queen Anne's County, Somerset County, Talbot County, Wicomico County, and Worcester County;

3.1.4.3 Southern Maryland Regional Office (SMRO), 312 Marshall Ave., Ste. 700, Laurel, MD 20707, which serves: Calvert County, Charles County, Montgomery County, Prince George's County, and St. Mary's County; and

3.1.4.4 Western Maryland Regional Office (WMRO), 1360 Marshall Street, Hagerstown, MD 21740, which serves Allegany County, Carroll County, Frederick County, Garrett County, and Washington County.

3.1.5 The DDA provides various services to eligible people with developmental disabilities in Maryland. Services funded by the Fee Payment System (FPS) include: residential, day, supported employment,
community learning, and employment discovery and customization services. These services require that the eligible person has an IIRS level-of-need assessment, which is used to determine an appropriate level of individual reimbursement. To review the regulatory basis for the FPS please see COMAR 10.22.17.

3.1.6 All individuals receiving DDA services will eventually need to have an active SIS evaluation which will serve as an input to the person centered planning process. Once all individuals in DDA services have been assessed, these assessments will be refreshed every 5 to 7 years or as conditions for the individual change.

3.1.7 Once a new rate system is developed for residential, day, supported employment, community learning, and employment discovery and customization services, and individuals are transferred from the existing rate system, the need for IIRS evaluations will be eliminated.

3.1.8 The Contractor reviewer is responsible for completing the level of need assessments for individuals who have been deemed eligible for services and for whom funding has been identified. This allows the DDA to obtain an objective assessment in determining the individual’s services need and/or reimbursement level

### 3.2 Scope of Work - Requirements

3.2.1 The Contractor, as a third-party reviewer, shall upon receipt of authorization and documentation from the Contract Monitor, be responsible for completing level of need assessments for individuals who have been deemed eligible for services and for whom funding has been identified. The Contractor's work product will allow the DDA to establish an objective assessment in determining the individual’s service level.

3.2.2 The Contractor shall administer either the Individual Indicator Rating Scale (IIRS) and/or the Supports Intensity Scale (SIS) based on the direction of the Contract Monitor. The Contractor shall purchase SIS training and additional tools (as needed) from the American Association on Intellectual and Developmental Disabilities (AAIDD). The Administration shall purchase the license from AAIDD to gain access to the SIS Online and SIS materials.

3.2.3 The Contractor shall administer a level of need assessment (LON) in person for people who are newly entering or receiving FPS services through the DDA. The DDA anticipates the need for the annual completion of:

3.2.3.1 Approximately 700 level-of-need assessments. The Contractor shall complete each assessment within 10 Business Days of its referral to the Contractor;

3.2.3.2 Approximately 100 emergency level-of-need assessments to be completed within (2) Business Days after notification is received from the DDA Regional Office and/or Head Quarters for each referral; and

3.2.3.3 The above numbers in 3.2.3.i and 3.2.3.ii are estimated based on the past few years’ history under the current contract and based on the projected number of people anticipated to begin services in the 2017 fiscal year. The DDA does not guarantee any minimum or maximum number of referrals for level-of-need assessments.

3.2.4 The Contractor shall conduct interviews using Supports Intensity Scale (SIS) in person. The DDA
anticipates the need for the following annually:

3.2.4.1 Approximately 3,000 SIS interviews. SIS Interviews are to be completed within 10 Business Days of receiving each SIS referral from the DDA and will be completed for each person receiving the IIRS;

3.2.4.2 The number of SIS interviews in 3.2.4.1 is an estimate based on the estimated number of people anticipated to begin services in 2016 and the goal of assessing the entire DDA population over the next few years. The DDA does not guarantee any minimum or maximum number of referrals for SIS interviews; and

3.2.4.3 The Contractor shall achieve a 10% of total interrater-reviewer reliability checks on the SIS interview scores with the AAIDD. See: https://aaidd.org/sis/training/articles/reliability#.VquOb_krLbg.

3.2.5 The Contractor shall receive the user rights from DDA to use the SIS-online database in order to meet the reporting requirements of the Contract.

3.2.6 The Contractor shall use the SIS-online database, a web-based system for entering data, tracking data and developing requested reports to be submitted to the Contract Monitor and Regional Offices, as requested by the DDA.

3.2.7 The Contractor must provide assessors who are trained by the AAIDD and certified by the AAIDD to conduct the assessments.

3.2.8 The Contractor shall implement quarterly, on-the-job competency evaluations of its assessors’ performance, partly based on consumer satisfaction survey result, Regional Office feedback on assessments, audits, and monthly reports, and partly based on meeting the assessment submission deadlines above. The Consumer Satisfaction Interview form in use can be found as Attachment P and can be used to measure levels of consumer satisfaction achieved by each Contractor employee.

3.2.9 The Contractor shall review and comply with licensing, training, finances, and policy requirements that are related to the RFP requirements. This includes but is not limited to classifying data elements and controlling access to those elements based on the classification and the user’s access or security level.

(i) Apply data encryption to protect State data, especially Sensitive Data, from improper disclosure or alteration. Data encryption should be applied to State data in transit over networks and, where possible, State data at rest within the system, as well as to State data when archived for backup purposes. Encryption algorithms which are utilized for this purpose must comply with current Federal Information Processing Standards (FIPS), “Security Requirements for Cryptographic Modules”, FIPS PUB 140-2.

http://doit.maryland.gov/support/Pages/SecurityPolicies.aspx

(k) Retain the aforementioned logs and review them at least daily to identify suspicious or questionable activity for investigation and documentation as to their cause and perform remediation, if required. The Department shall have the right to inspect these policies and procedures and the Contractor or subcontractor’s performance to confirm the effectiveness of these measures for the services being provided under this Contract.

- Name and address of the Offeror, and
- Closing date and time for receipt of Proposals

To the Procurement Officer (see Section 1.5 “Procurement Officer”) prior to the date and time for receipt of Proposals (see Section 1.11 “Proposals Due (Closing) Date and Time”).

4.2.2 An electronic version (on Compact Disk/CD, Digital Versatile Disc/DVD, or Universal Serial Bus/USB Flash/Thumb Drive) of Volume I - Technical Proposal in Microsoft Word format must be enclosed with the original Volume I - Technical Proposal submission. An electronic version (on CD, DVD, or USB Flash Drive) of Volume II - Financial Proposal in Microsoft Word or Microsoft Excel format must be enclosed with the original Volume II - Financial Proposal submission. Each CD/DVD/USB Flash Drive must be labeled on the outside with the RFP title and number, name of the Offeror, and volume number. Each CD/DVD/USB Flash Drive must be packaged with the original copy of the appropriate Proposal (Technical or Financial).

4.2.3 A second electronic version of Volume I and Volume II in searchable Adobe .pdf format shall be submitted on CD, DVD, or USB Flash Drive for Public Information Act (PIA) requests. This copy shall be redacted so that confidential and/or proprietary information has been removed (see Section 1.14 “Public Information Act Notice”).

4.2.4 Beginning with Tab B (see RFP Section 4.4.2.3), all pages of both Proposal volumes shall be consecutively-numbered from beginning (Page 1) to end (Page “x”). The Title Page, Table of Contents, and any Claim of Confidentiality (Tabs A and A-1; see RFP Sections 4.4.2.1 and 4.4.2.2), should be numbered using small Roman numerals (ex. i, ii, iii, iv, v, etc).

4.2.5 Proposals and any modifications to Proposals will be shown only to State employees, members of the Evaluation Committee, or other persons deemed by the Department to have a legitimate interest in them.
4.3 Delivery

Offerors may either mail or hand-deliver Proposals.

4.3.1 For U.S. Postal Service deliveries, any Proposal that has been received at the appropriate mailroom, or typical place of mail receipt, for the respective procuring unit by the time and date listed in the RFP will be deemed to be timely. If an Offeror chooses to use the U.S. Postal Service for delivery, the Department recommends that it use Express Mail, Priority Mail, or Certified Mail only as these are the only forms for which both the date and time of receipt can be verified by the Department. It could take several days for an item sent by first class mail to make its way by normal internal mail to the procuring unit and an Offeror using first class mail will not be able to prove a timely delivery at the mailroom.

4.3.2 Hand-delivery includes delivery by commercial carrier acting as agent for the Offeror. For any type of direct (non-mail) delivery, an Offeror is advised to secure a dated, signed, and time-stamped (or otherwise indicated) receipt of delivery.

4.3.3 After receipt, a Register of Proposals will be prepared that identifies each Offeror. The Register of Proposals will be open to inspection only after the Procurement Officer makes a determination recommending the award of the Contract.

4.4 Volume I – Technical Proposal

Note: No pricing information is to be included in the Technical Proposal (Volume I). Pricing information is to be included only in the Financial Proposal (Volume II).

4.4.1 Format of Technical Proposal

Inside a sealed package described in Section 4.2 “Proposals,” the unbound original, four (4) copies, and the electronic version shall be provided. The RFP sections are numbered for ease of reference. Section 4.4.2 sets forth the order of information to be provided in the Technical Proposal, e.g., Section 4.4.2.1 “Title and Table of Contents,” Section 4.4.2.2 “Claim of Confidentiality,” Section 4.4.2.3 “Transmittal Letter,” Section 4.4.2.4 “Executive Summary,” etc. In addition to the instructions below, responses in the Offeror’s Technical Proposal should reference the organization and numbering of Sections in the RFP (ex. “Section 3.2.1 Response . . .; “Section 3.2.2 Response . . .,” etc.). This Proposal organization will allow State officials and the Evaluation Committee (see RFP Section 5.1) to “map” Offeror responses directly to RFP requirements by Section number and will aid in the evaluation process.

4.4.2 The Technical Proposal shall include the following documents and information in the order specified as follows. Each section of the Technical Proposal shall be separated by a TAB as detailed below:

4.4.2.1 Title Page and Table of Contents (Submit under TAB A)

The Technical Proposal should begin with a Title Page bearing the name and address of the Offeror and the name and number of this RFP. A Table of Contents shall follow the Title Page for the Technical Proposal, organized by section, subsection, and page number.

4.4.2.2 Claim of Confidentiality (If applicable, submit under TAB A-1)

Any information which is claimed to be confidential is to be noted by reference and included after the Title Page and before the Table of Contents, and if applicable, also in the Offeror’s Financial...
Proposal. An explanation for each claim of confidentiality shall be included (see Section 1.14 “Public Information Act Notice”). The entire Proposal should not be given a blanket confidentiality designation. Any confidentiality designation must apply to specific sections, pages, or portions of pages of the Proposal.

4.4.2.3 Transmittal Letter (Submit under TAB B)

A Transmittal Letter shall accompany the Technical Proposal. The purpose of this letter is to transmit the Proposal and acknowledge the receipt of any addenda. The Transmittal Letter should be brief and signed by an individual who is authorized to commit the Offeror to the services and requirements as stated in this RFP. The Transmittal Letter should include the following:

- Name and address of the Offeror;
- Name, title, e-mail address, and telephone number of primary contact for the Offeror;
- Solicitation Title and Solicitation Number that the Proposal is in response to;
- Signature, typed name, and title of an individual authorized to commit the Offeror to its Proposal;
- Federal Employer Identification Number (FEIN) of the Offeror, or if a single individual, that individual’s Social Security Number (SSN);
- Offeror’s eMM number;
- Offeror’s MBE certification number (if applicable);
- Acceptance of all State RFP and Contract terms and conditions (see Section 1.24); if any exceptions are taken, they are to be noted in the Executive Summary (see Section 4.4.2.4); and
- Acknowledgement of all addenda to this RFP.

4.4.2.4 Executive Summary (Submit under TAB C)

The Offeror shall condense and highlight the contents of the Technical Proposal in a separate section titled “Executive Summary.” The Summary shall identify the Service Category(ies) and Region(s) for which the Offeror is proposing to provide services (if applicable). In addition, the Summary shall indicate whether the Offeror is the subsidiary of another entity, and if so, whether all information submitted by the Offeror pertains exclusively to the Offeror. If not, the subsidiary Offeror shall include a guarantee of performance from its parent organization as part of its Executive Summary (see RFP Section 1.22 for more information).

