

IN THE MATTER OF \* BEFORE THE MARYLAND  
CRYSTALLIN GOODACRE, P.D. \* STATE BOARD OF  
LICENSE NO. 12864 \* PHARMACY  
\*

\* \* \* \* \*

**CONSENT ORDER**

**HISTORY**

On or about September 16, 2008, the Maryland State Board of Pharmacy (the "Board") received a credible complaint that Crystallin Goodacre, P.D. ("Respondent") committed a medication error in dispensing a prescription for a pediatric patient on September 14, 2008.

In lieu of instituting formal proceedings against the Respondent's license in accordance with the Maryland Pharmacy Act, Health Occ., § 12-313, the Board held a Pre-charge Case Resolution Conference ("CRC") with Respondent on April 1, 2009. Thereafter, the Board and Respondent have agreed to resolve this matter as set forth in this Consent Order.

**FINDINGS OF FACT**

1. On September 14, 2008, as a result of a failure in the quality assurance step of the dispensing process, Respondent dispensed Lorazepam instead of Levothroxine 125 mcg for a 10-year-old patient.
2. The patient did not ingest the medication.
3. The Board has previously received four (4) other substantiated complaints against Respondent regarding medication errors.

**CONCLUSIONS OF LAW**

Based on the foregoing Findings of Fact, the Board concludes that Respondent is subject to discipline pursuant to Md. Code Ann., Health Occ., § 12-313(b)(25) and COMAR 10.34.10.01.B.(1).

**ORDER**

Based on an affirmative vote of the Board, it is this 20<sup>th</sup> day of May, 2009, hereby:

**ORDERED** that Respondent's license shall be immediately placed on PROBATION for at least ONE (1) YEAR; and be it further,

**ORDERED** that during probation, Respondent shall submit, on a monthly basis, quality assurance reports from her employer, as described in COMAR 10.34.26.04, detailing any medication errors Respondent may make, along with a root cause analysis of the error(s) and any remedial action taken in response. Patient names may be redacted; and be it further,

**ORDERED** that should the quality assurance reports indicate that Respondent continues to commit medication errors as a result of deviation from the standard of care, the Board may extend the probationary period or modify the terms of probation after providing Respondent with an opportunity for a show cause hearing; and be it further,

**ORDERED** that Respondent shall at all times cooperate with the Board in her compliance with the terms and conditions of this Consent Order; and be it further,

**ORDERED** that Respondent's failure to fully cooperate with the Board shall be deemed a violation of the probationary terms and a violation of this Consent Order; and be it further,

**ORDERED** that should Respondent violate any of the terms and/or conditions of this Order, the Board, in its discretion, after notice and an opportunity for a hearing, may impose any additional sanctions, including revocation and/or a monetary penalty authorized under the Maryland Pharmacy Act; and be it further,

**ORDERED** that Respondent may petition the Board for release from probation no earlier than one (1) year after the effective date of this Order provided that she has been fully compliant with all of the terms of probation and there are no pending complaints against her; and be it further,

**ORDERED** that this is a formal order of the Maryland Board of Pharmacy and as such is a public document pursuant to the Md. Code Ann., State Gov't, § 10-617(h).
