## ENROLLMENT APPLICATIONS

### Did you know you can enroll online using PECOS?

PECOS is the online Medicare enrollment management system which allows you to:

- Enroll as a Medicare provider or supplier
- Review information currently on file
- Upload your supporting documents
- Electronically sign and submit your information online

Because PECOS is paperless, you no longer need to submit anything by mail. Additionally, PECOS applications tend to process faster than paper applications.

## Paper Enrollment Applications

The following forms can be used for initial enrollment, revalidations, changes in status, and voluntary termination:

- [CMS-855A](#) for Institutional Providers
- [CMS-855B](#) for Clinics, Group Practices, and Certain Other Suppliers
- [CMS-855I](#) for Physicians and Non-Physician Practitioners
- [CMS-855R](#) for Reassignment of Medicare Benefits
- [CMS-855O](#) for Ordering and Certifying Physicians and Non-Physician Practitioners
- [CMS-855S](#) for DMEPOS Suppliers
- [CMS-20134 \(PDF\)](#) for MDPP Suppliers

The following forms are routinely submitted with an enrollment application:

- Electronic Funds Transfer (EFT) Authorization Agreement (Form [CMS-588](#))
- Medicare Participating Physician or Supplier Agreement (Form [CMS-460](#))

## Submit Your Application

When you've completed your paper application, print it and sign it. Your signature is required to be handwritten when you submit a paper application. Make a copy of the signed form for your records before mailing it to your Medicare Administrative Contractor (MAC) with your supporting documents and EFT Authorization Agreement form.