The Summary shall also identify any exceptions the Offeror has taken to the requirements of this RFP, the Contract (Attachment A), or any other attachments. Exceptions to terms and conditions may result in having the Proposal deemed unacceptable or classified as not reasonably susceptible of being selected for award.

If the Offeror has taken no exceptions to the requirements of this RFP, the Contract (Attachment A), or any other attachments, the Executive Summary shall so state.

4.4.2.5 Minimum Qualifications Documentation (If applicable, Submit under TAB D)

The Offeror shall submit any Minimum Qualifications documentation that may be required, as set forth in Section 2 “Offeror Minimum Qualifications.”

4.4.2.6 Offeror Technical Response to RFP Requirements and Proposed Work Plan (Submit under TAB E)
a. The Offeror shall address each Scope of Work requirement (Section 3.2) in its Technical Proposal and describe how its proposed services, including the services of any proposed subcontractor(s), will meet or exceed the requirement(s). If the State is seeking Offeror agreement to any requirement(s), the Offeror shall state its agreement or disagreement. Any paragraph in the Technical Proposal that responds to a Scope of Work (Section 3.2) requirement shall include an explanation of how the work will be done. Any exception to a requirement, term, or condition may result in having the Proposal classified as not reasonably susceptible of being selected for award or the Offeror deemed not responsible.

b. The Offeror shall give a definitive section-by-section description of the proposed plan to meet the requirements of the RFP, i.e., a Work Plan. The Work Plan shall include the specific methodology and techniques to be used by the Offeror in providing the required services as outlined in RFP Section 3, Scope of Work. The description shall include an outline of the overall management concepts employed by the Offeror and a project management plan, including project control mechanisms and overall timelines. Project deadlines considered contract deliverables must be recognized in the Work Plan.

c. The Offeror shall identify the location(s) from which it proposes to provide the services, including, if applicable, any current facilities that it operates, and any required construction to satisfy the State’s requirements as outlined in this RFP.

d. The Offeror shall provide a draft Problem Escalation Procedure (PEP) that includes, at a minimum, titles of individuals to be contacted by the Department’s Contract Monitor should problems arise under the Contract and explain how problems with work under the Contract will be escalated in order to resolve any issues in a timely manner. Final procedures shall be submitted as indicated in RFP Section 3.5.

4.4.2.7 Experience and Qualifications of Proposed Staff (Submit under TAB F)

The Offeror shall identify the number and types of staff proposed to be utilized under the Contract.

The Offeror shall describe in detail how the proposed staff’s experience and qualifications relate to their specific responsibilities, including any staff of proposed subcontractor(s), as detailed in the Work Plan. The Offeror shall include individual resumes for the Key Personnel, including Key Personnel for any proposed subcontractor(s), who are to be assigned to the project if the Offeror is awarded the Contract. Each resume should include the amount of experience the individual has had relative to the Scope of Work set forth in this solicitation. Letters of intended commitment to work on the project, including letters from any proposed subcontractor(s), shall be included in this section.

The Offeror shall provide an Organizational Chart outlining personnel and their related duties. The Offeror shall include job titles and the percentage of time each individual will spend on his/her assigned tasks. Offerors using job titles other than those commonly used by industry standards must provide a crosswalk reference document.

4.4.2.8 Offeror Qualifications and Capabilities (Submit under TAB G)

The Offeror shall include information on past experience with similar projects and/or services. The Offeror shall describe how its organization can meet the requirements of this RFP and shall also include the following information:

a. The number of years the Offeror has provided the similar services;
b. The number of clients/customers and geographic locations that the Offeror currently serves;

c. The names and titles of headquarters or regional management personnel who may be involved with supervising the services to be performed under this Contract;

d. The Offeror’s process for resolving billing errors; and

e. An organizational chart that identifies the complete structure of the Offeror, including any parent company, headquarters, regional offices, and subsidiaries of the Offeror.

4.4.2.9 References (Submit under TAB II)

At least three (3) references are requested from customers who are capable of documenting the Offeror’s ability to provide the services specified in this RFP. References used to meet any Offeror Minimum Qualifications (see Section 2) may be used to meet this request. Each reference shall be from a client for whom the Offeror has provided services within the past five (5) years and shall include the following information:

a. Name of client organization;
b. Name, title, telephone number, and e-mail address, if available, of point of contact for client organization; and
c. Value, type, duration, and description of services provided.

The Department reserves the right to request additional references or utilize references not provided by an Offeror.

4.4.2.10 List of Current or Prior State Contracts (Submit under TAB I)

Provide a list of all contracts with any entity of the State of Maryland for which the Offeror is currently performing services or for which services have been completed within the last five (5) years. For each identified contract, the Offeror is to provide:

a. The State contracting entity;
b. A brief description of the services/goods provided;
c. The dollar value of the contract;
d. The term of the contract;
e. The State employee contact person (name, title, telephone number, and, if possible, e-mail address); and
f. Whether the contract was terminated before the end of the term specified in the original contract, including whether any available renewal option was not exercised.

Information obtained regarding the Offeror’s level of performance on State contracts will be used by the Procurement Officer to determine the responsibility of the Offeror and considered as part of the experience and past performance evaluation criteria of the RFP.

4.4.2.11 Financial Capability (Submit under TAB J)

An Offeror must include in its Proposal a commonly-accepted method to prove its fiscal integrity. If available, the Offeror shall include Financial Statements, preferably a Profit and Loss (P&L) statement and a Balance Sheet, for the last two (2) years (independently audited preferred).
In addition, the Offeror may supplement its response to this Section by including one or more of the following with its response:

a. Dunn and Bradstreet Rating;
b. Standard and Poor’s Rating;
c. Lines of credit;
d. Evidence of a successful financial track record; and
e. Evidence of adequate working capital.

4.4.2.12 Certificate of Insurance (Submit under TAB K)

The Offeror shall provide a copy of its current certificate of insurance showing the types and limits of insurance in effect as of the Proposal submission date. The current insurance types and limits do not have to be the same as described in Section 3.4. See Section 5.6 for the required insurance certificate submission for the recommended Offeror.

4.4.2.13 Subcontractors (Submit under TAB L)

The Offeror shall provide a complete list of all subcontractors that will work on the Contract if the Offeror receives an award, including those utilized in meeting the MBE and/or VSBE subcontracting goal, if applicable. This list shall include a full description of the duties each subcontractor will perform and why/how each subcontractor was deemed the most qualified for this project. See Sections 4.4.2.6 and 4.4.2.7 for additional Offeror requirements related to Subcontractors.

4.4.2.14 Legal Action Summary (Submit under TAB M)

This summary shall include:

a. A statement as to whether there are any outstanding legal actions or potential claims against the Offeror and a brief description of any action;
b. A brief description of any settled or closed legal actions or claims against the Offeror over the past five (5) years;
c. A description of any judgments against the Offeror within the past five (5) years, including the case name, court case docket number, and what the final ruling or determination was from the court; and
d. In instances where litigation is on-going and the Offeror has been directed not to disclose information by the court, provide the name of the judge and location of the court.

4.4.2.15 Economic Benefit Factors (Submit under TAB N)

The Offeror shall submit with its Proposal a narrative describing benefits that will accrue to the Maryland economy as a direct or indirect result of its performance of this contract. Proposals will be evaluated to assess the benefit to Maryland’s economy specifically offered. The economic benefit offered should be consistent with the Offeror’s Total Proposal Price from Attachment F, the Financial Proposal Form. See COMAR 21.05.03.03A(3).

Proposals that identify specific benefits as being contractually enforceable commitments will be rated more favorably than Proposals that do not identify specific benefits as contractual commitments, all other factors being equal.

Offerors shall identify any performance guarantees that will be enforceable by the State if the full level of promised benefit is not achieved during the Contract term.
As applicable, for the full duration of the Contract, including any renewal period, or until the commitment is satisfied, the Contractor shall provide to the Procurement Officer or other designated agency personnel reports of the actual attainment of each benefit listed in response to this section. These benefit attainment reports shall be provided quarterly, unless elsewhere in these specifications a different reporting frequency is stated.

Please note that in responding to this section, the following do not generally constitute economic benefits to be derived from this Contract:

a. generic statements that the State will benefit from the Offeror’s superior performance under the Contract;

b. descriptions of the number of Offeror employees located in Maryland other than those that will be performing work under this Contract; or

c. tax revenues from Maryland based employees or locations, other than those that will be performing, or used to perform, work under this Contract.

Discussion of Maryland-based employees or locations may be appropriate if the Offeror makes some projection or guarantee of increased or retained presence based upon being awarded this Contract.

Examples of economic benefits to be derived from a contract may include any of the following. For each factor identified below, identify the specific benefit and contractual commitments and provide a breakdown of expenditures in that category:

• The Contract dollars to be recycled into Maryland’s economy in support of the Contract, through the use of Maryland subcontractors, suppliers and joint venture partners. Do not include actual fees or rates paid to subcontractors or information from your Financial Proposal;

• The number and types of jobs for Maryland residents resulting from the Contract. Indicate job classifications, number of employees in each classification and the aggregate payroll to which the Offeror has committed, including contractual commitments at both prime and, if applicable, subcontract levels. If no new positions or subcontracts are anticipated as a result of this Contract, so state explicitly;

• Tax revenues to be generated for Maryland and its political subdivisions as a result of the Contract. Indicate tax category (sales taxes, payroll taxes, inventory taxes and estimated personal income taxes for new employees). Provide a forecast of the total tax revenues resulting from the Contract;

• Subcontract dollars committed to Maryland small businesses and MBEs; and

• Other benefits to the Maryland economy which the Offeror promises will result from awarding the Contract to the Offeror, including contractual commitments. Describe the benefit, its value to the Maryland economy, and how it will result from, or because of the Contract award. Offerors may commit to benefits that are not directly attributable to the Contract, but for which the Contract award may serve as a catalyst or impetus.

**THE REMAINDER OF THIS PAGE IS INTENTIONALLY LEFT BLANK.**
SECTION 5 – EVALUATION COMMITTEE, EVALUATION CRITERIA, AND SELECTION PROCEDURE

5.1 Evaluation Committee

Evaluation of Proposals will be performed in accordance with COMAR 21.05.03 by a committee established for that purpose and based on the evaluation criteria set forth below. The Evaluation Committee will review Proposals, participate in Offeror oral presentations and discussions, and provide input to the Procurement Officer. The Department reserves the right to utilize the services of individuals outside of the established Evaluation Committee for advice and assistance, as deemed appropriate.

5.2 Technical Proposal Evaluation Criteria

The criteria to be used to evaluate each Technical Proposal are listed below in descending order of importance. Unless stated otherwise, any subcriteria within each criterion have equal weight.

5.2.1 Offeror’s Technical Response to RFP Requirements and Work Plan (See RFP § 4.4.2.6)

The State prefers an Offeror’s response to work requirements in the RFP that illustrates a comprehensive understanding of work requirements and mastery of the subject matter, including an explanation of how the work will be done. Proposals which include limited responses to work requirements such as “concur” or “will comply” will receive a lower ranking than those Proposals that demonstrate an understanding of the work requirements and include plans to meet or exceed them.

5.2.2 Experience and Qualifications of Proposed Staff (See RFP § 4.4.2.7)

5.2.3 Offeror Qualifications and Capabilities, including proposed Subcontractors (See RFP § 4.4.2.8 – 4.4.2.14)

5.2.4 Economic Benefit to State of Maryland (See RFP § 4.4.2.15)

5.3 Financial Proposal Evaluation Criteria

All Qualified Offerors (see Section 5.5.2.4) will be ranked from the lowest (most advantageous) to the highest (least advantageous) price based on the Total Proposal Price within the stated guidelines set forth in this RFP and as submitted on Attachment F - Financial Proposal Form.

