

MARYLAND Department of Health

Compliance Guide for New Regulations for Small Businesses

- What does this regulation do?

This chapter is being updated to align with the Department's recently approved (FY23 Budget) increased reimbursement rate for Developmental Disabilities Administration (DDA) targeted case management (TCM) providers by 8 percent.

- Who is subject to the new regulation?

Targeted case manager providers.

- Why were the new regulations adopted?

To include an 8 percent increased reimbursement rate for Developmental Disabilities Administration (DDA) targeted case management (TCM) providers.

- When are the regulations effective?

July 1, 2022

- Is funding available to implement new requirements established by the regulation?

Yes, via the Medicaid FY23 Budget.

- Are there other resources available for implementing the requirements of the regulation?

No

- Is there assistance available to help understand the requirements of the regulation?

Yes, MDH staff are available to assist with understanding. Please contact Alisa Jones, Chief, Division of Community Long Term Care, at 410-767-3014 regarding these regulations.

Key Terms and Definitions

Targeted Case Management (TCM) is a service that manages multiple resources for Medicaid members. It is designed to help persons with intellectual disabilities, brain injury, or developmental disabilities gain access to appropriate and necessary medical services and interrelated social and education services.
