

Pathways to Health Equity Grantee Technical Assistance Session #4

June 15, 2022

Objectives for Today's Session

- CHRC expectations for data collection
 - Unique patient identifier and demographic information to be collected
 - Definition of patients served / unduplicated patients served
- Topics of future technical assistance sessions- open discussion
- Questions & Answers period

Unique Patient Identifier & Demographic Information to be Collected

Pathways grantees will be expected to collect the following information as part of their Patient Intake Data Elements / Process.

It is the responsibility of the grantee to ensure that this information does not violate HIPAA.

If you already collect this information and have developed your own patient intake data elements/process, please forward a copy to CHRC staff for final approval.

Patient Intake Data Elements

- Unique Participant Identifier (Patient_ID, etc.)
- First Name
- Last Name
- DOB
- Address
- Gender
- Race
- Ethnicity
- Program Enrollment Date using mm/dd/yyyy format

Definition of Patient Served

The definition document has been distributed and discussed with Pathways grantees.

We recognize that this definition may impact information contained in your milestones and deliverables report.

CHRC and CRISP staff are working with Pathways grantees to finalize your milestones and deliverables report.

Topics of Future TA Sessionsopen discussion

Technical Assistance Sessions will continue every other Wednesday (June 29, July 13, etc.):

Potential future topics include:

- CRISP Panel Uploading
- Ongoing Implementation Assistance
- Consumer Outreach and Marketing
- Partner Integration and Management
