

Priority Partners Explanation of Benefits Notice

Understanding the Explanation of Benefits (EOB)

This year, Priority Partners members will begin receiving Explanation of Benefits (EOB) statements in the mail. So what is an EOB?

The first thing to know is that an EOB is not a bill. They are not asking for payment. An EOB tells the member what services they received and what their coverage was for the services. It provides information about how much a service cost and how much Priority Partners paid for the service.

This information helps members keep records of the services they have had and helps them understand how those services are covered and paid for. Any time a Priority Partners member receives health care, they will receive an EOB in the mail. If you have any questions about an EOB, please call our Customer Service at 800-654-9728.

The EOBs from Priority Partners will look similar to this:

8704 Curtis Court
Crisp, MD 21113

Patient Name
Patient Address1
Patient Address2
Patient City, State Zip