5.4 Reciprocal Preference

Although Maryland law does not generally authorize procuring units to favor resident Offerors in awarding procurement contracts, many other states do grant their resident businesses preferences over Maryland contractors. Therefore, COMAR 21.05.01.04 permits procuring units to apply a reciprocal preference in favor of a Maryland resident business under the following conditions:

- The Maryland resident business is a responsible Offeror;
- The most advantageous offer is from a responsible Offeror whose principal office or principal operations through which it would provide the services required under this RFP is in another state;
• The other state gives a preference to its resident businesses through law, policy, or practice; and
• The Maryland resident preference does not conflict with a federal law or grant affecting the procurement Contract.

The preference given shall be identical to the preference that the other state, through law, policy, or practice gives to its resident businesses.

### 5.5 Selection Procedures

#### 5.5.1 General

The Contract will be awarded in accordance with the Competitive Sealed Proposals (CSP) method found at COMAR 21.05.03. The Competitive Sealed Proposals method allows for the conducting of discussions and the revision of Proposals during these discussions. Therefore, the State may conduct discussions with all Offerors that have submitted Proposals that are determined to be reasonably susceptible of being selected for contract award or potentially so. However, the State reserves the right to make an award without holding discussions.

In either case (i.e., with or without discussions), the State may determine an Offeror to be not responsible and/or an Offeror’s Proposal to be not reasonably susceptible of being selected for award at any time after the initial closing date for receipt of Proposals and prior to Contract award. If the State finds an Offeror to be not responsible and/or an Offeror’s Technical Proposal to be not reasonably susceptible of being selected for award, that Offeror’s Financial Proposal will subsequently be returned if the Financial Proposal is unopened at the time of the determination.

#### 5.5.2 Selection Process Sequence

5.5.2.1 A determination is made that the MDOT Certified MBE Utilization and Fair Solicitation Affidavit (Attachment D-1A) is included and is properly completed, if there is an MBE goal. In addition, a determination is made that the Veteran-Owned Small Business Enterprise (VSBE) Utilization Affidavit and Subcontractor Participation Schedule (Attachment M-1) is included and is properly completed, if there is a VSBE goal. Finally, a determination is made that all Offeror Minimum Qualifications, if any (See RFP Section 2), have been satisfied.

5.5.2.2 Technical Proposals are evaluated for technical merit and ranked. During this review, oral presentations and discussions may be held. The purpose of such discussions will be to assure a full understanding of the State’s requirements and the Offeror’s ability to perform the services, as well as to facilitate arrival at a Contract that is most advantageous to the State. Offerors will be contacted by the State as soon as any discussions are scheduled.

5.5.2.3 Offerors must confirm in writing any substantive oral clarifications of, or changes in, their Technical Proposals made in the course of discussions. Any such written clarifications or changes then become part of the Offeror’s Technical Proposal. Technical Proposals are given a final review and ranked.

5.5.2.4 The Financial Proposal of each Qualified Offeror (a responsible Offeror determined to have submitted an acceptable Proposal) will be evaluated and ranked separately from the Technical evaluation. After a review of the Financial Proposals of Qualified Offerors, the Evaluation Committee or Procurement Officer may again conduct discussions to further evaluate the Offeror’s entire Proposal.
5.5.2.5 When in the best interest of the State, the Procurement Officer may permit Qualified Offerors to revise their initial Proposals and submit, in writing, Best and Final Offers (BAFOs). The State may make an award without issuing a request for a BAFO.

5.5.3 Award Determination

Upon completion of the Technical Proposal and Financial Proposal evaluations and rankings, each Offeror will receive an overall ranking. The Procurement Officer will recommend award of the Contract to the responsible Offeror that submitted the Proposal determined to be the most advantageous to the State. In making this most advantageous Proposal determination, technical factors will receive equal weight with financial factors.

5.6 Documents Required upon Notice of Recommendation for Contract Award

Upon receipt of a Notification of Recommendation for Contract Award, the following documents shall be completed, signed if applicable with original signatures, and submitted by the recommended awardee within five (5) Business Days, unless noted otherwise. Submit three (3) copies of each of the following documents:

a. Contract (Attachment A),
b. Contract Affidavit (Attachment C),
c. MBE Attachments D-2 and D-3A/B, within ten (10) Business Days, if applicable; *see Section 1.33,
d. MBE Waiver Justification within ten (10) Business Days (see MBE Waiver Guidance and forms in Attachments D-1B and D-1C), if a waiver has been requested (if applicable; *see Section 1.33),
e. Non-Disclosure Agreement (Attachment J), if applicable; *see Section 1.37,
f. HIPAA Business Associate Agreement (Attachment K), if applicable; *see Section 1.38,
h. VSBE Attachment M-2, if applicable *see Section 1.41,
i. DHR Hiring Agreement, Attachment O, if applicable *see Section 1.43, and
i. copy of a current Certificate of Insurance with the prescribed limits set forth in Section 3.4 “Insurance Requirements,” listing the State as an additional insured, if applicable; *see Section 3.4.

To the extent that any products created as a deliverable under this Contract are not works made for hire for the State, the Contractor hereby relinquishes, transfers, and assigns to the State all of its rights, title, and interest (including all intellectual property rights) to all such products created under this Contract, and will cooperate reasonably with the State in effectuating and registering any necessary assignments.

7.1 If the Contractor furnishes any design, device, material, process, or other item, which is covered by a patent, trademark or service mark, or copyright or which is proprietary to, or a trade secret of, another, the Contractor shall obtain the necessary permission or license to permit the State to use such item or items.

7.2 The Contractor will defend or settle, at its own expense, any claim or suit against the State alleging that any such item furnished by the Contractor infringes any patent, trademark, service mark, copyright, or trade secret. If a third party claims that a product infringes that party’s patent, trademark, service mark, trade secret, or copyright, the Contractor will defend the State against that claim at Contractor’s expense and will pay all damages, costs, and attorneys’ fees that a court finally awards, provided the State: (a) promptly notifies the Contractor in writing of the claim; and (b) allows Contractor to control and cooperates with Contractor in, the defense and any related settlement negotiations. The Contractor shall ensure that all data is backed up and recoverable by the Contractor. Contractor shall use its best efforts to assure that at no time shall any actions undertaken by the Contractor under this Contract (or any failures to act when Contractor has a duty to act) damage or create any vulnerabilities in data bases, systems, platforms, and/or applications with which the Contractor is working hereunder.

Unless a lesser period is provided by applicable statute, regulation, or the Contract, the Contractor must file a written
notice of claim with the Procurement Officer within thirty (30) days after the basis for the claim is known or should have been known, whichever is earlier. Contemporaneously with or within thirty (30) days of the filing of a notice of claim, but no later than the date of final payment under the Contract, the Contractor must submit to the Procurement Officer its written claim containing the information specified in COMAR 21.10.04.02.

14. **Nondiscrimination in Employment**

The Contractor agrees: (a) not to discriminate in any manner against an employee or applicant for employment because of race, color, religion, creed, age, sex, sexual orientation, gender identification, marital status, national origin, ancestry, genetic information, or any otherwise unlawful use of characteristics, or disability of a qualified individual with a disability unrelated in nature and extent so as to reasonably preclude the performance of the employment, or the individual’s refusal to submit to a genetic test or make available the results of a genetic test; (b) to include a provision similar to that contained in subsection (a), above, in any underlying subcontract except a subcontract for standard commercial supplies or raw materials; and (c) to post and to cause subcontractors to post in conspicuous places available to employees and applicants for employment, notices setting forth the substance of this clause.

The effect of termination of the Contract hereunder will be to discharge both the Contractor and the State from future performance of the Contract, but not from their rights and obligations existing at the time of termination. The Contractor shall be reimbursed for the reasonable value of any nonrecurring costs incurred but not amortized in the price of the Contract. The State shall notify the Contractor as soon as it has knowledge that funds may not be available for the continuation of this Contract for each succeeding fiscal period beyond the first.

17. **Termination for Cause**
If the Contractor fails to fulfill its obligations under this Contract properly and on time, or otherwise violates any provision of the Contract, the State may terminate the Contract by written notice to the Contractor. The notice shall specify the acts or omissions relied upon as cause for termination. All finished or unfinished work provided by the Contractor shall, at the State’s option, become the State’s property. The State shall pay the Contractor fair and equitable compensation for satisfactory performance prior to receipt of notice of termination, less the amount of damages caused by the Contractor’s breach. If the damages are more than the compensation payable to the Contractor, the Contractor will remain liable after termination and the State can affirmatively collect damages. Termination hereunder, including the termination of the rights and obligations of the parties, shall be governed by the provisions of COMAR 21.07.01.11B.

18. Termination for Convenience

The State will pay all reasonable costs associated with this Contract that the Contractor has incurred up to the date of termination, and all reasonable costs associated with termination of the Contract; provided, however, the Contractor shall not be reimbursed for any anticipatory profits that have not been earned up to the date of termination. Termination hereunder, including the determination of the rights and obligations of the parties, shall be governed by the provisions of COMAR 21.07.01.12A(2).

19. Delays and Extensions of Time

The Contractor agrees to prosecute the work continuously and diligently and no charges or claims for damages shall be made by it for any delays, interruptions, interferences, or hindrances from any cause whatsoever during the progress of any portion of the work specified in this Contract.

Time extensions will be granted only for excusable delays that arise from unforeseeable causes beyond the control and without the fault or negligence of the Contractor, including but not restricted to, acts of God, acts of the public enemy, acts of the State in either its sovereign or contractual capacity, acts of another Contractor in the performance of a contract with the State, fires, floods, epidemics, quarantine restrictions, strikes, freight embargoes, or delays of subcontractors or suppliers arising from unforeseeable causes beyond the control and without the fault or negligence of either the Contractor or the subcontractors or suppliers.

20. Suspension of Work

The State unilaterally may order the Contractor in writing to suspend, delay, or interrupt all or any part of its performance for such period of time as the Procurement Officer may determine to be appropriate for the convenience of the State.

24. Documents Retention and Inspection Clause

The Contractor and subcontractors shall retain and maintain all records and documents relating to this Contract for a period of five (5) years after final payment by the State hereunder or any applicable statute of limitations or federal retention requirements (such as HIPAA), whichever is longer, and shall make them available for inspection and audit by authorized representatives of the State, including the Procurement Officer or designee, at all reasonable times. All records related in any way to the Contract are to be retained for the entire time provided under this section. In the event of any audit, the Contractor shall provide assistance to the State, without additional compensation, to identify, investigate, and reconcile any audit discrepancies and/or variances. This Section 24 shall survive expiration or termination of the Contract.

25. Right to Audit

25.1 The State reserves the right, at its sole discretion and at any time, to perform an audit of the Contractor’s and/or subcontractor’s performance under this Contract. An audit is defined as a planned and documented independent activity performed by qualified personnel including but not limited to State and federal auditors, to determine by investigation, examination, or evaluation of objective evidence from data, statements, records, operations and performance practices (financial or otherwise) the Contractor’s compliance with the Contract, including but not limited to adequacy and compliance with established procedures and internal controls over the Contract services being performed for the State.

25.2 Upon three (3) Business Days’ notice, the Contractor and/or any subcontractors shall provide the State reasonable access to their respective records to verify conformance to the terms of the Contract. The Department may conduct these audits with any or all of its own internal resources or by securing the services of a third party accounting or audit firm, solely at the Department’s election. The Department may copy, at its own expense, any record related to the services performed and provided under this Contract.

25.3 The right to audit shall include any of the Contractor’s subcontractors including but not limited to any lower tier subcontractor(s) that provide essential support to the Contract services. The Contractor and/or subcontractor(s) shall ensure the Department has the right to audit such subcontractor(s).

25.4 The Contractor and/or subcontractors shall cooperate with Department and Department’s designated accountant or auditor and shall provide the necessary assistance for the Department or Department’s
designated accountant or auditor to conduct the audit.

