## DEPARTMENT OF HEALTH

Wes Moore, Governor · Aruna Miller, Lt. Governor · Meena Seshamani, M.D., Ph.D., Secretary

February 2, 2026

Meena Seshamani, MD, PhD  
Secretary of Health  
Maryland Department of Health  
201 West Preston Street,  
Baltimore, Maryland 21201

Dear Secretary Seshamani:

In accordance with the Regulatory Review and Evaluation Act (RREA), State Government Article, §§10-130—10-139, Annotated Code of Maryland Board of Nursing submits this Work Plan Report for COMAR 10.53 Board of Nursing - Electrology Practice Committee.

The Board of Nursing, requests an exemption from the RREA, in accordance with State Government Article, §10-132.1(b)(1) for the following chapters:

- COMAR 10.53.02 - Licensure - CA 05/20/2019
- COMAR 10.53.03 - Electrology Examination - CA 05/20/2019
- COMAR 10.53.04 - Continuing Education - CA 05/20/2019
- COMAR 10.53.05 - Standards of Practice and Conduct - CA 10/13/2025
- COMAR 10.53.06 - Electrology Programs - CA 05/20/2019
- COMAR 10.53.09 - Sterilization Procedures - CA 08/05/2024

During the next year, the Board of Nursing will conduct a thorough review of the COMAR 10.53 Board of Nursing - Electrology Practice Committee regulations. To accomplish this and ensure adequate stakeholder participation, the Board of Nursing will do the following:

- Invite public comment and ensure participation of stakeholders in the review process of these regulations via a notification of comment opportunity that is posted on the [MDH Regulatory Review website](#), publication of notice in the Maryland Register, and posting of the notice on the unit's website.
- Ensure participation in the review process of other units in State government; the Board of Nursing will work to solicit comments and feedback from other MDH internal units via email.
- Gather and review any applicable scientific information related to the regulations and any similar regulations adopted or repealed by other states or the federal government. The

Board will research other states’ regulations, particularly those in states contiguous to Maryland, as well as jurisdictions nationally that license electrology. Additionally, the Board will research other state agency regulations to identify similarities and how they are structured.

The tentative schedule for this review and set forth in the below table:

April 1, 2026

Meena Seshamani, MD, PhD  
Secretary of Health  
Maryland Department of Health  
201 West Preston Street,  
Baltimore, Maryland 21201

Dear Secretary Seshamani:

In accordance with the Regulatory Review and Evaluation Act (RREA), State Government Article, §§10-130—10-139, Annotated Code of Maryland, the Prevention and Health Promotion Administration (PHPA) submits this Work Plan Report for COMAR 10.54 Special Supplemental Nutrition Program for Women, Infants, and Children.

During the next year, PHPA's Maternal and Child Health Bureau (MCHB) will conduct a thorough review of the COMAR 10.54 Special Supplemental Nutrition Program for Women, Infants, and Children regulations. To accomplish this and ensure adequate stakeholder participation, MCHB will do the following:

- Invite public comment and ensure participation of stakeholders in the review process of these regulations via:
  - A notification of comment opportunity that is posted on the [MDH Regulatory Review website](#);
  - A publication of notice in the Maryland Register;
  - A posting of notice on the unit's website; and
  - A notification to the Maryland Retailers Association.
- Ensure participation in the review process of other units in State government, although MCHB does not expect there to be any other relevant areas of state government at this time.
- Gather and review any applicable scientific information related to the regulations and any similar regulations adopted or repealed by other states or the federal government, particularly ensuring that Maryland's WIC regulations are in alignment with federal regulations.

The tentative schedule for this review and set forth in the below table:

December 4, 2026

Meena Seshamani, MD, PhD  
Secretary of Health  
Maryland Department of Health  
201 West Preston Street,  
Baltimore, Maryland 21201

Dear Secretary Seshamani:

In accordance with the Regulatory Review and Evaluation Act (RREA), State Government Article, §§10-130—10-139, Annotated Code of Maryland, the Office of Preparedness and Response (OP&R) submits this Work Plan Report for COMAR 10.59 [Catastrophic Health Emergencies].

During the next year, OP&R will conduct a thorough review of the COMAR 10.59 [Catastrophic Health Emergencies] regulations. To accomplish this and ensure adequate stakeholder participation, OP&R will do the following:

- Invite public comment and ensure participation of stakeholders in the review process of these regulations via a notification of comment opportunity with a survey link that is posted on the [MDH Office of Regulation & Policy Coordination \(ORPC\) website](#). A draft version of the Evaluation Report will also be posted on the website for public review and comment.
- Send a survey to solicit comments and feedback from the health care coalitions, which includes hospitals/healthcare facilities, local health departments (LHDs), local emergency management, and local EMS to ensure stakeholder participation in the review process.
- Send a survey to solicit comments and feedback from the MDH Office of Health Care Quality (OHCQ), MDH Healthcare Systems, MDH Prevention & Health Promotion Administration, Maryland Institute for Emergency Medical Services Systems (MIEMSS), Maryland Department of Emergency Management (MDEM), and LHDs to ensure participation in the review process of other units in State government
- Gather and review any applicable scientific information related to the regulations and any similar regulations adopted or repealed by other states or the federal government as well as review relevance to Public Health Accreditation Board (PHAB) accreditation.

The tentative schedule for this review and set forth in the below table:
