515 PEOPLE TESTED FOR COVID-19 AT SECOND ALLEGANY COUNTY DRIVE-THRU EVENT

CUMBERLAND, MD – On Sunday, July 12, the Allegany County Health Department held a second drive-thru COVID-19 testing clinic at the Allegany County Fairgrounds. A total of 515 people were tested at Sunday's event, for a grand total of 1,059 tests administered over the course of two drive-thru clinics. As with last Thursday's clinic, individuals testing positive will be contacted by the health department as soon as their results are received. Those testing negative will not be contacted but can call the health department in two to four days to confirm their negative result if they like.
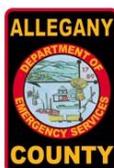

The county has recorded four new community cases of coronavirus since Friday. None of the new cases has required hospitalization. They include two males and one female in their 20s and one male in his 80s. Allegany County's total count of positive cases for COVID-19 now stands at 218.