25.5 This Section shall survive expiration or termination of the Contract.

26.3 It shall comply with all federal, State and local laws, regulations, and ordinances applicable to its activities and obligations under this Contract; and

26.4 It shall obtain, at its expense, all licenses, permits, insurance, and governmental approvals, if any, necessary to the performance of its obligations under this Contract.

27. Cost and Price Certification

By submitting cost or price information, the Contractor certifies to the best of its knowledge that the information submitted is accurate, complete, and current as of the date of its Bid/Proposal.

The price under this Contract and any change order or modification hereunder, including profit or fee, shall be adjusted to exclude any significant price increases occurring because the Contractor furnished cost or price information which, as of the date of its Bid/Proposal, was inaccurate, incomplete, or not current.

28. Subcontracting; Assignment

The Contractor may not subcontract any portion of the services provided under this Contract without obtaining the prior written approval of the Procurement Officer, nor may the Contractor assign this Contract or any of its rights or obligations hereunder, without the prior written approval of the Procurement Officer provided, however, that a contractor may assign monies receivable under a contract after due notice to the State. Any subcontracts shall include such language as may be required in various clauses contained within this Contract, exhibits, and attachments. The Contract shall not be assigned until all approvals, documents, and affidavits are completed and properly registered. The State shall not be responsible for fulfillment of the Contractor’s obligations to its subcontractors.

29. Liability

For breach of this Contract, negligence, misrepresentation, or any other contract or tort claim, Contractor shall be liable as follows:

29.1 For infringement of patents, copyrights, trademarks, service marks, and/or trade secrets, as provided in Section 7 of this Contract;

29.2 Without limitation for damages for bodily injury (including death) and damage to real property and tangible personal property; and

30. Commercial Nondiscrimination

30.1 As a condition of entering into this Contract, Contractor represents and warrants that it will comply with the State’s Commercial Nondiscrimination Policy, as described at Md. Code Ann., State Finance and Procurement Article, Title 19. As part of such compliance, Contractor may not discriminate on the basis of race, color, religion, ancestry or national origin, sex, age, marital status, sexual orientation, sexual identity, genetic information or an individual’s refusal to submit to a genetic test or make available the results of a genetic test or on the basis of disability or other unlawful forms of discrimination in the solicitation, selection, hiring, or commercial treatment of subcontractors, vendors, suppliers, or commercial customers, nor shall Contractor retaliate against any person for reporting instances of such discrimination. Contractor shall provide equal opportunity for subcontractors, vendors, and suppliers to participate in all of its public sector and private sector subcontracting and supply opportunities, provided that this clause does not prohibit or limit lawful efforts to remedy the effects of marketplace discrimination that have occurred or are occurring in the marketplace. Contractor understands that a material violation of this clause shall be considered a material breach of this Contract and may result in termination of this Contract, disqualification of Contractor from participating in State contracts, or other sanctions. This clause is not enforceable by or for the benefit of, and creates no obligation to, any third party.

30.2 The Contractor shall include the above Commercial Nondiscrimination clause, or similar clause approved by the Department, in all subcontracts.

30.3 As a condition of entering into this Contract, upon the request of the Commission on Civil Rights, and only after the filing of a complaint against Contractor under Md. Code Ann., State Finance and Procurement Article, Title 19, as amended from time to time, Contractor agrees to provide within sixty (60) days after the request a complete list of the names of all subcontractors, vendors, and suppliers that Contractor has used in the past four (4) years on any of its contracts that were undertaken within the State of Maryland, including the total dollar amount paid by Contractor on each subcontract or supply contract. Contractor further agrees to cooperate in any investigation conducted by the State pursuant to the State’s Commercial Nondiscrimination Policy as set forth at Md. Code Ann., State Finance and Procurement Article, Title 19, and to provide any documents relevant to any investigation that are requested by the State. Contractor understands that violation of this clause is a material breach of this Contract and may result in contract termination, disqualification by the State from participating in State contracts, and other sanctions.

31. Prompt Pay Requirements

31.1 If the Contractor withholds payment of an undisputed amount to its subcontractor, the Department, at its option and in its sole discretion, may take one or more of the following actions:

   a. Not process further payments to the contractor until payment to the subcontractor is verified;
   b. Suspend all or some of the contract work without affecting the completion date(s) for the contract work;
   c. Pay or cause payment of the undisputed amount to the subcontractor from monies otherwise due or that may become due;
   d. Place a payment for an undisputed amount in an interest-bearing escrow account; or
   e. Take other or further actions as appropriate to resolve the withheld payment.

a. Retainage which had been withheld and is, by the terms of the agreement between the Contractor and subcontractor, due to be distributed to the subcontractor; and
b. An amount withheld because of issues arising out of a Contract or occurrence unrelated to the Contract under which the amount is withheld.

a. Affect the rights of the contracting parties under any other provision of law;
b. Be used as evidence on the merits of a dispute between the Department and the contractor in any other proceeding; or
c. Result in liability against or prejudice the rights of the Department.

31.4 The remedies enumerated above are in addition to those provided under COMAR 21.11.03.13 with respect to subcontractors that have contracted pursuant to the Minority Business Enterprise (MBE) program.

31.5 To ensure compliance with certified MBE subcontract participation goals, the Department may, consistent with COMAR 21.11.03.13, take the following measures:

a. Verify that the certified MBEs listed in the MBE participation schedule actually are performing work and receiving compensation as set forth in the MBE participation schedule.
b. This verification may include, as appropriate:
   i. Inspecting any relevant records of the Contractor;
   ii. Inspecting the jobsite; and
   iii. Interviewing subcontractors and workers.
   iv. Verification shall include a review of:
      (a) The Contractor’s monthly report listing unpaid invoices over thirty (30) days old from certified MBE subcontractors and the reason for nonpayment; and
      (b) The monthly report of each certified MBE subcontractor, which lists payments received from the Contractor in the preceding thirty (30) days and invoices for which the subcontractor has not been paid.

c. If the Department determines that the Contractor is not in compliance with certified MBE participation goals, then the Department will notify the Contractor in writing of its findings, and will require the Contractor to take appropriate corrective action. Corrective action may include, but is not limited to, requiring the Contractor to compensate the MBE for work performed as set forth in the MBE participation schedule.
d. If the Department determines that the Contractor is in material noncompliance with MBE contract provisions and refuses or fails to take the corrective action that the Department requires, then the Department may:
   i. Terminate the contract;
   ii. Refer the matter to the Office of the Attorney General for appropriate action; or
   iii. Initiate any other specific remedy identified by the contract, including the contractual remedies required by any applicable laws, regulations, and directives regarding the payment of undisputed amounts.

e. Upon completion of the Contract, but before final payment or release of retainage or both, the Contractor shall submit a final report, in affidavit form under the penalty of perjury, of all payments made to, or withheld from, MBE subcontractors.

32. Living Wage
If a Contractor subject to the Living Wage law fails to submit all records required under COMAR 21.11.10.05 to the Commissioner of Labor and Industry at the Department of Labor, Licensing and Regulation, the agency may withhold payment of any invoice or retainage. The agency may require certification from the Commissioner on a quarterly basis that such records were properly submitted.

33. Variations in Estimated Quantities

Unless specifically indicated otherwise in the State’s solicitation or other controlling documents related to the Scope of Work, any sample amounts provided are estimates only and the Department does not guarantee a minimum or maximum number of units or usage in the performance of this Contract.

34. Contract Monitor and Procurement Officer

The work to be accomplished under this Contract shall be performed under the direction of the Contract Monitor. All matters relating to the interpretation of this Contract shall be referred to the Procurement Officer for determination.

36. Liquidated Damages

36.1 The Contract requires the Contractor to make good faith efforts to comply with the Minority Business Enterprise (“MBE”) Program and Contract provisions. The State and the Contractor acknowledge and agree that the State will incur economic damages and losses, including, but not limited to, loss of goodwill, detrimental impact on economic development, and diversion of internal staff resources, if the Contractor does not make good faith efforts to comply with the requirements of the MBE Program and pertinent MBE Contract provisions. The parties further acknowledge and agree that the damages the State might reasonably be anticipated to accrue as a result of such lack of compliance are difficult or impossible to ascertain with precision and that liquidated damages represent a fair, reasonable, and appropriate estimation of damages.

Upon a determination by the State that the Contractor failed to make good faith efforts to comply with one or more of the specified MBE Program requirements or pertinent MBE Contract provisions and without the State being required to present any evidence of the amount or character of actual damages sustained, the Contractor agrees to pay liquidated damages to the State at the rates set forth below. Such liquidated damages are intended to represent estimated actual damages and are not intended as a penalty. The Contractor expressly agrees that the State may withhold payment on any invoices as an offset against liquidated damages.

36.1.4 Failure to meet the Contractor’s total MBE participation goal and subgoal commitments: the difference between the dollar value of the total MBE participation commitment on the MBE participation schedule and the MBE participation actually achieved.

36.1.5 Failure to promptly pay all undisputed amounts to a subcontractor in full compliance with the prompt payment provisions of the Contract: $100.00 per day until the undisputed amount due to the subcontractor is paid.

36.2 Notwithstanding the assessment or availability of liquidated damages, the State reserves the right to terminate the Contract and to exercise any and all other rights or remedies which may be available under the Contract or which otherwise may be available at law or in equity.

The definition excludes certain education records as well as employment records held by a covered entity in its role as employer.

Contractor agrees to exercise good faith efforts to carry out the requirements set forth in these Instructions, as authorized by the Code of Maryland Regulations (COMAR) 21.11.03.

2. MBE Goals and Subgoals: Please review the solicitation for information regarding the Contract’s MBE overall participation goals and subgoals. After satisfying the requirements for any established subgoals, the Contractor is encouraged to use a diverse group of subcontractors and suppliers from any/all of the various MBE classifications to meet the remainder of the overall MBE participation goal.

3. MBE means a minority business enterprise that is certified by the Maryland Department of Transportation (“MDOT”). Only MBEs certified by MDOT may be counted for purposes of achieving the MBE participation goals. In order to be counted for purposes of achieving the MBE participation goals, the MBE firm, including an MBE Prime, must be MDOT-certified for the services, materials or supplies that it is committed to perform on the MBE Participation Schedule.

4. Please refer to the MDOT MBE Directory at [www.mdot.state.md.us](http://www.mdot.state.md.us) to determine if a firm is certified with the appropriate North American Industry Classification System (“NAICS”) Code and the product/services description (specific product that a firm is certified to provide or specific areas of work that a firm is certified to perform). For more general information about NAICS, please visit [www.naics.com](http://www.naics.com). Only those specific products and/or services for which a firm is certified in the MDOT Directory can be used for purposes of achieving the MBE participation goals. **WARNING:** If the firm’s NAICS Code is in graduated status, such services/products may not be counted for purposes of achieving the MBE participation goals. A NAICS Code is in the graduated status if the term “Graduated” follows the Code in the MDOT MBE Directory.

5. **Guidelines Regarding MBE Prime Self-Performance:** Please note that when a certified MBE firm participates as a Prime contractor on a Contract, a procurement agency may count the distinct, clearly defined portion of the work of the Contract that the certified MBE firm performs with its own workforce toward fulfilling up to, but no more than, fifty-percent (50%) of the MBE participation goal (overall), including up to one hundred percent (100%) of not more than one of the MBE participation subgoals, if any, established for the Contract.

- In order to receive credit for self-performance, an MBE Prime must be certified in the appropriate NAICS code to do the work and must list its firm in the MBE Participation Schedule, including the certification category under which the MBE Prime is self-performing and include information regarding the work it will self-perform.
✓ For the remaining portion of the overall goal and the remaining subgoals, the MBE Prime must also identify on the MBE Participation Schedule the other certified MBE subcontractors used to meet those goals or request a waiver.

✓ These guidelines apply to the work performed by the MBE Prime that can be counted for purposes of meeting the MBE participation goals. These requirements do not affect the MBE Prime’s ability to self-perform a greater portion of the work in excess of what is counted for purposes of meeting the MBE participation goals.

