

# **Circumstances of Suicide Deaths in Maryland: Data from the 2003-2020 Maryland Violent Death Reporting System (MVDRS)**

Prepared March 6, 2023 by the  
Center for Environmental, Occupational, and Injury Epidemiology (CEOIE)

Please note: The Maryland Vital Statistics Administration provides official death counts and rates for the State of Maryland. They can be viewed online at <https://health.maryland.gov/vsa/Pages/reports.aspx>. The Maryland Violent Death Reporting System is designed to supplement vital statistics data by providing information about the circumstances of violent death. Please refer to the Vital Statistics Administration for case counts and rates.

Circumstance data presented in this report is limited to information documented in the law enforcement and/or medical examiner files. Information on mental health and substance abuse history comes solely from these sources and not medical records or other treatment records.

## Cases included in this report:

- Single-suicides of Maryland residents injured in Maryland
- Multiple-suicides of Maryland residents injured in Maryland
- Homicide followed by a single-suicide of Maryland residents injured in Maryland
- Single-suicides of out-of-state residents injured in Maryland

## Cases excluded from this report:

- Suicide deaths of out-of-state residents that were injured out-of-state and died in Maryland

## Circumstances of Suicide Deaths in Maryland: 2003-2020 MVDRS

**Table 1: Usual Industry<sup>1</sup> of Suicide Decedents 18 Years and Older in Maryland, 2020**

Usual Industry Sector <sup>1</sup>	n	%
Construction	62	11.4%
Public Administration	54	9.9%
Retail Trade	38	7.0%
Manufacturing	37	6.8%
Not in workforce (homemaker, student, volunteer, unable to work)	33	6.1%
Accommodation and Food	30	5.5%
Professional, Scientific, and Technical Services	30	5.5%
Other Services (except Public Administration)	29	5.3%
Educational Services	28	5.1%
Transportation and Warehousing	27	5.0%
Health Care and Social Assistance	23	4.2%
Military	20	3.7%
Administrative and Support and Waste Management and Remediation Services	19	3.5%
Information	12	2.2%
Finance and Insurance	11	2.0%
All other industries <sup>2</sup>	39	7.2%
Missing, unknown, and not enough information	53	9.7%
<b>Total</b>	<b>545</b>	<b>100.0%</b>

<sup>1</sup>Major industry sectors defined using the 2012 North American Industry Classification System (NAICS).

<sup>2</sup>All other industries includes: arts, entertainment, and recreation; agriculture, forestry, fishing and hunting; real estate rental, and leasing; utilities; wholesale trade; mining, quarrying, and oil and gas extraction.

<b>Most Common Usual Industry, by Sex</b>
<p>Among <b>males</b>:</p> <ol style="list-style-type: none"> <li>1. Construction (13.6%)</li> <li>2. Public administration (9.7%)</li> <li>3. Retail trade (7.9%)</li> </ol> <p>Among <b>females</b>:</p> <ol style="list-style-type: none"> <li>1. Not in workforce (16.5%)</li> <li>2. Public administration (10.7%)</li> <li>3. Healthcare and social assistance (10.7%)</li> </ol>

<b>Most Common Usual Industry, by Race and Ethnicity</b>
<p>Among <b>White, Non-Hispanics</b>:</p> <ol style="list-style-type: none"> <li>1. Construction (11.8%)</li> <li>2. Public administration (10.0%)</li> <li>3. Manufacturing (8.2%)</li> </ol> <p>Among <b>all other race/ethnicities</b>:</p> <ol style="list-style-type: none"> <li>1. Construction (10.4%)</li> <li>2. Accommodation and food services (10.4%)</li> <li>3. Public administration (9.7%)</li> </ol>

<b>Most Common Usual Industry, by Age Group</b>
<p>Among <b>&lt;25 year-olds</b>:</p> <ol style="list-style-type: none"> <li>1. Not in workforce (27.5%)</li> </ol> <p>Among <b>25-44 year-olds</b>:</p> <ol style="list-style-type: none"> <li>1. Construction (11.3%)</li> <li>2. Public administration (8.2%)</li> <li>3. Accommodation and food services (7.7%)</li> </ol> <p>Among <b>45-64 year-olds</b>:</p> <ol style="list-style-type: none"> <li>1. Construction (12.4%)</li> <li>2. Public administration (8.9%)</li> <li>3. Manufacturing (8.3%)</li> </ol> <p>Among <b>65+ year-olds</b>:</p> <ol style="list-style-type: none"> <li>1. Public administration (16.9%)</li> <li>2. Construction (11.5%)</li> <li>3. Educational services (9.2%)</li> </ol>

**Table 2: Usual Occupation<sup>1</sup> of Suicide Decedents 18 Years and Older in Maryland, 2020**

Usual Major Occupation <sup>1</sup>	n	%
Construction and Extraction	54	9.9%
Repair	40	7.3%
Transportation and Material Moving	40	7.3%
Management	38	7.0%
Sales and Related	34	6.2%
Not in workforce (homemaker, student, volunteer, unable to work)	33	6.1%
Food Preparation and Serving Related	25	4.6%
Production	24	4.4%
Office and Administrative Support	23	4.2%
Computer and Mathematical	22	4.0%
Military	21	3.9%
Education, Training, and Library	16	2.9%
Arts, Design, Entertainment, Sports, and Media	15	2.8%
Protective Service	15	2.8%
Maintenance	14	2.6%
Business and Financial Operations	14	2.6%
Technical	14	2.6%
Architecture and Engineering	12	2.2%
Personal Care and Service	11	2.0%
All Other Occupations <sup>2</sup>	24	4.4%
Missing, unknown, inadequate response to code	56	10.3%
<b>Total</b>	<b>545</b>	<b>100.0%</b>

<sup>1</sup>Usual occupation defined using the 2010 Standard Occupational Classification (SOC) system major groups.

<sup>2</sup>All other occupations includes: life, physical, and social science occupations; legal occupations; farming, fishing, and forestry occupations; community and social service occupations; healthcare support occupations.

**Most Common Usual Occupation, by Sex**

Among **males**:

1. Construction and extraction occupations (10.2%)
2. Installation, maintenance, and repair occupations (7.7%)
3. Transportation and material moving occupations (5.9%)

Among **females**:

1. Not in workforce (16.5%)
2. Office and administrative support occupations (11.7%)
3. Management occupations (10.7%)

**Most Common Usual Occupation, by Race and Ethnicity**

Among **White, Non-Hispanics**:

1. Construction and extraction occupations (13.9%)
2. Management occupations (11.7%)
3. Not in workforce (7.3%)

Among **all other race/ethnicities**:

1. Transportation and material moving occupations (12.6%)
2. Not in workforce (15.5%)
3. Construction and extraction occupations (14.4%)

**Most Common Usual Occupation, by Age Group**

Among **<25 year-olds**:

1. Not in workforce (27.5%)

Among **25-44 year-olds**:

1. Construction and extraction occupations (9.2%)
2. Installation, maintenance, and repair occupations (9.2%)
3. Transportation and material moving occupations (7.2%)

Among **45-64 year-olds**:

1. Construction and extraction occupations (10.7%)
2. Sales and related occupations (8.9%)
3. Management occupations (7.1%)

Among **65+ year-olds**:

1. Management occupations (12.3%)
2. Construction and extraction occupations (10.8%)
3. Transportation and material moving occupations (10.0%)

Table 3: Service in the U.S. Armed Forces Trends, 2003-2020

Year	Yes n (%)	No n (%)	Total <sup>1</sup> n
2003	112 (22.4)	387 (77.6)	499
2004	104 (21.9)	370 (78.1)	474
