**PSA: Children's Dental Health Month – February 2017**

AUDIO:

February is National Children's Dental Health Month in Maryland. The \_\_\_\_\_  
(*YOUR LOCAL HEALTH DEPARTMENT*) reminds parents that their children can prevent tooth decay. Brushing with fluoride toothpaste, flossing daily, drinking tap water if your community water system or private well has fluoride in it, eating a balanced diet without sugary foods or drinks, and having regular dental check-ups are the keys to a lifetime of healthy teeth and gums. For more information visit the Office of Oral Health's website: <http://phpa.dhmh.maryland.gov/oralhealth/> .

This message brought to you by this station and (*YOUR LOCAL HEALTH DEPARTMENT*).
