RE: Additional procedure code to be submitted to Telligen

NOTE: Please ensure that appropriate staff members in your organization are informed of the contents of this memorandum.

The purpose of this memo is to update the procedure codes to be submitted to Telligen as mentioned in the DME/OXY Memo dated July 21, 2016. The list now includes procedure code E2402, which is the negative wound therapy pump (wound vac).

Please keep in mind effective September 1, 2016, Telligen will begin to review and determine medical necessity for the procedure codes in the above referenced memo.

Your patience and cooperation during this process is greatly appreciated. If you have any concerns regarding this matter, feel free to contact me at (410) 767-7283 or at deneen.ratchford@maryland.gov.