✓ Please note that the requirements to meet the MBE participation overall goal and subgoals are distinct and separate. If the Contract has subgoals, regardless of MBE Prime’s ability to self-perform up to 50% of the overall goal (including up to 100% of any subgoal), the MBE Prime must either commit to other MBEs for each of any remaining subgoals or request a waiver. As set forth in Attachment D1-B Waiver Guidance, the MBE Prime’s ability to self-perform certain portions of the work of the Contract will not be deemed a substitute for the good faith efforts to meet any remaining subgoal or the balance of the overall goal.

✓ In certain instances where the percentages allocated to MBE participation subgoals add up to more than 50% of the overall goal, the portion of self-performed work that an MBE Prime may count toward the overall goal may be limited to less than 50%. Please refer to GOMA’s website (www.goma.maryland.gov) for the MBE Prime Regulations Q&A for illustrative examples.

6. Subject to items 1 through 5 above, when a certified MBE performs as a participant in a joint venture, a procurement agency may count a portion of the total dollar value of the Contract equal to the distinct, clearly-defined portion of the work of the contract that the certified MBE performs with its own workforce towards fulfilling the Contract goal, and not more than one of the Contract subgoals, if any.

7. As set forth in COMAR 21.11.03.12-1, once the Contract work begins, the work performed by a certified MBE firm, including an MBE prime, can only be counted towards the MBE participation goal(s) if the MBE firm is performing a commercially useful function on the Contract. Please refer to COMAR 21.11.03.12-1 for more information regarding these requirements.

8. If you have any questions as to whether a firm is certified to perform the specific services or provide specific products, please contact MDOT’s Office of Minority Business Enterprise at 1-800-544-6056 or via email to mbe@mdot.state.md.us sufficiently prior to the submission due date.

9. Worksheet: The percentage of MBE participation, calculated using the percentage amounts for all of the MBE firms listed on the Participation Schedule MUST at least equal the MBE participation goal and subgoals (if applicable) set forth in the solicitation. If a Bidder/Offeror is unable to achieve the MBE participation goal and/or any subgoals (if applicable), the Bidder/Offeror must request a waiver in Item 1 of the MBE Utilization and Fair Solicitation Affidavit (Attachment D-1A) or the Bid will be deemed not responsive, or the Proposal determined to be not susceptible of being selected for award. You may wish to use the Subgoal summary below to assist in calculating the percentages and confirm that you have met the applicable MBE participation goal and subgoals, if any.

This MBE Utilization and Fair Solicitation Affidavit and MBE Participation Schedule must be completed in its entirety and included with the Bid/Proposal. If the Bidder/Offeror fails to accurately complete and submit this Affidavit and Schedule with the Bid or Proposal as required, the Procurement Officer shall deem the Bid non-responsive or shall determine that the Proposal is not reasonably susceptible of being selected for award.

In connection with the Bid/Proposal submitted in response to Solicitation No. DHMH OPASS 17-15929, I affirm the following:

1. **MBE Participation (PLEASE CHECK ONLY ONE)**

   - [ ] I acknowledge and intend to meet IN FULL both the overall certified Minority Business Enterprise (MBE) participation goal of 5 percent and all of the following subgoals:

   Therefore, I am not seeking a waiver pursuant to COMAR 21.11.03.11. I acknowledge that by checking the above box and agreeing to meet the stated goal and subgoal(s), if any, I must complete the MBE Participation Schedule (Item 4 below) in order to be considered for award.

   **OR**

   - [ ] I conclude that I am unable to achieve the MBE participation goal and/or subgoals. I hereby request a waiver, in whole or in part, of the overall goal and/or subgoals. I acknowledge that by checking this box and requesting a partial waiver of the stated goal and/or one or more of the stated subgoal(s) if any, I must complete the MBE Participation Schedule (Item 4 below) for the portion of the goal and/or subgoal(s) if any, for which I am not seeking a waiver, in order to be considered for award.

2. **Additional MBE Documentation**

   I understand that if I am notified that I am the apparent awardee or as requested by the Procurement Officer, I must submit the following documentation within 10 Business Days of receiving notice of the potential award or from the date of conditional award (per COMAR 21.11.03.10), whichever is earlier:

   (a) Good Faith Efforts Documentation to Support Waiver Request (**Attachment D-1C**)

   (b) Outreach Efforts Compliance Statement (**Attachment D-2**);

   (c) MBE Subcontractor/MBE Prime Project Participation Statement (**Attachments D-3A/B**);

   (d) Any other documentation, including additional waiver documentation if applicable, required by the Procurement Officer to ascertain Bidder or Offeror responsibility in connection with the certified MBE participation goal and subgoals, if any.
I understand that if I fail to return each completed document within the required time, the Procurement Officer may determine that I am not responsible and therefore not eligible for contract award. If the Contract has already been awarded, the award is voidable.

3. **Information Provided to MBE firms**

In the solicitation of subcontract quotations or offers, MBE firms were provided not less than the same information and amount of time to respond as were non-MBE firms.

4. **MBE Participation Schedule**

Set forth below are the (i) certified MBEs I intend to use, (ii) the percentage of the total Contract amount allocated to each MBE for this project and, (iii) the items of work each MBE will provide under the Contract. I have confirmed with the MDOT database that the MBE firms identified below (including any self-performing MBE prime firms) are performing work activities for which they are MDOT certified.

SUBMIT THIS AFFIDAVIT WITH BID/PROPOSAL
In order to show that it has made good faith efforts to meet the Minority Business Enterprise (MBE) participation goal (including any MBE subgoals) on a contract, the Bidder/Offeror must either (1) meet the MBE Goal(s) and document its commitments for participation of MBE Firms, or (2) when it does not meet the MBE Goal(s), document its Good Faith Efforts to meet the goal(s).

I. Definitions

MBE Goal(s) – “MBE Goal(s)” refers to the MBE participation goal and MBE participation subgoal(s).

Good Faith Efforts – The “Good Faith Efforts” requirement means that when requesting a waiver, the Bidder/Offeror must demonstrate that it took all necessary and reasonable steps to achieve the MBE Goal(s), which, by their scope, intensity, and appropriateness to the objective, could reasonably be expected to obtain sufficient MBE participation, even if those steps were not fully successful. Whether a Bidder/Offeror that requests a waiver made adequate good faith efforts will be determined by considering the quality, quantity, and intensity of the different kinds of efforts that the Bidder/Offeror has made. The efforts employed by the Bidder/Offeror should be those that one could reasonably expect a Bidder/Offeror to take if the Bidder/Offeror were actively and aggressively trying to obtain MBE participation sufficient to meet the MBE contract goal and subgoals. Mere pro forma efforts are not good faith efforts to meet the MBE contract requirements. The determination concerning the sufficiency of the Bidder's/Offeror’s good faith efforts is a judgment call; meeting quantitative formulas is not required.

Identified Firms – “Identified Firms” means a list of the MBEs identified by the procuring agency during the goal setting process and listed in the procurement as available to perform the Identified Items of Work. It also may include additional MBEs identified by the Bidder/Offeror as available to perform the Identified Items of Work, such as MBEs certified or granted an expansion of services after the procurement was issued. If the procurement does not include a list of Identified Firms, this term refers to all of the MBE Firms (if State-funded) the Bidder/Offeror identified as available to perform the Identified Items of Work and should include all appropriately certified firms that are reasonably identifiable.

Identified Items of Work – “Identified Items of Work” means the Bid/Proposal items identified by the procuring agency during the goal setting process and listed in the procurement as possible items of work for performance by MBE Firms. It also may include additional portions of items of work the Bidder/Offeror identified for performance by MBE Firms to increase the likelihood that the MBE Goal(s) will be achieved. If the procurement does not include a list of Identified Items of Work, this term refers to all of the items of work the Bidder/Offeror identified as possible items of work for performance by MBE Firms and should include all reasonably identifiable work opportunities.

MBE Firms – “MBE Firms” refers to a firm certified by the Maryland Department of Transportation (“MDOT”) under COMAR 21.11.03. Only MDOT-certified MBE Firms can participate in the State’s MBE Program.
II. Types of Actions Agency will Consider

The Bidder/Offeror is responsible for making relevant portions of the work available to MBE subcontractors and suppliers and to select those portions of the work or material needs consistent with the available MBE subcontractors and suppliers, so as to facilitate MBE participation. The following is a list of types of actions the procuring agency will consider as part of the Bidder's/Offeror’s Good Faith Efforts when the Bidder/Offeror fails to meet the MBE Goal(s). This list is not intended to be a mandatory checklist, nor is it intended to be exclusive or exhaustive. Other factors or types of efforts may be relevant in appropriate cases.

A. Identify Bid/Proposal Items as Work for MBE Firms

1. Identified Items of Work in Procurements

   (a) Certain procurements will include a list of Bid/Proposal items identified during the goal setting process as possible work for performance by MBE Firms. If the procurement provides a list of Identified Items of Work, the Bidder/Offeror shall make all reasonable efforts to solicit quotes from MBE Firms to perform that work.

   (b) Bidders/Offerors may, and are encouraged to, select additional items of work to be performed by MBE Firms to increase the likelihood that the MBE Goal(s) will be achieved.

2. Identified Items of Work by Bidders/Offerors

   (a) When the procurement does not include a list of Identified Items of Work or for additional Identified Items of Work, Bidders/Offerors should reasonably identify sufficient items of work to be performed by MBE Firms.

   (b) Where appropriate, Bidders/Offerors should break out contract work items into economically feasible units to facilitate MBE participation, rather than perform these work items with their own forces. The ability or desire of a Prime contractor to perform the work of a contract with its own organization does not relieve the Bidder/Offeror of the responsibility to make Good Faith Efforts.

B. Identify MBE Firms to Solicit

1. MBE Firms Identified in Procurements

   (a) Certain procurements will include a list of the MBE Firms identified during the goal setting process as available to perform the items of work. If the procurement provides a list of Identified MBE Firms, the Bidder/Offeror shall make all reasonable efforts to solicit those MBE firms.

   (b) Bidders/Offerors may, and are encouraged to, search the MBE Directory to identify additional MBEs who may be available to perform the items of work, such as MBEs certified or granted an expansion of services after the solicitation was issued.

2. MBE Firms Identified by Bidders/Offerors

   (a) When the procurement does not include a list of Identified MBE Firms, Bidders/Offerors should reasonably identify the MBE Firms that are available to perform the Identified Items of Work.

   (b) Any MBE Firms identified as available by the Bidder/Offeror should be certified to perform the Identified Items of Work.
C. Solicit MBEs

1. Solicit all Identified Firms for all Identified Items of Work by providing written notice. The Bidder/Offeror should:

   (a) provide the written solicitation at least 10 days prior to Bid/Proposal opening to allow sufficient time for the MBE Firms to respond;

   (b) send the written solicitation by first-class mail, facsimile, or email using contact information in the MBE Directory, unless the Bidder/Offeror has a valid basis for using different contact information; and

   (c) provide adequate information about the plans, specifications, anticipated time schedule for portions of the work to be performed by the MBE, and other requirements of the contract to assist MBE Firms in responding. (This information may be provided by including hard copies in the written solicitation or by electronic means as described in C.3 below.)

2. “All” Identified Firms includes the MBEs listed in the procurement and any MBE Firms you identify as potentially available to perform the Identified Items of Work, but it does not include MBE Firms who are no longer certified to perform the work as of the date the Bidder/Offeror provides written solicitation.

3. “Electronic Means” includes, for example, information provided via a website or file transfer protocol (FTP) site containing the plans, specifications, and other requirements of the contract. If an interested MBE cannot access the information provided by electronic means, the Bidder/Offeror must make the information available in a manner that is accessible to the interested MBE.

4. Follow up on initial written solicitations by contacting MBEs to determine if they are interested. The follow up contact may be made:

   (a) by telephone using the contact information in the MBE Directory, unless the Bidder/Offeror has a valid basis for using different contact information; or

   (b) in writing via a method that differs from the method used for the initial written solicitation.

