

# HEALTH ADVISORY

Due to the release of unsanitized wastewater from the St. Michaels Treatment Plant into the Miles River, the Talbot County Health Department has issued the following advisory.

**AREA OF ADVISORY:** Headwaters of the Miles River to Eastern Bay.

**PRECAUTIONS:** Individuals should avoid direct water contact in the advisory area.

**EFFECTIVE DATES:** July 29, 2017, and until further notice.

**CONTACT:** Dave Russ, Talbot County Health Department, Office of Environmental Health at 410-770-6880.
