If scanning, scan to Maryland State Archives standards and destroy originals. Scanned images must be kept in accordance with the same retention periods assigned to the paper version of the record. A certificate of records disposal request must be submitted to the MDH Records Management Office for review and approval prior to the disposal of any record materials identified in this records schedule. This includes paper records that are scanned immediately upon receipt, paper records that have reached maturity and electronic records that have reached maturity. After disposal, a disposal certificate will be filed with the Maryland State Archives by the MDH Records Office.
