			<p>Section 3.6.6 states that any subcontractors obtain and maintain comparable levels of coverage. This paragraph also states, "If the State is seeking Offeror agreement to any requirement(s), the Offeror shall state its agreement or disagreement." however the RFP does not specify which sections/requirements the state is seeking agreement on.</p>	<p>The agreements proposed would be sufficient for the proposal but as there are no specific clauses to agree upon, this is not mandatory.</p>

		<p>Please clarify which subsections under sections 2 and 3 of the RFP a statement of agreement only would be appropriate. For example, would a statement of agreement be appropriate for the following sections: 2.1 Summary Statement; 2.2, Background and Purpose, 2.3.3.A. MCO NCQA Accreditation; 2.3.12 Required Project Policies, Guidelines and Methodologies, 2.3.13 Product Requirements; 2.4.1 Deliverable Submission; 2.4.2 Deliverable Acceptance; 3.2.5 Return and Maintenance of State Data; 3.3 Invoicing; 3.4 Liquidation of Damages; 3.5.3 Data Ownership and Access; 3.6 Insurance Requirements; 3.7 Security Requirements (3.7.2.C, 3.7.2.E.,3.7.4.a., 3.7.6.D., 3.7.7.B., 3.7.8, 3.7.9); 3.8.4 Rights of the Contract Monitor or the State; 3.11.2 Definitions; 3.11.3. 		<p>staff, if applicable, to be used by the Offeror in providing the required goods and services as outlined in RFP Section 2, Contractor Requirements: Scope of Work.” Since the specific methodology, techniques, and number of staff will be discussed thoroughly in the narrative, is it acceptable that the Work Plan take on a more traditional layout and consist of Task/Sub-Task Description, Start Date, and End Date?</p>	
		<p>Section 5.3.2.F.4 states, “Offeror shall provide the proposed implementation scheduled with its proposal.” The schedule for this work is driven by NCQA’s guidelines. Please confirm the scope of services to be included in the implementation schedule since the audit schedule is defined by NCQA.</p>	<p>The offeror should use the NCQA implementation schedule or refer to it to respond to the RFP.</p>
		<p>Section 5.3.2.F.5 requires the Offeror to submit a draft PEP. In addition to providing a draft PEP, does the Department require an explanation of work to be performed in developing a draft PEP under this section?