5. In addition to the written solicitation set forth in C.1 and the follow up required in C.4, use all other reasonable and available means to solicit the interest of MBE Firms certified to perform the work of the contract. Examples of other means include:

   (a) attending any pre-bid meetings at which MBE Firms could be informed of contracting and subcontracting opportunities; and

   (b) if recommended by the procurement, advertising with or effectively using the services of at least two minority focused entities or media, including trade associations, minority/women community organizations, minority/women contractors’ groups, and local, state, and federal minority/women business assistance offices listed on the MDOT Office of Minority Business Enterprise website.

D. Negotiate With Interested MBE Firms

Bidders/Offerors must negotiate in good faith with interested MBE Firms.

1. Evidence of negotiation includes, without limitation, the following:
(a) the names, addresses, and telephone numbers of MBE Firms that were considered;

(b) a description of the information provided regarding the plans and specifications for the work selected for subcontracting and the means used to provide that information; and

(c) evidence as to why additional agreements could not be reached for MBE Firms to perform the work.

2. A Bidder/Offeror using good business judgment would consider a number of factors in negotiating with subcontractors, including MBE subcontractors, and would take a firm's price and capabilities as well as contract goals into consideration.

3. The fact that there may be some additional costs involved in finding and using MBE Firms is not in itself sufficient reason for a Bidder's/Offeror's failure to meet the contract MBE goal(s), as long as such costs are reasonable. Factors to take into consideration when determining whether an MBE Firm’s quote is excessive or unreasonable include, without limitation, the following:

(a) the dollar difference between the MBE subcontractor’s quote and the average of the other subcontractors’ quotes received by the Bidder/Offeror;

(b) the percentage difference between the MBE subcontractor’s quote and the average of the other subcontractors’ quotes received by the Bidder/Offeror;

(c) the percentage that the MBE subcontractor’s quote represents of the overall contract amount;

(d) the number of MBE firms that the Bidder/Offeror solicited for that portion of the work;

(e) whether the work described in the MBE and Non-MBE subcontractor quotes (or portions thereof) submitted for review is the same or comparable; and

(f) the number of quotes received by the Bidder/Offeror for that portion of the work.

4. The above factors are not intended to be mandatory, exclusive, or exhaustive, and other evidence of an excessive or unreasonable price may be relevant.

5. The Bidder/Offeror may not use its price for self-performing work as a basis for rejecting an MBE Firm’s quote as excessive or unreasonable.

6. The “average of the other subcontractors’ quotes received” by the Bidder/Offeror refers to the average of the quotes received from all subcontractors. Bidder/Offeror should attempt to receive quotes from at least three subcontractors, including one quote from an MBE and one quote from a Non-MBE.

7. A Bidder/Offeror shall not reject an MBE Firm as unqualified without sound reasons based on a thorough investigation of the firm’s capabilities. For each certified MBE that is rejected as unqualified or that placed a subcontract quotation or offer that the Bidder/Offeror concludes is not acceptable, the Bidder/Offeror must provide a written detailed statement listing the reasons for this conclusion. The Bidder/Offeror also must document the steps taken to verify the capabilities of the MBE and Non-MBE Firms quoting similar work.

(a) The factors to take into consideration when assessing the capabilities of an MBE Firm, include, but are not limited to the following: financial capability, physical capacity to perform, available personnel and equipment, existing workload, experience performing the type of work, conduct and performance in previous contracts, and ability to meet reasonable contract requirements.
(b) The MBE Firm’s standing within its industry, membership in specific groups, organizations, or associations and political or social affiliations (for example union vs. non-union employee status) are not legitimate causes for the rejection or non-solicitation of bids in the efforts to meet the project goal.

E. Assisting Interested MBE Firms

When appropriate under the circumstances, the decision-maker will consider whether the Bidder/Offeror:

1. made reasonable efforts to assist interested MBE Firms in obtaining the bonding, lines of credit, or insurance required by the procuring agency or the Bidder/Offeror; and

2. made reasonable efforts to assist interested MBE Firms in obtaining necessary equipment, supplies, materials, or related assistance or services.

III. Other Considerations

In making a determination of Good Faith Efforts the decision-maker may consider engineering estimates, catalogue prices, general market availability and availability of certified MBE Firms in the area in which the work is to be performed, other bids or offers and subcontract bids or offers substantiating significant variances between certified MBE and Non-MBE costs of participation, and their impact on the overall cost of the contract to the State and any other relevant factors.

The decision-maker may take into account whether a Bidder/Offeror decided to self-perform subcontract work with its own forces, especially where the self-performed work is Identified Items of Work in the procurement. The decision-maker also may take into account the performance of other Bidders/Offerors in meeting the contract. For example, when the apparent successful Bidder/Offeror fails to meet the contract goal, but others meet it, this reasonably raises the question of whether, with additional reasonable efforts, the apparent successful Bidder/Offeror could have met the goal. If the apparent successful Bidder/Offeror fails to meet the goal, but meets or exceeds the average MBE participation obtained by other Bidders/Offerors, this, when viewed in conjunction with other factors, could be evidence of the apparent successful Bidder/Offeror having made Good Faith Efforts.

IV. Documenting Good Faith Efforts

At a minimum, a Bidder/Offeror seeking a waiver of the MBE Goal(s) or a portion thereof must provide written documentation of its Good Faith Efforts, in accordance with COMAR 21.11.03.11, within 10 business days after receiving notice that it is the apparent awardee. The written documentation shall include the following:

A. Items of Work (Complete Good Faith Efforts Documentation Attachment D-1C, Part 1)

A detailed statement of the efforts made to select portions of the work proposed to be performed by certified MBE Firms in order to increase the likelihood of achieving the stated MBE Goal(s).

B. Outreach/Solicitation/Negotiation

1. The record of the Bidder’s/Offeror’s compliance with the outreach efforts prescribed by COMAR 21.11.03.09C(2)(a). (Complete Outreach Efforts Compliance Statement – Attachment D-2).

2. A detailed statement of the efforts made to contact and negotiate with MBE Firms including:
(a) the names, addresses, and telephone numbers of the MBE Firms who were contacted, with the dates and manner of contacts (letter, fax, email, telephone, etc.) *(Complete Good Faith Efforts Attachment D-1C- Part 2, and submit letters, fax cover sheets, emails, etc. documenting solicitations)*; and

(b) a description of the information provided to MBE Firms regarding the plans, specifications, and anticipated time schedule for portions of the work to be performed and the means used to provide that information.

C. Rejected MBE Firms *(Complete Good Faith Efforts Attachment D-1C, Part 3)*

1. For each MBE Firm that the Bidder/Offeror concludes is not acceptable or qualified, a detailed statement of the reasons for the Bidder's/Offeror’s conclusion, including the steps taken to verify the capabilities of the MBE and Non-MBE Firms quoting similar work.

2. For each certified MBE Firm that the Bidder/Offeror concludes has provided an excessive or unreasonable price, a detailed statement of the reasons for the Bidder's/Offeror’s conclusion, including the quotes received from all MBE and Non-MBE firms bidding on the same or comparable work. *(Include copies of all quotes received.)*

3. A list of MBE Firms contacted but found to be unavailable. This list should be accompanied by an MBE Unavailability Certificate *(see D-1B - Exhibit A to this Part 1)* signed by the MBE contractor or a statement from the bidder/offeror that the MBE contractor refused to sign the MBE Unavailability Certificate.

D. Other Documentation

1. Submit any other documentation requested by the Procurement Officer to ascertain the Bidder’s/Offeror’s Good Faith Efforts.

2. Submit any other documentation the Bidder/Offeror believes will help the Procurement Officer ascertain its Good Faith Efforts.

PART 1 – IDENTIFIED ITEMS OF WORK BIDDER/OFFEROR MADE AVAILABLE TO MBE FIRMS

Identify those items of work that the Bidder/Offeror made available to MBE Firms. This includes, where appropriate, those items the Bidder/Offeror identified and determined to subdivide into economically feasible units to facilitate the MBE participation. For each item listed, show the anticipated percentage of the total contract amount. It is the Bidder’s/Offeror’s responsibility to demonstrate that sufficient work to meet the goal was made available to MBE Firms, and the total percentage of the items of work identified for MBE participation equals or exceeds the percentage MBE goal set for the procurement. Note: If the procurement includes a list of Bid/Proposal items identified during the goal setting process as possible items of work for performance by MBE Firms, the Bidder/Offeror should make all of those items of work available to MBE Firms or explain why that item was not made available. If the Bidder/Offeror selects additional items of work to make available to MBE Firms, those additional items should also be included below.

Identify the MBE Firms solicited to provide quotes for the Identified Items of Work made available for MBE participation. Include the name of the MBE Firm solicited, items of work for which bids/quotes were solicited, date and manner of initial and follow-up solicitations, whether the MBE provided a quote, and whether the MBE is being used to meet the MBE participation goal. MBE Firms used to meet the participation goal must be included on the MBE Participation Schedule. Note: If the procurement includes a list of the MBE Firms identified during the goal setting process as potentially available to perform the items of work, the Bidder/Offeror should solicit all of those MBE Firms or explain why a specific MBE was not solicited. If the Bidder/Offeror identifies additional MBE Firms who may be available to perform Identified Items of Work, those additional MBE Firms should also be included below. Copies of all written solicitations and documentation of follow-up calls to MBE Firms must be attached to this form. This list should be accompanied by a Minority Contractor Unavailability Certificate signed by the MBE contractor or a statement from the Bidder/Offeror that the MBE contractor refused to sign the Minority Contractor Unavailability Certificate (see Attachment D-1B – Exhibit A). If the Bidder/Offeror used a Non-MBE or is self-performing the identified items of work, Part 3 must be completed.

In order to assist Offerors in the preparation of their Financial Proposal and to comply with the requirements of this solicitation, Financial Proposal Instructions and a Financial Proposal Form have been prepared. Offerors shall submit their Financial Proposal on the Financial Proposal Form in accordance with the instructions on the Financial Proposal Form and as specified herein. Do not alter the Financial Proposal Form or the Proposal may be determined to be not reasonably susceptible of being selected for award. The Financial Proposal Form is to be signed and dated, where requested, by an individual who is authorized to bind the Offeror to the prices entered on the Financial Proposal Form.

The Financial Proposal Form is used to calculate the Offeror’s TOTAL PROPOSAL PRICE. Follow these instructions carefully when completing your Financial Proposal Form:

A) All Unit and Extended Prices must be clearly entered in dollars and cents, e.g., $24.15. Make your decimal points clear and distinct.

B) All Unit Prices must be the actual price per unit the State will pay for the specific item or service identified in this RFP and may not be contingent on any other factor or condition in any manner.

C) All calculations shall be rounded to the nearest cent, i.e., .344 shall be .34 and .345 shall be .35.

D) Any goods or services required through this RFP and proposed by the vendor at No Cost to the State must be clearly entered in the Unit Price, if appropriate, and Extended Price with $0.00.

E) Every blank in every Financial Proposal Form shall be filled in. Any changes or corrections made to the Financial Proposal Form by the Offeror prior to submission shall be initialed and dated.

F) Except as instructed on the Financial Proposal Form, nothing shall be entered on or attached to the Financial Proposal Form that alters or proposes conditions or contingencies on the prices. Alterations and/or conditions may render the Proposal not reasonably susceptible of being selected for award.

G) It is imperative that the prices included on the Financial Proposal Form have been entered correctly and calculated accurately by the Offeror and that the respective total prices agree with the entries on the Financial Proposal Form. Any incorrect entries or inaccurate calculations by the Offeror will be treated as provided in COMAR 21.05.03.03E and 21.05.02.12, and may cause the Proposal to be rejected.

H) If option years are included, Offerors must submit pricing for each option year. Any option to renew will be exercised at the sole discretion of the State and will comply with all terms and conditions in force at the time the option is exercised. If exercised, the option period shall be for a period identified in the RFP at the prices entered in the Financial Proposal Form.

