MCO Comparison Chart

In Maryland's HealthChoice program, health care services are provided through managed health care organizations, called MCOs.

Use the chart to help pick your MCO.

Here are some questions to ask before you pick an MCO.

- ➢ Which MCOs provide services in my area?
- ➢ Which MCOs include my doctor and the hospital, specialists, and pharmacies I want to use?
- ➢ What additional services does each MCO offer?

❋ HealthChoice does not cover you when you are out of State except for emergencies.
