

Maryland State Health Improvement Process (SHIP)

Objective 28: Reduce emergency department visits due to hypertension

Update Summary: Not moving toward the Maryland 2014 Target

Local-Level Data

Measure: Rate of emergency department visits due to hypertension (per 100,000 population)

Data Source: Maryland Health Services Cost Review Commission (HSCRC)

Note: Data are coded by patient's county of residence. Only visits made by Maryland residents to Maryland hospitals were used for the analysis; emergency department visits made to hospitals outside of Maryland were not included.

County	2010	2011
State of Maryland	213.1	222.2
