Re: Notice of Suspension

Dear Dr. Mirza,

On October 24, 2016, the Maryland State Board of Chiropractic Therapy Examiners ("Board") notified you that the Howard Office of Child Support Enforcement Administration of the MD Dept. of Human Resources ("Administration") directed the Board to suspend your license to practice chiropractic in the State of Maryland for delinquent child support, pursuant to Maryland Family Law Code Ann. §10-119.3 (2006 Repl. Vol. and 2009 Supp.). With that notification, you were advised that the enclosed unexecuted Order of Suspension would be executed unless you notified the Board in writing that you wish to contest the proposed suspension on the sole basis of mistaken identity within 30 days of the date of the notice.

As of the date of this letter, the Board has not received any such contest as to the suspension of your license, nor has the Board been informed by the Administration that the child support delinquencies have been resolved. Accordingly, the enclosed Order of Suspension was executed on December 29, 2016. Your chiropractic license is hereby **SUSPENDED**.

Maryland law requires that your license remain suspended unless and until the Board receives notification from the Administration that your license should be reinstated, pursuant to Fam. Law. §10-119.3(k). For questions on resolving your child support delinquency, call the Child Support Enforcement Administration of the MD Dept. of Human Resources at 1-800-332-6347 .

Very truly yours,

Kimberly B. Link
