REGULATION TRACKING MEDICAID ADVISORY COMMITTEE MONTHLY REPORT February 2017

	PURPOSE	AELR DATE	PRINTING IN MD REG	DATE OF FINAL PRINT IN MD. REG.	APPROVED (10 DAYS AFTER FINAL)
MMMCP: Eligibility and Enrollment	The purpose of this proposal is to correct the length of stay in a long term care facility that makes a participant ineligible to enroll in an MCO.	2/10/17	3/31/17 Ant.		
EPSDT – Lead Assessments	The purpose of this proposal is to update outdated language related to lead poisoning treatment. It lowers the threshold for environment lead investigations from a confirmed elevated blood lead level of 10 micrograms or greater per deciliter to 5 micrograms or greater per deciliter.	2/10/17	3/31/17 Ant.		
MCOs	The purposes of this proposal are to: (1) Increase the minimum score requirement on Healthy Kids Program quality assurance reviews from 70 to 80 percent; (2) Remove the requirement that an MCO be statewide in order to receive a portion of any outstanding funds after the initial rural access incentive is paid; (3) Clarify that MCOs must provide the services covered under the State Plan; and (4) Increase from 30 to 90 the number of days an MCO is responsible for long term care admissions.	10/17/16	11/28/16	2/17/17	2/27/17 Ant.
EPSDT Manual IBR	The purpose of this proposal is to incorporate by reference the Early and Periodic Screening, Diagnosis and Treatment (EPSDT) Provider Manual. This proposal also updates references to this document in other chapters.	10/24/16	12/9/16	2/17/17	2/27/17 Ant.
MCO Rates	The purposes of this proposal are to repeal the calendar year 2015 HealthChoice MCO's rates, to implement the calendar year 2017 HealthChoice MCO's rates and to clarify the interim rate adjustment methodology.	10/25/16	12/9/16	2/17/17	2/27/17 Ant.
Non-Capitated Covered Services	The purpose of this proposal is to update the ICD-10 diagnosis codes included in the behavioral health carve out. The amendment delineates which claims the Administrative Service Organization is responsible for paying and which claims the Managed Care Organizations are responsible for paying. This will bring the regulations up to date with the latest CMS mandated updates.	10/24/16	12/9/16	2/17/17	2/27/17 Ant.
Community-based SUD Services	The purpose of this proposal is to change methadone reimbursement to better align service delivery with payment. This proposal adds the ability for Opioid Treatment Programs to be reimbursed separately for services, including an induction service of the selected medication (methadone or buprenorphine), periodic medication management visits, and guest dosing services. An additional purpose of this proposal is to update regulations to allow	10/21/16	12/9/16	Final action in progress