I) All Financial Proposal prices entered below are to be fully loaded prices that include all costs/expenses associated with the provision of services as required by the RFP. The Financial Proposal price shall include, but is not limited to, all: labor, profit/overhead, general operating, administrative, and all other expenses and costs necessary to perform the work set forth in the solicitation. No other amounts will be paid to the Contractor. If labor rates are requested, those amounts shall be fully-loaded rates; no overtime amounts will be paid.

J) Unless indicated elsewhere in the RFP, sample amounts used for calculations on the Financial Proposal Form are typically estimates for evaluation purposes only. Unless stated otherwise in the RFP, the Department does not guarantee a minimum or maximum number of units or usage in the performance of this Contract.

K) Failure to adhere to any of these instructions may result in the Proposal being determined not reasonably susceptible of being selected for award.

FINANCIAL PROPOSAL FORM

The Financial Proposal Form shall contain all price information in the format specified on these pages. Complete the Financial Proposal Form only as provided in the Financial Proposal Instructions. Do not amend, alter or leave blank any items on the Financial Proposal Form. If option years are included, Offerors must submit pricing for each option year. Failure to adhere to any of these instructions may result in the Proposal being determined not reasonably susceptible of being selected for award.

Living Wage Requirements for Service Contracts

A. This contract is subject to the Living Wage requirements under Md. Code Ann., State Finance and Procurement Article, Title 18, and the regulations proposed by the Commissioner of Labor and Industry (Commissioner). The Living Wage generally applies to a Contractor or Subcontractor who performs work on a State contract for services that is valued at $100,000 or more. An employee is subject to the Living Wage if he/she is at least 18 years old or will turn 18 during the duration of the contract; works at least 13 consecutive weeks on the State Contract and spends at least one-half of the employee’s time during any work week on the State Contract.

B. The Living Wage Law does not apply to:

(1) A Contractor who:

(a) Has a State contract for services valued at less than $100,000, or

(b) Employs 10 or fewer employees and has a State contract for services valued at less than $500,000.

(2) A Subcontractor who:

(a) Performs work on a State contract for services valued at less than $100,000,

(b) Employs 10 or fewer employees and performs work on a State contract for services valued at less than $500,000, or

(c) Performs work for a Contractor not covered by the Living Wage Law as defined in B(1)(b) above, or B(3) or C below.

(3) Service contracts for the following:

(a) Services with a Public Service Company;

(b) Services with a nonprofit organization;

(c) Services with an officer or other entity that is in the Executive Branch of the State government and is authorized by law to enter into a procurement (“Unit”); or

(d) Services between a Unit and a County or Baltimore City.

C. If the Unit responsible for the State contract for services determines that application of the Living Wage would conflict with any applicable Federal program, the Living Wage does not apply to the contract or program.
D. A Contractor must not split or subdivide a State contract for services, pay an employee through a third party, or treat an employee as an independent Contractor or assign work to employees to avoid the imposition of any of the requirements of Md. Code Ann., State Finance and Procurement Article, Title 18.

E. Each Contractor/Subcontractor, subject to the Living Wage Law, shall post in a prominent and easily accessible place at the work site(s) of covered employees a notice of the Living Wage Rates, employee rights under the law, and the name, address, and telephone number of the Commissioner.

F. The Commissioner shall adjust the wage rates by the annual average increase or decrease, if any, in the Consumer Price Index for all urban consumers for the Washington/Baltimore metropolitan area, or any successor index, for the previous calendar year, not later than 90 days after the start of each fiscal year. The Commissioner shall publish any adjustments to the wage rates on the Division of Labor and Industry’s website. An employer subject to the Living Wage Law must comply with the rate requirements during the initial term of the contract and all subsequent renewal periods, including any increases in the wage rate, required by the Commissioner, automatically upon the effective date of the revised wage rate.

G. A Contractor/Subcontractor who reduces the wages paid to an employee based on the employer’s share of the health insurance premium, as provided in Md. Code Ann., State Finance and Procurement Article, §18-103(c), shall not lower an employee’s wage rate below the minimum wage as set in Md. Code Ann., Labor and Employment Article, §3-413. A Contractor/Subcontractor who reduces the wages paid to an employee based on the employer’s share of health insurance premium shall comply with any record reporting requirements established by the Commissioner.

H. A Contractor/Subcontractor may reduce the wage rates paid under Md. Code Ann., State Finance and Procurement Article, §18-103(a), by no more than 50 cents of the hourly cost of the employer’s contribution to an employee’s deferred compensation plan. A Contractor/Subcontractor who reduces the wages paid to an employee based on the employer’s contribution to an employee’s deferred compensation plan shall not lower the employee’s wage rate below the minimum wage as set in Md. Code Ann., Labor and Employment Article, §3-413.

I. Under Md. Code Ann., State Finance and Procurement Article, Title 18, if the Commissioner determines that the Contractor/Subcontractor violated a provision of this title or regulations of the Commissioner, the Contractor/Subcontractor shall pay restitution to each affected employee, and the State may assess liquidated damages of $20 per day for each employee paid less than the Living Wage.

J. Information pertaining to reporting obligations may be found by going to the Division of Labor and Industry website http://www.dllr.state.md.us/labor/ and clicking on Living Wage for State Service Contracts.

A Summary of Certain Federal Fund Requirements and Restrictions

1. Form and rule enclosed: 18 U.S.C. 1913 and Section 1352 of P.L. 101-121 require that all prospective and present sub-grantees (this includes all levels of funding) who receive more than $100,000 in federal funds must submit the form “Certification Against Lobbying.” It assures, generally, that recipients will not lobby federal entities with federal funds, and that, as is required, they will disclose other lobbying on form SF-LLL.

2. Form and instructions enclosed: “Form LLL, Disclosure of Lobbying Activities” must be submitted by those receiving more than $100,000 in federal funds, to disclose any lobbying of federal entities (a) with profits from federal contracts or (b) funded with nonfederal funds.

3. Form and summary of Act enclosed: Sub-recipients of federal funds on any level must complete a “Certification Regarding Environmental Tobacco Smoke,” required by Public Law 103-227, the Pro-Children Act of 1994. Such law prohibits smoking in any portion of any indoor facility owned or leased or contracted for regular provision of health, day care, early childhood development, education, or library services for children under the age of 18. Such language must be included in the conditions of award (they are included in the certification, which may be part of such conditions.) This does not apply to those solely receiving Medicaid or Medicare, or facilities where WIC coupons are redeemed.

4. In addition, federal law requires that:

   A) OMB Circular A-133, Audits of States, Local Governments and Non-Profit Organizations requires that grantees (both recipients and sub-recipients) which expend a total of $300,000 or more ($500,000 for fiscal years ending after December 31, 2003) in federal assistance shall have a single or program-specific audit conducted for that year in accordance with the provisions of the Single Audit Act of 1984, P.L. 98-502, and the Single Audit Act Amendments of 1996, P.L. 104-156 and the Office of Management and Budget (OBM) Circular A-133. All sub-grantee audit reports, performed in compliance with the aforementioned Circular shall be forwarded within 30 days of report issuance to the Department Contract Monitor.

   B) All sub-recipients of federal funds comply with Sections 503 and 504 of the Rehabilitation Act of 1973, the conditions of which are summarized in item (C).

   C) Recipients of $10,000 or more (on any level) must include in their contract language the requirements of Sections 503 (language specified) and 504 referenced in item (B).

   Section 503 of the Rehabilitation Act of 1973, as amended, requires recipients to take affirmative action to employ and advance in employment qualified disabled people. An affirmative action program must be prepared and maintained by all contractors with 50 or more employees and one or more federal contracts of $50,000 or more.

This clause must appear in subcontracts of $10,000 or more:

   a) The contractor will not discriminate against any employee or applicant for employment because of physical or mental handicap in regard to any position for which the employee or applicant for
employment is qualified. The contractor agrees to take affirmative action to employ, advance in employment and otherwise treat qualified handicapped individuals without discrimination based upon their physical or mental handicap in all upgrading, demotion or transfer, recruitment, advertising, layoff or termination, rates of pay or other forms of compensation, and selection for training, including apprenticeship.

b) The contractor agrees to comply with the rules, regulations, and relevant orders of the secretary of labor issued pursuant to the act.

c) In the event of the contractor’s non-compliance with the requirements of this clause, actions for non-compliance may be taken in accordance with the rules, regulations and relevant orders of the secretary of labor issued pursuant to the act.

d) The contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices in a form to be prescribed by the director, provided by or through the contracting office. Such notices shall state the contractor’s obligation under the law to take affirmative action to employ and advance in employment qualified handicapped employees and applicants for employment, and the rights of applicants and employees.

e) The contractor will notify each labor union or representative of workers with which it has a collective bargaining agreement or other contract understanding, that the contractor is bound by the terms of Section 503 of the Rehabilitation Act of 1973, and is committed to take affirmative action to employ and advance in employment physically and mentally handicapped individuals.

f) The contractor will include the provisions of this clause in every subcontract or purchase order of $10,000 or more unless exempted by rules, regulations, or orders of the federal secretary issued pursuant to Section 503 of the Act, so that such provisions will be binding upon each subcontractor or vendor. The contractor will take such action with respect to any subcontract or purchase order as the director of the Office of Federal Contract Compliance Programs may direct to enforce such provisions, including action for non-compliance.

Section 504 of the Rehabilitation Act of 1973, as amended (29 U.S.C. Sec. 791 et seq.) prohibits discrimination on the basis of handicap in all federally assisted programs and activities. It requires the analysis and making of any changes needed in three general areas of operation—programs, activities, and facilities and employment. It states, among other things, that:

Grantees that provide health ... services should undertake tasks such as ensuring emergency treatment for the hearing impaired and making certain that persons with impaired sensory or speaking skills are not denied effective notice with regard to benefits, services, and waivers of rights or consents to treatments.

D) All sub-recipients comply with Title VI of the Civil Rights Act of 1964 that they must not discriminate in participation by race, color, or national origin.

E) All sub-recipients of federal funds from SAMHSA (Substance Abuse and Mental Health Services Administration) or NIH (National Institute of Health) are prohibited from paying any direct salary at a rate more than Executive Level 1 per year. (This includes, but is not limited to, sub-recipients of the Substance Abuse Prevention and Treatment and the Community Mental Health Block Grants and NIH research grants.)
F) There may be no discrimination on the basis of age, according to the requirements of the Age Discrimination Act of 1975.

G) For any education program, as required by Title IX of the Education Amendments of 1972, there may be no discrimination on the basis of sex.

H) For research projects, a form for Protection of Human Subjects (Assurance/ Certification/ Declaration) should be completed by each level funded, assuring that either: (1) there are no human subjects involved, or that (2) an Institutional Review Board (IRB) has given its formal approval before human subjects are involved in research. [This is normally done during the application process rather than after the award is made, as with other assurances and certifications.]

I) In addition, there are conditions, requirements, and restrictions which apply only to specific sources of federal funding. These should be included in your grant/contract documents when applicable.

CERTIFICATION REGARDING ENVIRONMENTAL TOBACCO SMOKE

Public Law 103-227, also known as the Pro Children Act of 1994, Part C Environmental Tobacco Smoke, requires that smoking not be permitted in any portion of any indoor facility owned, or leased or contracted for by an entity and used routinely or regularly for provision of health, day care, early childhood development services, education or library services to children under the age of 18, if the services are funded by Federal programs either directly or through State or local governments, by Federal grant, contract, loan, or loan guarantee. The law also applies to children’s services that are provided in indoor facilities that are constructed, operated or maintained with such Federal funds. The law does not apply to children’s services provided in private residences, portions of facilities used for inpatient drug or alcohol treatment, service providers whose sole sources of applicable Federal funds is Medicare or Medicaid, or facilities where WIC coupons are redeemed. Failure to comply with the provisions of the law may result in the imposition of a civil monetary penalty of up to $1000 for each violation and/or the imposition of an administrative compliance order on the responsible entity.

By signing this certification, the offeror/contractor (for acquisitions) or applicant/grantee (for grants) certifies that the submitting organization will comply with the requirements of the Act and will not allow smoking within any portion of any indoor facility used for the provision of services for children as defined by the Act.

