

July 2021 ASP NOC NDC - HCPCS Crosswalk July 1, 2021 through September 30, 2021

The ASP crosswalks are maintained by the Division of Ambulatory Services to support ASP-based M (including entities that submit manufacturer ASP data and providers who bill for drugs) understand which HCPCS codes are billable for ASP-based M. The crosswalks are not intended to be a comprehensive list of all drugs/NDCs available in the United States and the number of billable units (as defined by the HCPCS code descriptor). Complete crosswalks are available on the ASP website.
