

MARYLAND Department of Health

Maryland Department of Health Small Business Regulations Compliance Guide

COMAR 10.09.33 Health Homes

- *What does regulation this regulation do?*

The purpose of this action is to update the monthly rate to comply with the Fiscal Year 2020 budget, which provides for a 3.5 percent rate increase for Health Home providers beginning July 1, 2019.

- *Who is subject to the new regulation?*

Health Home providers.

- *Why was this regulation proposed?*

To increase Health Home provider rates by 3.5 percent to comply with the Fiscal Year 2020 state budget.

- *When is this regulation effective?*

The regulation will be retroactively effective July 1, 2019.

- *Is funding available to implement new requirements established by the regulation?*

Yes, the Fiscal Year 2020 budget provides funding for this rate increase.

- *Are there other resources available for implementing the requirements of the regulation?*

Not applicable: the proposed regulations will simply increase the rates paid to Health Homes by 3.5 percent.

- *Is there assistance available to help understand the requirements of the regulation?*

Yes, the Department of Health's Medical Cares Program is available to explain any changes to existing requirements, or new requirements, made by this regulation. Questions about specific provisions of the regulation should be directed to Alison Donley at (410) 767-6541 or at Alison.donley@maryland.gov.
