License No. 09891

ORDER TERMINATING PROBATION AND
REINSTATING PHARMACIST LICENSE

By Order dated **May 17, 1995**, ("the 1995 Order"), the Maryland Board of Pharmacy (the "Board") found **Chinyere Nwaneri** (the "Respondent") guilty of violating Section **12-313(b)(14)** of the Health Occupations Article. The Board ordered that Respondent's license to practice pharmacy in the State of Maryland be **SUSPENDED**. The **suspension** was stayed and Respondent was placed on probation subject to certain conditions (the "Conditions of Probation").

By letter received by the Board **October 18, 1996**, Respondent petitioned the Board for reinstatement of her license to practice pharmacy in Maryland without any condition or restriction. At its meeting of **November 13, 1996**, the Board determined the steps for Respondent to follow for her license to be reinstated. Based on its review of that petition and the reports submitted to the Board, the Board determined that Respondent had satisfactorily fulfilled all of the Conditions contained in the **1995 Order**.

FINDINGS OF FACT

The Board finds that Respondent has satisfactorily complied with all the Conditions imposed by its 1995 Order.

CONCLUSION OF LAW

The Board concludes as a matter of law that it is appropriate to terminate Respondent's Conditions on her license and to reinstate 1995 pharmacist license without any condition or restriction.

ORDER

UPON THE FOREGOING Findings of Fact and Conclusions of Law, it is this 13th day of November, 1996 by unanimous vote of a quorum of the Board

ORDERED that effective as of the date of this Order, the Conditions imposed on Respondent's practice of pharmacy by the Board's 1995 Order are hereby **TERMINATED** and of no force and effect; and be it further

ORDERED that Respondent's license to practice pharmacy in the State of Maryland be **REINSTATED** without any condition or restriction whatsoever.