The submitting organization further agrees that it will require the language of this certification be included in any sub-awards which contain provisions for children’s services and that all sub-recipients shall certify accordingly.

RECITALS

WHEREAS, the Contractor has been awarded a contract (the “Contract”) following the solicitation for Level of Need Assessments Solicitation # 17-15929; and

WHEREAS, in order for the Contractor to perform the work required under the Contract, it will be necessary for the State at times to provide the Contractor and the Contractor’s employees, agents, and subcontractors (collectively the “Contractor’s Personnel”) with access to certain information the State deems confidential information (the “Confidential Information”).

NOW, THEREFORE, in consideration of being given access to the Confidential Information in connection with the solicitation and the Contract, and for other good and valuable consideration, the receipt and sufficiency of which the parties acknowledge, the parties do hereby agree as follows:

1. Regardless of the form, format, or media on or in which the Confidential Information is provided and regardless of whether any such Confidential Information is marked as such, Confidential Information means (1) any and all information provided by or made available by the State to the Contractor in connection with the Contract and (2) any and all Personally Identifiable Information (PII) (including but not limited to personal information as defined in Md. Ann. Code, State Govt. §10-1301) and Protected Health Information (PHI) that is provided by a person or entity to the Contractor in connection with this Contract. Confidential Information includes, by way of example only, information that the Contractor views, takes notes from, copies (if the State agrees in writing to permit copying), possesses or is otherwise provided access to and use of by the State in relation to the Contract.

B. Specific definitions:
1. Business Associate. “Business Associate” shall generally have the same meaning as the term “business associate” at 45 C.F.R. 160.103, and in reference to the party to this agreement, shall mean (Insert Name of Contractor).

2. Covered Entity. “Covered Entity” shall generally have the same meaning as the term “covered entity” at 45 C.F.R. § 160.103, and in reference to the party to this agreement, shall mean Developmental Disabilities Administration.

PERMITTED USES AND DISCLOSURES OF PHI BY BUSINESS ASSOCIATE.

A. Business Associate may only use or disclose PHI as necessary to perform the services set forth in the Underlying Agreement or as required by law.

B. Business Associate agrees to make uses and disclosures and requests for PHI consistent with Covered Entity’s policies and procedures regarding minimum necessary use of PHI.

C. Business Associate may not use or disclose PHI in a manner that would violate Subpart E of 45 C.F.R. Part 164 if done by Covered Entity.

D. Business Associate may, if directed to do so in writing by Covered Entity, create a limited data set, as defined at 45 CFR 164.514(e)(2) , for use in public health, research, or health care operations. Any such limited data sets shall omit any of the identifying information listed in 45 CFR § 164.514(e)(2). Business Associate will enter into a valid, HIPAA-compliant Data Use Agreement, as described in 45 CFR § 164.514(e)(4), with the limited data set recipient. Business Associate will report any material breach or violation of the data use agreement to Covered Entity immediately after it becomes aware of any such material breach or violation.

E. Except as otherwise limited in this Agreement, Business Associate may disclose PHI for the proper management and administration, or legal responsibilities of the Business Associate, provided that disclosures are Required By Law, or Business Associate obtains reasonable assurances from the person to whom the information is disclosed that it will remain confidential and used or further disclosed only as Required By Law or for the purpose for which it was disclosed to the person, and the person notifies the Business Associate of any instances of which it is aware in which the confidentiality of the information has been breached.

F. The Business Associate shall not directly or indirectly receive remuneration in exchange for any PHI of an Individual pursuant to §§13405(d)(1) and (2) of the HITECH Act. A. Business Associate agrees that it will not use or disclose PHI other than as permitted or required by the Agreement or as Required by Law;

B. Business Associate agrees to use appropriate administrative, technical and physical safeguards to protect the privacy of PHI.

C. Business Associate agrees to use appropriate safeguards, and comply with Subpart C of 45 C.F.R. Part 164 with respect to electronic PHI, to prevent use or disclosure of PHI other than as provided for by the Agreement;

D. 1. Business Associate agrees to Report to Covered Entity any use or disclosure of PHI not provided for by the Agreement of which it becomes aware, including breaches of unsecured PHI as required by 45 C.F.R. § 164.410, and any Security Incident of which it becomes aware without reasonable delay, and in no case later than fifteen calendar days after the use or disclosure;

2. If the use or disclosure amounts to a breach of unsecured PHI, the Business Associate shall ensure its report:

   A. Is made to Covered Entity without unreasonable delay and in no case later than fifteen (15) calendar days after the incident constituting the Breach is first known, except where a law enforcement official determines that a notification would impede a criminal investigation or cause damage to national security. For purposes of clarity for this Section III.D.1, Business Associate must notify Covered Entity of an incident involving the acquisition, access, use or disclosure of PHI in a manner not permitted under 45 C.F.R. Part E within fifteen (15) calendar days after an incident even if Business Associate has not conclusively determined within that time that the incident constitutes a Breach as defined by HIPAA;

   B. Includes the names of the Individuals whose Unsecured PHI has been, or is reasonably believed to have been, the subject of a Breach;

   C. Is in substantially the same form as ATTACHMENT K-1 attached hereto; and

   D. Includes a draft letter for the Covered Entity to utilize to notify the affected Individuals that their Unsecured PHI has been, or is reasonably believed to have been, the subject of a Breach that includes, to the extent possible:

      i) A brief description of what happened, including the date of the Breach and the date of the discovery of the Breach, if known;
ii) A description of the types of Unsecured PHI that were involved in the Breach (such as full name, Social Security number, date of birth, home address, account number, disability code, or other types of information that were involved);

iii) Any steps the affected Individuals should take to protect themselves from potential harm resulting from the Breach;

iv) A brief description of what the Covered Entity and the Business Associate are doing to investigate the Breach, to mitigate losses, and to protect against any further Breaches; and

v) Contact procedures for the affected Individuals to ask questions or learn additional information, which shall include a toll-free telephone number, an e-mail address, website, or postal address.

E. To the extent permitted by the Underlying Agreement, Business Associate may use agents and subcontractors. In accordance with 45 C.F.R. §§ 164.502(e)(1)(ii) and 164.308(b)(2) shall ensure that any subcontractors that create, receive, maintain, or transmit PHI on behalf of the Business Associate agree to the same restrictions, conditions, and requirements that apply to the Business Associate with respect to such information, Business Associate must enter into Business Associate Agreements with subcontractors as required by HIPAA;

F. Business Associate agrees it will make available PHI in a designated record set to the Covered Entity, or, as directed by the Covered Entity, to an individual, as necessary to satisfy Covered Entity’s obligations under 45 C.F.R. § 164.524, including, if requested, a copy in electronic format;

G. Business Associate agrees it will make any amendment(s) to PHI in a designated record set as directed or agreed to by the Covered Entity pursuant to 45 C.F.R. § 164.526, or take other measures as necessary to satisfy Covered Entity’s obligations under 45 C.F.R. § 164.526;

H. Business Associate agrees to maintain and make available the information required to provide an accounting of disclosures to the Covered Entity or, as directed by the Covered Entity, to an individual, as necessary to satisfy Covered Entity’s obligations under 45 C.F.R. § 164.528;

I. To the extent the Business Associate is to carry out one or more of Covered Entity's obligation(s) under Subpart E of 45 C.F.R. Part 164, comply with the requirements of Subpart E that apply to the Covered Entity in the performance of such obligation(s);

J. Business Associate agrees to make its internal practices, books, and records, including PHI, available to the Covered Entity and/or the Secretary for purposes of determining compliance with the HIPAA Rules.
K. Business Associate agrees to mitigate, to the extent practicable, any harmful effect that is known to Business Associate of a use or disclosure of PHI by Business Associate in violation of the requirements of this Agreement.

IV. TERM AND TERMINATION

A. Term. The Term of this Agreement shall be effective as of the effective date of the Contract entered into following the solicitation for Level of Need Assessments, Solicitation # 17-15929, and shall terminate when all of the PHI provided by Covered Entity to Business Associate, or the PHI created or received by Business Associate on behalf of Covered Entity, is destroyed or returned to Covered Entity, in accordance with the termination provisions in this Section IV, or on the date the Covered Entity terminates for cause as authorized in paragraph (b) of this Section, whichever is sooner. If it is impossible to return or destroy all of the PHI provided by Covered Entity to Business Associate, or the PHI created or received by Business Associate on behalf of Covered Entity, Business Associate’s obligations under this contract shall be ongoing with respect to that information, unless and until a separate written agreement regarding that information is entered into with Covered Entity.

B. Termination for Cause. Upon Covered Entity's knowledge of a material breach of this Agreement by Business Associate, Covered Entity shall:

1. Provide an opportunity for Business Associate to cure the breach or end the violation and, if Business Associate does not cure the breach or end the violation within the time specified by Covered Entity, terminate this Agreement; or

2. Immediately terminate this Agreement if Business Associate has breached a material term of this Agreement and Covered entity determines or reasonably believes that cure is not possible.

C. Effect of Termination.

1. Upon termination of this Agreement, for any reason, Business Associate shall return or, if agreed to by Covered Entity, destroy all PHI received from Covered Entity, or created, maintained, or received by Business Associate on behalf of Covered Entity, that the Business Associate still maintains in any form. Business Associate shall retain no copies of the PHI. This provision shall apply to PHI that is in the possession of subcontractors or agents of Business Associate.

2. Should Business Associate make an intentional or grossly negligent Breach of PHI in violation of this Agreement or HIPAA or an intentional or grossly negligent disclosure of information protected by the MCMRA, Covered Entity shall have the right to immediately terminate any contract, other than this Agreement, then in force between the Parties, including the Underlying Agreement.

D. Survival. The obligations of Business Associate under this Section shall survive the termination of this agreement.
V. CONSIDERATION

Business Associate recognizes that the promises it has made in this Agreement shall, henceforth, be detrimentally relied upon by Covered Entity in choosing to continue or commence a business relationship with Business Associate.

VI. REMEDIES IN EVENT OF BREACH

Business Associate hereby recognizes that irreparable harm will result to Covered Entity, and to the business of Covered Entity, in the event of breach by Business Associate of any of the covenants and assurances contained in this Agreement. As such, in the event of breach of any of the covenants and assurances contained in Sections II or III above, Covered Entity shall be entitled to enjoin and restrain Business Associate from any continued violation of Sections II or III. Furthermore, in the event of breach of Sections II or III by Business Associate, Covered Entity is entitled to reimbursement and indemnification from Business Associate for Covered Entity’s reasonable attorneys’ fees and expenses and costs that were reasonably incurred as a proximate result of Business Associate’s breach. The remedies contained in this Section VI shall be in addition to, not in lieu of, any action for damages and/or any other remedy Covered Entity may have for breach of any part of this Agreement or the Underlying Agreement or which may be available to Covered Entity at law or in equity.

VII. MODIFICATION; AMENDMENT

This Agreement may only be modified or amended through a writing signed by the Parties and, thus, no oral modification or amendment hereof shall be permitted. The Parties agree to take such action as is necessary to amend this Agreement from time to time as is necessary for Covered Entity to comply with the requirements of the HIPAA rules and any other applicable law.

VIII. INTERPRETATION OF THIS AGREEMENT IN RELATION TO OTHER AGREEMENTS BETWEEN THE PARTIES

Should there be any conflict between the language of this Agreement and any other contract entered into between the Parties (either previous or subsequent to the date of this Agreement), the language and provisions of this Agreement shall control and prevail unless the parties specifically refer in a subsequent written agreement to this Agreement by its title and date and specifically state that the provisions of the later written agreement shall control over this Agreement.

IX. COMPLIANCE WITH STATE LAW

The Business Associate acknowledges that by accepting the PHI from Covered Entity, it becomes a holder of medical information under the MCMRA and is subject to the provisions of that law. If the HIPAA Privacy or Security Rules and the MCMRA conflict regarding the degree of protection provided for PHI, Business Associate shall comply with the more restrictive protection requirement.
