ORDER TERMINATING PROBATION AND
REINSTATING PHARMACY LICENSE

By Order dated February 23, 1982 (the "1982 Order"), the Maryland Board of Pharmacy (the "Board") found Marian Butler, P.D. (the "Respondent") guilty of violating Section 12-311 (b) (6) and (21) of the Health Occupations Article. The Board suspended the Respondent's license; immediately stayed the suspension and placed Respondent on probation subject to certain conditions (the "Conditions of Probation").

By letter dated May 16, 1986, Respondent petitioned the Board for reinstatement of her license to practice pharmacy in Maryland without any condition or restriction. At its meeting on June 4, 1986, the Board reviewed Respondent's petition for reinstatement. Based on its review of that petition and the reports submitted to the Board by the persons monitoring Respondent's progress pursuant to the Conditions of Probation, the Board determined that respondent had satisfactorily fulfilled all of the Conditions of Probation contained in the 1982 Order.

FINDINGS OF FACT

The Board finds that Respondent has satisfactorily complied with all the Conditions of Probation imposed by its 1982 Order.

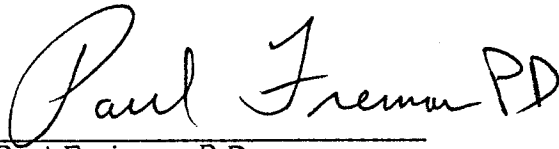

CONCLUSION OF LAW

The Board concludes as a matter of law that it is appropriate to terminate Respondent's Conditions of Probation and to reinstate her pharmacy license without any condition or restriction.

ORDER

UPON THE FOREGOING Findings of Fact and Conclusion of Law, it is this 2nd day of July, 1986 by a unanimous vote of a quorum of the Board ORDERED that effective as of the date of this Order, the Conditions of Probation imposed on Respondent's practice of pharmacy by the Board's 1982 Order are hereby **TERMINATED** and of no force and effect; and be it further

ORDERED that Respondent's license to practice pharmacy in the State be **REINSTATED** without any condition or restriction whatsoever.
